Subject: September 18 LTC - Voting required

Dear Snr Const Brigg and Sgt Stewart,

Although a Police representative was not present at the Sept 18 meeting, in order for the LTC to provide it's report to council the Local Traffic Committee requires Police vote on the 6 items that were dealt with. According to the RMS Guidelines page 12 "Due to the fact that the RMS and the NSW Police have the power to appeal certain decisions of the Council, the LTC cannot provide its advice to Council until both the RMS and the NSW Police have provided their vote on the issue."

Therefore kindly requesting your voting on the recommendations that were made. My apologies for the short notice, but we will need your feedback by COB 28/9/18. To make this easier, you can fill out the table below.

ITEM	Voting (For, Against, Abstain)	Comments
6.1 Parking for RFS Volunteers	For	Agree with the recommendations
6.2 Mullum Music Festival	For	Agree with the recommendations
6.3 Request for No Stopping – 12 Browning St	For	Agree with the Recommendations
6.4 Brunswick Heads Woodchop	For	Agree with the Recommendations
7.2 Car Share	For	Agree with the Recommendations
7.3 Brunswick Heads Boatharbour	For	Agree with the Recommendations

I've attached the Draft minutes of the September 18 meeting which contains the recommendations finalised in the meeting.

If you need to refer to the agenda and attachments see

Please let me know if you are unable to respond by COB Friday 28th, note that this will coincide with the electronic LTC meeting of 21st September.

Kind Regards,
