Dear Simon

Re: Mullum2Bruns Paddle to be held Sunday 28th May 2017

As in past years the paddle committee is requesting permission for temporary one-way traffic in

Brunswick Terrace & Incogan Street to enable them to cross to the starting area. The JHA traffic controllers will hold traffic crossing to the registration zone until there is spaces for them to unload their craft.

A letter box drop would be done 2 weeks prior to the event informing residents in the surrounding streets of the temporary one way traffic closures.

Byron Shire Council have given us a grant to cover the majority of cost related to the road closure.

JHA Traffic Control have done new plans for this year as per request from BSC. (plans attached)

Yours sincerely

Penny Fuller
