Hi Nikki,

Regarding the proposed name for our new sports ground in Ocean Shores, may i recommend "Pat Boone park "

[https://en.wikipedia.org/wiki/Ocean\\_Shores,\\_New\\_South\\_Wales](https://en.wikipedia.org/wiki/Ocean_Shores,_New_South_Wales)

My reasoning behind this is – Pat Boone was instrumental in developing Ocean Shores, He was a good man and very well known entertainer world wide... His company provided the round house land for the community so as the land was sold and the money provided from this, he has a very direct link and involvement with the sports ground being made possible.

I expect that there will be a push to use an indigenous name but I feel we should also respect the European settlement and development of Byron shire and not lose the opportunity to show this in a small way such as this.

Thank you for your consideration.

Kind Regards

Paul Waters
