**DELEGATES' REPORTS**

1. Tourism Symposium 18 August 2017

Cr Richardson advised Council:

As a delegate, as part of the ex- officio role of Destination Byron, I attended a tourism symposium last Friday. I think there was a bit of coming of age of Destination Byron in that rather than just doing marketing and similar, it was really focused on making tourism sustainable. They brought in the ex-Mayor from Queenstown, New Zealand to share her stories and someone from the Great Ocean Road to share their stories as well. We had fantastic panelists and really specific topics that had the same theme all day, ie how do we make tourism sustainable for the communities that pay host to it?

It really was quite an impressive day and full of good activities. We got a fair bit of media from it too about gains from a council point of view, trying to advocate for sustainable tourism. It was really well attended by not just Byron people and we had councillors from Clarence Valley and elsewhere.

Hopefully we can get more of those conversations and we can be part of that catalyst for having the conversations.

Cr Spooner took a moment during this item to acknowledge the passing of Lanie Reed, a long term resident of the Shire and expressed his condolences to the Reed family.
