**Report No. 6.1**                      **Parking time limits -South Beach Rd, Brunswick Heads**  
**File No:**                              I2020/555

In response to the current COVID-19 pandemic and concerns about the public not adhering to recommended requirements for social distancing and minimal travel, Mayor Richardson has used his delegated authority under section 226 (d) of the LGA to introduce new parking restrictions to the area east of South Arm Bridge, Brunswick Heads.

This decision was made by the Mayor following Local Area Emergency Management Committee meetings, and signage changed on 9 April.

Figure 1. shows the signage proposed by Council Staff for installation. It is noted that these signs have already been installed prior to the Easter Long weekend to act as a deterrent and are subject to LTC review and comments.

NOTE:

- All existing P signage to be taken down along South Beach Rd and South Beach Lane.
- All No Parking 1am-5am signs to be taken down.
- All No Stopping Signs to remain in place.
- Many P, No Parking & No Stopping signs are all combined as one sign and may require spare No Stopping signs to replace the combination signs.

Sign to be installed generally in these locations subject to site constraints and need for quick installation

**Recommendation:**

This report seeks LTC support for the “South Beach Parking Area” parking changes that were implemented 9/4/2020 and the signage installed in the locations shown in Figure 1.

- 2P Parking Area 5am-7am Monday to Sunday
- No Parking Area 7pm-5am
- End 2P Parking Area
- End No Parking Area
- removal of existing regulatory parking signs

Committee Comments

RMS:

We need to add to the recommendation the time limits for the parking restrictions, I believe it was 9 April to 31 July, or as otherwise directed by council.

RMS: Parking signs do not require days (i.e. Mon – Sun) if it is a full time restriction.

Police: In response to the current COVID-19 climate and in line with existing restrictions and issues with social distancing and illegal camping, I support Report No. 6.1

**Committee Recommendation:**

**BYRON SHIRE COUNCIL**
