Q3 Council is proposing a project to transform the existing, under-utilised Sandhills Estate into a multi-generational community hub featuring a skatepark, BBQs, toilets, playground and wetlands boardwalk. Do you support this vision?

I support this vision 100%! It will provide a much needed positive outlet for the youth and be a place where young people, families and the wider community can come together to engage in positive activities. What a fantastic initiative!

I think this is a great idea! I’m a born and bred local and we have always said that the Sandhills Estate would be the perfect location for a larger format skatepark (As the Suffolk park skatepark is small and can be very crowded at times)

YES

Definitely a skatepark and all the above too

Yes

Yes I do support it! A skateparks brings friends and family together, I’m 31 years old and the only place I meet friends is at the skatepark.

No

I absolutely support this idea to transform into a working, social precinct, aimed at engaging young people, youth, and the wider community as well

This is amazing news for Byron but would be SO much better beachfront like Bondi, Venice Beach, St Kilda etc

Yes! About time

Yes

Yes.

Yes, overwhelming support. This area has so much potential for the community. The kids have wanted it so much that they’ll skate on a clump of concrete. Being so close to the youth centre is a bonus

Yes, as long as the major priority is building a quality skatepark

Yes - great idea!
This is awesome! I think it's a great idea, being a 18 year old skater and surfer who lives in Byron this opens up so many more opportunity's. Our only parks are Mullum and Suffolk Park. These are too far to go for a fun afternoon skate. Good luck!

Alex
6/13/2018 05:16 PM

Yes. 100% support. what is that current joke of a skate park. put BBQ LIGHTS for night skating and high end skate park to bring the comminuity together even further. Best thing to hapen sence barbyque sauce i recon

Kye
6/13/2018 06:09 PM

Yes! Any upgrade to family friendly areas is greatly needed in Byron. We do parks very poorly!

Dc

Annabelle

Yes for sure

JacoB
6/13/2018 08:24 PM

Every person I have mentioned the proposed skatepark site to has asked where it is, then nodded and said "I don't think I've ever been there" it is a beautiful park area that is going to waste, it could be put to much greater use than at present

Skatepark
6/13/2018 09:30 PM

I support this proposal because it promotes family activities and will provide opportunities for community members of all ages to interact.

Maximillian
6/13/2018 10:18 PM

Yes 100%

Lena
6/13/2018 10:19 PM

ABSOLUTELY

Jay Hetherington
6/14/2018 08:01 AM

A skatepark and BBQ for sure!

What?
6/14/2018 08:28 AM

How can this work without car parks??? Already there are not enough parking spots for locals who work in town and around Sandhills/library. Put the skate park near the beach where there is more access and supervision!

Certantly I support Byron getting a skate park it will be amazing for the youth in Byron and a massive draw card with the tourists also!

Teaghan
6/14/2018 11:32 AM

I defiantly support this vision. It will be a positive for the community in a number of ways. When theres no waves ect theres really very little for the
groms and others to do a round byron. This will be a great tool to give the kids a place to hang.

Yes!

Yes I support everything except a skate park. Do we really need one here? I dont think it sits well with the more passive recreational uses proposed. I suggest applying the Recreation Opportunity Spectrum to weigh up the suitability of proposed uses.

Sounds very awesome!

Yes - skateparks are great and so beneficial to the community, they act as hubs for young people, but not just kids (the age bracket would be more like 5-25) and its a supportive/friendly environment made safer by the passive surveillance of users.

Yes

Yes

Yes definitely

Yes

yes i think it would create a great place for youth to gather and skate and make friends

Yes

Yes great idea the outdoor spaces there are the more people will be outdoors and enjoying using the facilities, creating more opportunities for all, the new south golden beach one is great although night lighting would help improve safety!

Absolutely. This is a fantastic idea for this under-utilised prime location. Being between the library, youth and children's places is perfect. BBQs and boardwalk are genius I love it. Make sure Aboriginal history/culture interpretive signs are included

I 100% support this vision. byron bay is well due for a skate park!

Absolutely. It's a great idea. Anything to encourage kids to get active and to provide a place for families

no

rob
6/16/2018 04:57 AM
I can't believe this has not been done already. If you have a look at a lot of other coastal towns they all have state of the art skate parks on the beach. It takes the boredom away from the kids and gives them something to focus on. DO IT!!
Yes it's a great idea

Stacey
6/16/2018 06:36 AM
It will be perfect for the community and our kids

Yes, I'm a sandhills mum and I'd love to see this area develop and be used for families and youth. As long as it's lit up and not tucked away but very much in the open I agree it will be good for youth.
Yes, no bbqs

to improve their skills. Skateboarding is a tourist attraction in itself for both skaters and the general public. Its also a healthy distraction from the party stigma here.

Lindy Smith  
6/23/2018 10:03 PM  
Absolutely, it would be a fantastic addition. It would also help stop the anti social behaviour and illegal camping. Theses people are constantly dumping rubbish  
For sure I hope this goes all ahead

Jacque

Yes. I would support a new skate park and toilet blocks. Could the boardwalk be skate able?

Mercy

Definitely. I can't wait to be able to enjoy such a valuable community space.

Kristina O  
6/26/2018 09:45 PM  
Yes definately. It is an unused space not only in the centre of byron but near other youth services places. Great to encourage youth to DO something

Nancye  
6/29/2018 01:28 PM  
Yes it is a long time overdue. There is nothing in Byron for children of the town and visitors.

Yes, I am in favour of providing areas for the youth to exercise and be able to do things other than surf or get bored.

Lonegoat

yes this is an under utilised parcel of land that should be developed for community use

Anonymous  
6/29/2018 01:49 PM  
Definitely, a skate park and other communal activities blend in well with the YAC , the Childcare Centre and the Byron Library. Besides this the park becomes a place where people like to go again and the unused areal in the middle of town is repurposed.

Yes.

mnugent  
6/29/2018 04:49 PM  
Yes as teenagers and families need more spaces within the community. It is a great opportunity to build community resources.

Lee Lee  
6/29/2018 05:09 PM  
For me to support it, It must have a fenced in dog park. Not everyone want to or even can take their dogs to the dog beach which is not enclosed anyway, has no shade or sitting areas. We need a secure, purpose built park where dogs can be social.

I am a Skateboarder so as such my main focus is generally on skateboarding but I think preserving some of the grass area for outdoor activities and picnics would be a great idea. Some bbq's would go a long way also to encourage multi generational use.

The number one priority to get right is to acknowledge Aboriginal history and culture with stories told through landscaping, art, interpretive signs - pay respect to true history. Get this right. Please. Thank you. I am not Aboriginal :)

It would be great if the skate park included a functional street section with elements designed for more experienced skaters. So many parks that are built tend to cater for young children and have only small obstacles. A decent sized bowl would be great

yes I think an arts and historical/ cultural dedicated building could fit well adjacent to the courthouse co-existing with activities at the skate park

Anonymous 6/29/2018 01:49 PM
Bike trail, cafe

We would also love some good trails through the bushland to enjoy the birds and the new regrowth in the area.

Toddler Water park!

A community orchard and garden for all ages. There are plenty of examples globally where community gardens encourage bridge building within diverse elements of society. So lemon, orange, mandarin trees, passionfruit vines, herbs, salads, flowers!

An Enclosed dog park where people and families can sit in shaded areas while supervision their dogs interaction and playing in safety. Aged owner and yound families could just sit and relax. Visitors and locals would utilise the dog and human space

A pumptrack suitable for bikes, scooters and skateboards

All night lighting and cameras. Regular policing of the bush area beyond the park to move on the violent and antisocial vagrants in this area.

NO SKATE PARK.

Interpretive information linking with the boardwalk. White Creek Valley Park, Annandale, Sydney is a great example with their wetland/skatepark/picnic area/playground.

Use this space for an outdoor amphitheater to allow concerts and community activities

Yes, a Kiosk would be great! Could run as a not-for profit organisation and while it is operating have an eye on what's happening there so no hassle, no fights ... no illegal activities!

Lots of seating/ picnic benches in shade please

I don't think a better location could exist, it is right in the middle of town close to the beach, shops, public transport whilst still in the public eye. It will be such a benefit to the youth of Byron Bay who have been neglected over the past 5-10 yr.

What?
6/14/2018 08:28 AM

There is no open supervision possible in this location. This is NOT a safe area for young skaters to hang out, way too hidden behind the library and without road access or proper parking it will just increase problems for locals who work near the area.

Putting a skatepark into the mix. Not against per se but not a good companion to other uses.

Noisy activities should be as far away from the rear of the library as possible. People in the library enjoy the quiet, and looking out at the natural surrounds.

Wendy
6/15/2018 06:10 PM

It may fall prey to the free travellers who have little respect for our nature or infrastructure. To avoid that, have some events that are family and community orientated and make sure it is a safe place for children and young people so that they use it

So many homeless people live in the bushland there. I see many many of them walk through there daily. Many under the influence of drugs or alcohol. Not a family friendly environment.

I’m very passionate that sandhills should be more private and more secure from this currently dodgy area and soon very busy area. Locked gates and privacy planting PLEASE  
Keep 150 metres from nearest residents

It’s location is next door to the very accessible child care centre. I believe this significantly increases the risk of harm to the youngest & most vulnerable children . Also parking is already problematic near the centre.

It is important to liaise with real skateboarders to ensure a well designed park

Stuart  
6/22/2018 01:57 PM  
That leaves and sticks from the vegetation may blow onto the skatepark making it a bit messy/dangerous

Claire Gray

Our children go to sandhills. There is already often empty alcohol bottles, rubbish and the smell of marijuana in the area. Concern will be that there will be squatters or people taking drugs or doing the wrong thing in this area

I would like to see skate park developed with input from multi disciplined
skaters None

Kristina O Not really. I feel this i an ideal location for this proposal due to the proximity to youth services and the library. It is close to the centre of town so should encourage socialising in a positive manner No

Steven richards NO

Ilianlil Would be nice to have aboriginal art painted in and on and structures.

Suz I think a skatepark is great too. Board walk is expensive - just where really needed please. Please remember bicycle access through out the whole area would be fantastic.

Kelsey No I think this is a fantastic location. I have children at sandhills and would love to have a safe new park to play. The main beach one is not safe as so much traffic and strangers. we now travel to suffolk park

mnugent I think the location is great. I have a concern about the illegal camping sites abusing the space. I think increasing the opportunity for everyone to exercise is important as so many people use the lighthouse walk that alternative spaces are needed

Lee Lee I would like the actual area to be marked clearer on the maps provided. My understanding is that the Sandhills estate is a larger piece of land than jus the circled area on the above map. I do not want all that bushland disappear . Please be specific .

Ivan In my experience, skateparks work better in highly visible locations as this seems to minimise antisocial behaviour

Brett Only concern is if you don't do it.

mindy I'm concerned about adolescents and their behaviour being witnessed by young children. Drinking, smoking, swearing etc.

hlangler Need to maintain privacy/security of children at Sandhills Childcare Centre with more people around. Hopefully the increased activation will reduce the antisocial behaviour, esp at night.

byronbeachlife Putting the skate park here will be impossible to regulate or police and will encourage the illegal and antisocial activities that already happen here.

mh It has to be supervised in some way .... otherwise there will be illegal
activities so close to the CBD.
