Fees and Charges - Pricing Codes

Council has classified each of the fees and charges in this booklet under the following codes:

(Z) Zero Cost Recovery

This good / service is provided at no cost. The costs are met entirely from property rates and general-purpose income.

(M) Minimal Cost Recovery

The price for this good / service is set to make a small contribution towards the operating costs, both direct and indirect, of providing the good / service. The remainder of the costs are met from property rates and general-purpose income.

(P) Partial Cost Recovery

The price for this good / service is set to make a significant contribution towards the operating costs, both direct and indirect, of providing the good / service. The remainder of the costs are met from property rates and general-purpose income.

(F) Full Cost Recovery

The price for this good / service is set to recover the total operating costs, both direct and indirect, of providing this good / service. Indirect costs are to include taxation equivalent payments, where applicable, in accordance with the principles of National Competition Policy.

(L) Legislative

The price for this good / service is a statutory charge set by government regulation.

(R) Reference Price

The price for this good / service is set by reference to prices charged for similar goods / services by like councils or competitors.

Goods and Services Tax (GST)

The following schedule of fees and charges has been prepared using the best available information in relation to the GST impact on the fees and charges at the time of publication.

Accordingly if a fee that is shown as being subject to GST is subsequently proven not to be subject to GST, then that fee will be amended by reducing the GST to nil. Conversely if Council is advised that a fee which is shown as being not subject to GST becomes subject to GST then the fee will be increased but only to the extent of the GST.

INFRASTRUCTURE SERVICES

Fleet and Plant

Conditions for Plant Hire with Operator

Pre payment on estimated time. Hire of plant is subject to availability. All rates are for a normal working day; Mon to Fri 7.00am-4.00pm. If plant is hired on a RDO, Saturday or after normal working hours, the overtime content of the operator's wages is to be added to the rate. Any travelling time is to be charged at the indicated rates.

Generally Council will not be undertaking private works except for movement of plant and other goods using prime mover and low loader. Private works are defined in Section 67 of the Local Government Act 1993 (as amended) as "A council may, by agreement with the owner or occupier of any private land, carry out on the land any kind of work that may lawfully be carried out on the land." If private works are undertaken then the rates for the plant, labour and materials used to compile the estimate of costs will be those internal rates plus 15%.

Refunds [continued]

Where at least 28 days written notice of cancellation has been given before being due to arrive, deposits or prepayments will be refunded with the following options.

Option A: Full credit of deposit or prepayment to a future booking.

Deferral dates must be provided at the time of request.

Deferring can only happen once with any booking and if the second booking cannot be kept the whole deposit or prepayment is lost.

Any deferred dates must be within 6 months of the original booking date.

Option B: Refund of deposit or prepayment less \$50.00 administration fee.

Notification for bookings cancelled within 28 days prior to arrival will forfeit full deposit or prepayment.

Off Peak and Shoulder Period Bookings

Where at least 48 hours written notice of cancellation has been given before being due to arrive, deposits or prepayments will be refunded with the following options.

Option A: Full credit of deposit or prepayment to a future booking.

Deferral dates must be provided at the time of request.

Deferring can only happen once with any booking and if the second booking cannot be kept the whole deposit or prepayment is lost.

Any deferred dates must be within 6 months of the original booking date.

Option B: Cash, or credit card refund of deposit or prepayment less \$50.00 administration fee.

Notification for bookings cancelled within 48 hours of being due to arrive will forfeit full deposit or prepayment.

Method of refund

Cash payments in person - refunded by cash. Providing sufficient cash reserves are held in the park.

Credit card payments - refunded back to credit card.

All Seasons

Should people vacate a site early due to weather conditions no refund is to be given. Tariffs and deposits are not refundable if a stay is cut short. Park management reserves the right to relocate or change the booked site number prior to, or at, arrival. Booked sites will only be held for 24 hours from booked time of arrival, unless otherwise arranged.

No administration fee will be charged for bookings made and cancelled on the same day.

Customers can write to Council requesting a refund for cancellation of booking due to unforeseen circumstances. Council will deal with these matters on a case by case basis.

Refunds

Administration fee

Visitors' stays are subject to the consumer guarantees under the Australian Consumer Law (ACL). The ACL sets out when a visitor will be entitled to a refund due to a breach of one of the guarantees. In addition to this, Council will also provide a partial refund of a deposit or prepayment where a customer changes their mind about staying, provided the following circumstances are met.

Peak and High Period Bookings

Where at least 28 days written notice of cancellation has been given before being due to arrive, deposits or prepayments will be refunded with the following options.

Option A: Full credit of deposit or prepayment to a future booking.

Deferral dates must be provided at the time of request.

Deferring can only happen once with any booking and if the second booking cannot be kept the whole deposit or prepayment is lost.

Any deferred dates must be within 6 months of the original booking date.

Option B: Refund of deposit or prepayment less \$50.00 administration fee.

Notification for bookings cancelled within 28 days prior to arrival will forfeit full deposit or prepayment.

Off Peak and Shoulder Period Bookings

Where at least 48 hours written notice of cancellation has been given before being due to arrive, deposits or prepayments will be refunded with the following options.

Option A: Full credit of deposit or prepayment to a future booking.

Deferral dates must be provided at the time of request.

Deferring can only happen once with any booking and if the second booking cannot be kept the whole deposit or prepayment is lost.

Any deferred dates must be within 6 months of the original booking date.

Option B: Cash, or credit card refund of deposit or prepayment less \$50.00 administration fee.

Notification for bookings cancelled within 48 hours of being due to arrive will forfeit full deposit or prepayment.

Method of refund

Cash payments in person - refunded by cash. Providing sufficient cash reserves are held in the park.

Credit card payments - refunded back to credit card.

All Seasons

Should people vacate a site early due to weather conditions no refund is to be given. Tariffs and deposits are not refundable if a stay is cut short. Park management reserves the right to relocate or change the booked site number prior to, or at, arrival. Booked sites will only be held for 24 hours from booked time of arrival, unless otherwise arranged.

No administration fee will be charged for bookings made and cancelled on the same day.

Customers can write to Council requesting a refund for cancellation of booking due to unforeseen circumstances. Council will deal with these matters on a case by case basis.
