#### CONFLICT OF INTERESTS

What is a "Conflict of Interests" - A conflict of interests can be of two types:

**Pecuniary** - an interest that a person has in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to the person or another person with whom the person is associated.

**Non-pecuniary** – a private or personal interest that a Council official has that does not amount to a pecuniary interest as defined in the Code of Conduct for Councillors (eg. A friendship, membership of an association, society or trade union or involvement or interest in an activity and may include an interest of a financial nature).

**Remoteness** – a person does not have a pecuniary interest in a matter if the interest is so remote or insignificant that it could not reasonably be regarded as likely to influence any decision the person might make in relation to a matter or if the interest is of a kind specified in the Code of Conduct for Councillors.

Who has a Pecuniary Interest? - a person has a pecuniary interest in a matter if the pecuniary interest is the interest of the person, or another person with whom the person is associated (see below).

Relatives, Partners - a person is taken to have a pecuniary interest in a matter if:

- The person's spouse or de facto partner or a relative of the person has a pecuniary interest in the matter, or
- The person, or a nominee, partners or employer of the person, is a member of a company or other body that has a pecuniary interest in the matter.
- N.B. "Relative", in relation to a person means any of the following:
- (a) the parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descends or adopted child of the person or of the person's spouse;
- (b) the spouse or de facto partners of the person or of a person referred to in paragraph (a)
- No Interest in the Matter however, a person is not taken to have a pecuniary interest in a matter:
- If the person is unaware of the relevant pecuniary interest of the spouse, de facto partner, relative or company or other body, or
- Just because the person is a member of, or is employed by, the Council.
- Just because the person is a member of, or a delegate of the Council to, a company or other body that has a
  pecuniary interest in the matter provided that the person has no beneficial interest in any shares of the company or
  body.

#### Disclosure and participation in meetings

- A Councillor or a member of a Council Committee who has a pecuniary interest in any matter with which the Council is concerned and who is present at a meeting of the Council or Committee at which the matter is being considered must disclose the nature of the interest to the meeting as soon as practicable.
- The Councillor or member must not be present at, or in sight of, the meeting of the Council or Committee:
   (a) at any time during which the matter is being considered or discussed by the Council or Committee, or
   (b) at any time during which the Council or Committee is voting on any question in relation to the matter.
- **No Knowledge** a person does not breach this Clause if the person did not know and could not reasonably be expected to have known that the matter under consideration at the meeting was a matter in which he or she had a pecuniary interest

#### Non-pecuniary Interests - Must be disclosed in meetings.

There are a broad range of options available for managing conflicts & the option chosen will depend on an assessment of the circumstances of the matter, the nature of the interest and the significance of the issue being dealt with. Non-pecuniary conflicts of interests must be dealt with in at least one of the following ways:

- It may be appropriate that no action be taken where the potential for conflict is minimal. However, Councillors should consider providing an explanation of why they consider a conflict does not exist.
- Limit involvement if practical (eg. Participate in discussion but not in decision making or vice-versa). Care needs to be taken when exercising this option.
- Remove the source of the conflict (eg. Relinquishing or divesting the personal interest that creates the conflict)
- Have no involvement by absenting yourself from and not taking part in any debate or voting on the issue as of the provisions in the Code of Conduct (particularly if you have a significant non-pecuniary interest)

#### RECORDING OF VOTING ON PLANNING MATTERS

#### Clause 375A of the Local Government Act 1993 – Recording of voting on planning matters

- (1) In this section, **planning decision** means a decision made in the exercise of a function of a council under the Environmental Planning and Assessment Act 1979:
  - (a) including a decision relating to a development application, an environmental planning instrument, a development control plan or a development contribution plan under that Act, but
  - (b) not including the making of an order under that Act.
- (2) The general manager is required to keep a register containing, for each planning decision made at a meeting of the council or a council committee, the names of the councillors who supported the decision and the names of any councillors who opposed (or are taken to have opposed) the decision.
- (3) For the purpose of maintaining the register, a division is required to be called whenever a motion for a planning decision is put at a meeting of the council or a council committee.
- (4) Each decision recorded in the register is to be described in the register or identified in a manner that enables the description to be obtained from another publicly available document, and is to include the information required by the regulations.
- (5) This section extends to a meeting that is closed to the public.

#### 10 Summary:

This report is prepared for the Committee to endorse that Council considers and adopts the carryover Budget allocations for works and services, either commenced and not completed, or not commenced in the 2019/2020 financial year for inclusion in the 2020/2021 Budget Estimates.

15

Each year Council allocates funding for works and services across all programs. For various reasons, some of these works and services are incomplete at the end of the financial year. The funding for these works is restricted at the end of the financial year, and is carried over as a budget allocation revote to the following year, to fund the completion of the work or service.

#### 20

This report identifies all the works and services recommended to be carried over from the 2019/2020 financial year to the 2020/2021 Budget Estimates. The report also identifies the funding for each recommended budget allocation carryover.

#### 25

#### **RECOMMENDATION:**

That the Committee endorses the recommendation that Council approves the works and services (with respective funding) shown in Attachment 1 (#E2020/60174) to be carried over from the 2019/2020 financial year and that the carryover budget allocations be adopted as budget revotes for inclusion in the 2020/2021 Budget Estimates.

#### REPORT

Each year Council allocates funding for works and services across all programs. For various
reasons, some of these works and services are incomplete at the end of the financial year. The funding for these works and services is restricted at the end of the financial year to be carried over to the following year for completion.

This report identifies all the works and services to be carried over to the 2020/2021 Budget
 Estimates and the respective funding of each, relating to works and services not completed during the course of the 2019/2020 financial year. The specific details of all carryover works and services that are the subject of this report are outlined in Attachment 1.

The works and services are fully funded and have no impact on Council's Unrestricted Cash Result or the 2020/2021 Budget Estimates result.

As in previous years there is a significant amount of carryovers with total carryovers for 2020/2021 amounting to \$10,123,500. Table 1 below outlines this and a comparison of carryovers from previous financial years.

#### Summary:

10 At its Ordinary Meeting held on 2 February 2017 Council resolved to apply for a Special Rate Variation (SRV) of 7.50% per annum for four years commencing from the 2017/2018 financial year (Resolution **17-020 part 5**).

Following approval of Council's SRV by the Independent Pricing and Regulatory Tribunal (IPART)
 received on 9 May 2017, Council resolved to implement the SRV at its Ordinary Meeting held on
 22 June 2017 (Resolution 17-268 part 1).

At the same Ordinary Meeting Council resolved (Resolution **17-222 part 2**) to incorporate reporting on the Special Rate Variation into the development of the 2017/2018 Financial Sustainability Plan, and to provide quarterly updates to Council through the Finance Advisory Committee on adopted

- 20 and to provide quarterly updates to Council through the Finance Advisory Committee on adopted Plan's implementation. Whilst Council is no longer developing an annual Financial Sustainability Plan (from 2018/2019 onwards), it is important to provide progressive reporting on the implementation of the SRV.
- 25 The purpose of this report is to provide the Finance Advisory Committee with a quarterly update on implementation of the SRV and expenditure up to 30 June 2020.

#### **RECOMMENDATION:**

That the Finance Advisory Committee notes the quarterly update on the Special Rate Variation Implementation as at 30 June 2020 as outlined in Attachment 1 (#E2020/63603).

#### REPORT

At its Ordinary Meeting held on 2 February 2017 Council resolved to apply for a Special Rate Variation (SRV) as follows:

10

#### Resolution 17-020 part 5:

Lodge a Section 508A permanent Special Rate Variation application to the Independent Pricing and Regulatory Tribunal, for increases to the ordinary rate income (general revenue) of 7.5% (including rate peg) in 2017/18, 7.5% (including rate peg) in 2018/19, 7.5% (including rate peg) in 2019/20 and 7.5% (including rate peg) in 2020/21.

After lodging the Special Rate Variation application with the Independent Pricing and Regulatory Tribunal (IPART), Council received approval to increase its ordinary rate income as per resolution

15 **17-020**. This approval was granted on 9 May 2017. Council resolved to implement the SRV through adoption of the 2017/2018 Operational Plan and Revenue Policy at its Ordinary Meeting held on 22 June 2017 (Resolution **17-268 part 1**).

At its Ordinary Meeting held on 22 June 2017 Council received Report 13.13 confirming the 20 outcome of the SRV application and its subsequent approval. Council resolved resolution **17-222** as follows:

- 1. That Council note the determination from IPART in relation to its 2017/2018 Special Rate Application including the following conditions imposed by IPART on Council for the:
  - a) use of the additional income derived from the special variation for the purposes of reducing its infrastructure backlog and improving financial sustainability; and
  - b) reporting on this use against the forecasts included in the Council's application as part the Council's annual report for each year from 2017-18 to 2026-27.
- 2. That Council adopt as a Policy Framework the use and reporting conditions imposed by IPART in the SRV determination and further incorporate reporting on the Special Rate Variation into the development of the 2017/2018 Financial Sustainability Plan and the quarterly updates to Council through the Finance Advisory Committee on the implementation of the adopted Financial Sustainability Plan.
- 3. That Council establish as a policy framework that funding for infrastructure renewal and maintenance from general revenue sources is not ever lower then the general revenue baseline indicator established in the 2016/2017 Budget.
- 4. That Council establish as a policy framework that any funds generated by the SRV that remain unexpended at the end of each financial year are to be restricted and held in a internal reserve, to be carried forward to subsequent financial year, for expenditure in accordance with the uses imposed in the SRV approval.
- 5. That Council incorporate the research of potential non resident revenue sources (if any) as part of the Revenue Review chapter in the development of the 2017/2018 Financial Sustainability Plan, and provide quarterly updates to Council through the Finance Advisory Committee.
- 6. That Council not proceed with the implementation of part 9 and part 11 of resolution 17-020.

#### **BYRON SHIRE COUNCIL** STAFF REPORTS - CORPORATE AND COMMUNITY SERVICES

This report is provided to the Finance Advisory Committee as advice on the implementation of the SRV and the current status of expenditure from 1 July 2019 to 30 June 2020 as detailed in Attachment 1, being the third year of the SRV.

- 5 The levy of Council's annual rates and charges was completed in accordance with Resolution **19-429** prior to 31 July 2019 and this included applying the third tranche of the 7.5% ordinary rate increase for 2019/2020, continuing the revised ordinary rating structure adopted by Council for 2017/2018.
- 10 The yield from the SRV for 2017/2018 (the first year of the increase) was \$1,185,000 with the yield for 2018/2019 being \$2,276,400 and for 2019/2020 being \$3,475,300.

Upon adoption of the 2019/2020 Budget Estimates, Council resolved to undertake the program of capital and maintenance works, including the additional SRV revenue and other funding, outlined
 in Attachment 1. During the course of the 2019/2020 financial year, any adjustments required to the expenditure budgets identified in the schedule of capital and maintenance works funded by the SRV revenue are presented to Council for approval via the Quarterly Budget Review process.

The expenditure program adopted for the 2019/2020 financial year is consistent with Council's SRV application and approval from IPART to use the funding to improve financial sustainability and reduce infrastructure backlog.

#### Legal/Statutory/Policy Considerations

30 Approval and conditions received from the Independent Pricing and Regulatory Tribunal (IPART) regarding the Byron Shire Council Special Rate Application 2017-2018 received 9 May 2017.

Council Resolution 17-268, 18-429 and 17-222.

#### 35 *Financial Considerations*

There are no direct financial implications associated with this report. The table included at Attachment 1 provides information to the Finance Advisory Committee on the expenditure of the Special Rate Variation Funds up to the end of the fourth quarter of the 2019/2020 financial year. The total 2017/2018 SRV Allocation for 2019/2020 as indicated in Attachment 1 is \$3,438,600.

Note that whilst the 2018/2019 SRV levy is \$3,475,300, \$33,300 in unexpended funds from 2018/2019 was carried forward to the 2019/2020 financial year for heavy patching, providing a total of \$3,508,600. The difference between this and the amount shown in Attachment 1 is \$70,000.

45 This amount has been placed in reserve as it was previously partly allocated to Bangalow Road construction works that are now being funded from the \$25million Election Commitment Grant.

#### Consultation and Engagement

Prior to the approval of the SRV, Council undertook extensive community consultation. This report also provides an opportunity for the community to receive a quarterly update on the implementation of the SRV for the current financial year. Final outcomes for the 2019/2020 financial year will also be published in Council's Annual Report in accordance with the approval conditions set by IPART.

#### REPORT

Council adopted the 2019/2020 budget on 27 June 2019 via Resolution 19-325. It also considered and adopted the budget carryovers from the 2018/2019 financial year, to be incorporated into the 2019/2020 budget at its Ordinary Meeting held on 22 August 2019 via Resolution 19-390. Since 5 that date, Council has reviewed the budget taking into consideration the 2018/2019 Financial Statement results and progress through the 2019/2020 financial year.

The details of the budget review for the Consolidated, General, Water and Sewer Funds are 10 included in Attachment 1, with an itemised listing in Attachment 2. This aims to show the consolidated budget position, as well as a breakdown by Fund and Principal Activity. The document in Attachment 1 outlines the budget review and is intended to provide Councillors with more detailed information to assist with decision making regarding Council's finances.

15 Contained in the document at Attachment 1 is the following reporting hierarchy.

The pages in Attachment 1 are presented (from left to right) by showing the original budget as adopted by Council on 27 June 2019 plus the adopted carryover budgets from 2018/2019 followed by the resolutions between July and September, the September review, resolutions between October and December, the December review, resolutions between January and March, the March review, resolutions between April and June and the revote (or adjustment for this review) and then

On the far right of the Principal Activity, there is a column titled "Note". If this is populated by a 40 number, it means that there has been an adjustment in the quarterly review. This number then corresponds to the notes at the end of the Attachment 1 which explain the variation.

There is also information detailing restricted assets (reserves) to show estimated balances as at 30 June 2020 for all reserves.

A summary of Capital Works is also included by Fund and Principal Activity.

#### Office of Local Government Budget Review Guidelines:

the revised position projected for 30 June 2020.

- 50 On 10 December 2010, the Office of Local Government issued Quarterly Budget Review Guidelines via Circular 10-32. Reports to Council concerning Quarterly Budget Reviews normally provide statements in accordance with these guidelines as a separate attachment. Given that there is no statutory obligation for Council to produce a Quarterly Budget Review as at 30 June each financial year, the statements required by the guidelines have not been produced for this specific report. 55

General Fund budget adjustments are identified in detail at Attachment 1 and 2. More detailed notes on these are provided in Attachment 1 with the majority of budget revotes proposed to reflect actual results achieved.

- 25 The major consideration with this budget review is the reduction in expenditure associated with projects not completed and under-expenditure. Council will also be considering a report to this Ordinary Council Meeting regarding carryover items from the 2019/2020 financial year for work not completed to be added to the 2020/2021 Budget Estimates. This report also considers the implications of that report.

#### **Specific Cash Position**

On reconciling Council's total cash and investment position at 30 June 2020 compared to the reserve movements outlined in this Budget Review, there is an indication that Council may have total unrestricted cash and investments of \$723,400, a decrease of 27.6% from 2018/2019. This can be attributed to the effect that the COVID-19 pandemic has had on income Council expected

to receive and expenditure impacts. Council commenced the 2019/2020 financial year with unrestricted cash of \$1,000,000 which was an attainment of one of Council's short term financial goals. The actual amounts eventually allocated are contingent upon finalisation of the 2019/2020 financial statements. These are subject to external audit and further reporting to Council.

Following adoption of the 31 March 2020 Quarter Budget Review Council was forecasting a budget deficit of \$976,300 for the 2019/2020 financial year. Whilst Council will likely end the 2019/2020 financial year with a budget deficit (estimated at \$276,600) this is a significant and welcome financial improvement for Council. In such unprecedented times, the indicative financial outcome

5 for the 2019/2020 financial year is a more than satisfactory outcome. Nevertheless, moving forward it will be necessary for Council to continue to manage and endeavour to improve the projected budget deficit for the 2020/2021 financial year.

#### **Financial Implications**

30

The 30 June 2020 Quarter Budget Review of the 2019/2020 Budget Estimates forecasts an improved outcome to the estimated budget attributable to the General Fund assuming all revotes of income and expenditure reported for Council's consideration are approved. Overall, the short term financial position still needs to be carefully monitored on an ongoing basis.

35

Note that the financial outcomes outlined in this Budget Review should be considered in the context that they are indicative. Council is yet to finalise its financial statements for the year ended 30 June 2020 which will also be subject to external independent audit.

It is expected that Council will receive a report regarding the formal adoption of its financial statements for the year ended 30 June 2020 at its Ordinary Meeting in November 2020.

This report was also considered by the Finance Advisory Committee at its meeting held on 20 5 August 2020.

#### Legal/Statutory/Policy Considerations

In accordance with Regulation 203 of the Local Government (General) Regulation 2005 the Responsible Accounting Officer of a Council must:-

15

20

25

- (1) Not later than 2 months after the end of each quarter (except the June quarter), the responsible accounting officer of a council must prepare and submit to the council a budget review statement that shows, by reference to the estimate of income and expenditure set out in the statement of the council's revenue policy included in the operational plan for the relevant year, a revised estimate of the income and expenditure for that year.
- (2) A budget review statement must include or be accompanied by:
  - (a) a report as to whether or not the responsible accounting officer believes that the statement indicates that the financial position of the council is satisfactory, having regard to the original estimate of income and expenditure, and
  - (b) if that position is unsatisfactory, recommendations for remedial action.
- (1) A budget review statement must also include any information required by the Code to be included in such a statement

30

#### Statement by Responsible Accounting Officer

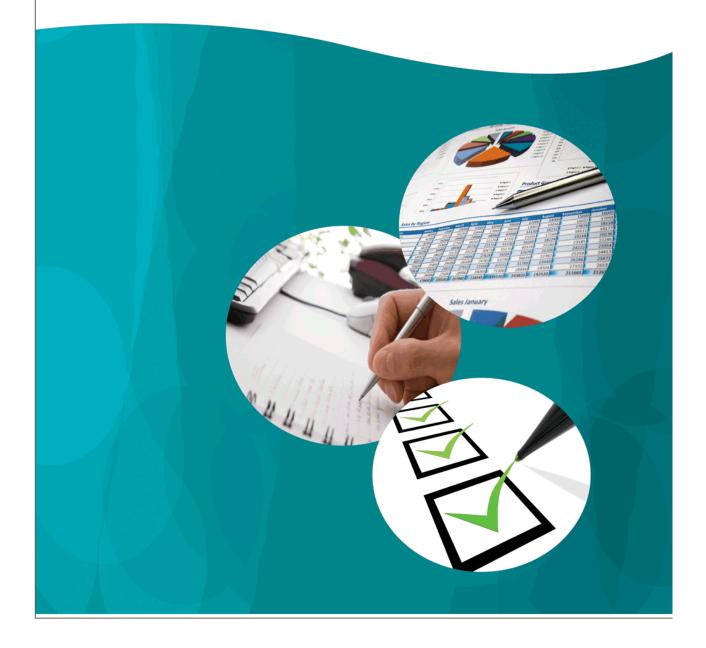

This report indicates that the short term financial position of the Council is still satisfactory for the 2019/2020 financial year, having consideration of the original estimate of income and expenditure at the 30 June 2020 Quarter Budget Review.

This opinion is based on the estimated Unrestricted Cash Result position at 30 June 2020, albeit lower than Council's adopted target position, plus the significant improvement in the 2019/2020 budget position since the 31 March 2020 Quarterly Budget Review.
