<b>01 Sep 2017 8:30pm Holloway, Phillip</b> Staff are working on Resolution 17-081 & 17-132 concurrently. (These resolutions outline the all ability access points, map of Shire beaches and audit of existing signs at beach access points.) Staff are collating a GIS map that has a previous audit from Surf Life Saving integrated. Once this map is complete, access and signage photos at beach locations will be updated and the audit and priority list for all ability access finalised. , It is expected that the review etc. will be completed in October 2017 and then reported.			
<b>13 Nov 2017 8:47am Matthews, Michael</b> Action reassigned to Pattie Ruck by: Michael Matthews			
<b>28 Dec 2017 2:41pm Ruck, Pattie</b> Staff were working on Resolution 17-081 & 17-132 concurrently. After the scope of the beach audit signage was determined the audit has been separated from the All Abilities Access Resolution., The beach audit resolution outlines access points, map of Shire beaches and audit of existing signs at beach access points. Staff have collating GIS maps that has previous audit information from Surf Life Saving integrated. A half day field audit conducted by staff has outlined the scope of this beach audit with over 600 signage and beach access points. Council has received a quote from SLS to complete the audit. As the quote is above \$10k, (\$15450) additional quotes are required. Suppliers for this specialised audit are difficult to ascertain., The resolution requires this to be undertaken within current resources. Currently trying to find funds for this audit within Council's budget.

# ACTIVE RESOLUTIONS REPORT

As at 31 December 2020

File No: I2017/1821

## Committee Recommendation 4.1.1

The Committee have a workshop to further consider Ocean Shore Sewage Transfer Risk Assessment including:

- a) An up-to-date assessment of the capacity of the OS STP
- b) Sensitivity of whole-of-life cost assessment of options for BVSTP and OSSTP to reduced augmentation requirements at OS STP
- c) Projection of comparative nutrient loads to the Brunswick River and under the Option 4 and Option 1 scenarios

3. That Council adopt the following Committee Recommendation(s):

Report No. 4.2 B  
Belongil Swamp Drainage Union Report to Council  
File No: I2018/228

## Committee Recommendation 4.2.1

1. That Council supports the Belongil Swamp Drainage Union's submission to DA 10.2017.661.1
2. That Council recognises that Under the Water Management Act ( Part 3 S214&215) a new subdivision is not entitled to be connected to a Private Drainage Board:

*'If a holding is subdivided, a new holding resulting from the subdivision is not entitled to be connected to a PDBs drainage works until a date determined by the board'.*

And further states that:

*"All works to be constructed must be constructed in accordance with the approval in writing of the board in respect of location, design, form, dimensions and construction".*

3. That Council ask that any decision on the DA (and any other DA's in this catchment) be deferred until critical information regarding the impact of development on the catchment's hydrology is fully investigated.
  4. That Council refer issues in relation to Belongil Creek flowing into the Marine Park and to flooding in the ICOLL, erosion and environmental issues to relevant Council committees and/or panels.
4. That Council not adopt the Committee Recommendation (Committee Report 4.3 Review of Rural Waste Service Options; File No: I2018/229; Committee Recommendation 4.3.1), but adopt:
1. That Council approve the introduction of a Rural 140L fortnightly landfill bin service option, with the provision of a Council subsidised compost bin, kitchen caddy and education pack for residents that take up the Rural service.
  2. That Council apply rural domestic waste charges on each parcel of rateable land for which a service is available at commencement of the 2018/19 financial year.
  3. That existing data on bins that have fallen over in rural areas be presented to the next quarterly meeting of the committee.
  4. That Federal village zone be included in the urban 3 bin service.
5. That Council provide to the next quarterly Committee meeting more information including the clauses from Acts and Regulations that either require or allow such full service charging with a view to a lesser charge than is currently proposed.

<b>19-347</b>	Items Requested by Duncan Dey <b>Report:</b> I2019/646	27/06/2019	29/07/2019
	<b>Directorate:</b> Infrastructure Services <b>Officer:</b> Clark, Cameron		
<b>Resolved</b> that Council:			
1. Acknowledge that management of centralised urban sewage requires periodical assessment with annual reporting of the capacities of its 3 main elements: a) the sewer collection system; b) the sewage treatment plant; and c) receiving environments.			
2. Acknowledge that receiving environments potentially include: a) waterways, b) wetlands, c) irrigation areas; d) marine environments, and e) recycled water schemes which are generally downstream of the EPA licence point for the STP.			
3. Receive reports on the capacities of environments that receive effluent from the Byron Bay STP, including the details of modelling parameters.			
4. Notes Condition 9 of the development consent for the operation of the STP is that the new load connected from December 2002 onwards is matched by new re-use. The purpose of this Condition as explained in the EIS and its supporting documents was that there would be no increase in flow to the Belongil Catchment, and receive the report on the following questions: a) What was the inflow to the STP in December 2002 and what is it now, noting that another consent Condition is that inflow reaching 80% of the plant's capacity (6.95 ML/day) would trigger steps towards the next expansion. b) What was the re-use from the STP in December 2002 and what is it now? c) What is the current inflow to the STP and when is it estimated to reach 5.56 ML/day (80% of capacity)?			
5. That item 4 above be included on the Agenda for the next Strategic Planning Workshop.			
6. Arrange a meeting for Committee members and staff meet to discuss further

<b>19-616</b>	Multi Use of Byron Shire Rail Corridor - Next Steps <b>Report:</b> I2019/1754	28/11/2019	30/12/2019
	<b>Directorate:</b> Infrastructure Services <b>Officer:</b> Black, Therese		
<b>Resolved</b> that Council:			
1.	Supports the preferred option of a "Rail with Trail" use for the Byron Shire Rail Corridor as an outcome of the Feasibility Study completed by Arcadis Australia Pacific Pty Ltd.		
2.	Prioritise the removal of vegetation and maintenance of drainage within the rail corridor as the first stage towards reactivating the rail corridor, and that in relation to this prioritisation: a) Note the recent meeting between the General Manager, Director of Sustainable Environment and Economy and Mayor with the Hon. Ben Franklin MP and Minister of Regional Transport, the Hon. Paul Toole, and thank the Minister for his acknowledgment that the Byron Shire section of the Casino to Murwillumbah Rail Corridor could facilitate a Rail with Trail activation if further feasibility investigations supported this outcome and that clarity of where ongoing rail corridor maintenance responsibility lies will be forthcoming. b) Notes and endorses the unanimous support by the Northern River Joint Organisation for the prioritisation of removing vegetation from within the rail corridor and its request to the State Government for its immediate removal in order to commence reactivation of the rail corridor as resolved at the 16 August, 2019 ordinary meeting of the NRJO.		
3.	Concurrently, prioritise the investigation into and eventual recommendation of the preferred governance model to manage the Casino to Murwillumbah Rail Corridor reactivation project, with a specific focus on the Rail with Trail activation within Byron Shire.		
4.	Endorse further investigation of a "Rail with Trail" option, including the following activities for reactivating the Byron Shire Rail Corridor: i) Letter of Understanding with NRJO to collaborate on a Northern Rivers Rail Corridor Reactivation Project (Casino to Murwillumbah), incorporating a Rail with Trail project in Byron Shire ii) Undertake further design and engineering assessment work to prepare for track based transport vehicles (on formation) to be grant and/or investment ready and that this includes reviewing the Office of the National Rail Safety Regulator-Safety Management System Guideline. iii) Apply for grant funding, as opportunities arise, including regional economic development grant opportunities.		
5.	Consider a budget allocation of \$100,000 as part of the 31 December Quarterly budget review, to progress points 3 and 4.

<b>Directorate: Infrastructure Services</b> <b>Officer: Green, Bryan</b>			
<b>Resolved</b> that Council adopt the following Committee Recommendation(s):			
<b>Report No. 4.2 Nutrient Loading in the Belongil</b> File No: I2020/297			
<b><u>Committee Recommendation 4.2.1</u></b>			
1. That Council note that:-			
a) for the twelve-month period 27 April 2017 to 26 April 2018 Total Nitrogen (TN; monitored as required in Condition 11 of Council's approval under its Resolution 02-1329 of December 2002) released to Belongil Creek was 1,564 kg and that this exceeds: (i) the allowable discharge of 1,500kg TN; and (ii) the 80% threshold under which an investigation is triggered.			
b) the Condition requires this monitoring be done on a rolling two-month window, based on weekly sampling.			
c) the Condition requires Council to investigate feasible management strategies to reduce loads below 80%.			
d) the Condition further requires Council to discuss appropriate courses of action to prevent further exceedances.			
2. That Council sample nutrient loads weekly or better, as required by Consent Condition 11.			
3. That Council investigate all feasible management strategies to reduce loads below 80%, including strategies already under way such as: a) Bio stem pellets for removing sludge and therefore possibly nutrients, and b) vetiver grass [increase sampling downstream of the trial planting to assess the grass's ability to reduce nutrients].			
4. That Council continue testing its flow meter newly installed at EPA location #4 to assess accuracy and reliability of flow results and, once performance is confirmed or by the end of June 2020 (whichever is sooner) these results be reported to the next meeting (scheduled for 30 July) of the Water, Waste and Sewer Advisory Committee and published on Council's Water & Sewer information website.			
5. That Council recognise: a) that it is impossible to mitigate against increased nutrient loads during high rainfall events and b) that rainfall periods longer than a month may cause breaches of Consent Conditions 11.

<b>20-424</b>	Seven Mile Beach Road & Broken Head Reserve Road - Update <b>Report: I2020/1123</b>	27/08/2020	30/06/2021
	<b>Directorate: Infrastructure Services</b> <b>Officer: Hughes, Katie</b>		
	<b>Resolved</b> that Council note the report and endorse the following actions based on it:		
a)	for Seven Mile Beach Road:		
	(i) develop a delivery program and communicate program with resident group.		
	(ii) detail design of works in consultation with identified stakeholders.		
	(iii) undertake business case in consultation with Council's Finance team and DCA to confirm the financial viability of pay parking and parking technology requirements in the area.		
	(iv) Analyse compliance car counts to investigate the appropriateness and extent of pay parking.		
	(v) Request NPWS to formalise and seal the Kings Beach Carpark and that this work be integrated into or undertaken in conjunction with the sealing works on Seven Mile Beach Road.		
	(vi) approach NPWS with the proposal to manage and patrol their car parking scheme at Kings Beach. This would allow the whole Broken Head and Seven Mile Beach Rd plans to be integrated and managed as a whole.		
	(vii) consider a later report to Council and recommendation to give staff authority and permission to approach Transport for NSW for consent to apply paid parking.		
	(viii) complete design investigations and documentation for the delivery of sealing works, signage, intersection treatment and traffic management facilities ensuring these integrate and complement any planned works in Broken Head Reserve Road whilst ensuring project delivery within agreed grant milestones.		
b)	for Broken Head Reserve Road:		
	(i) develop and communicate Delivery Program to relevant stakeholders;		
	(ii) commence detailed design in consultation with resident representatives;		
	(iii) Have Your Say survey to refine project scope and site considerations;		
	(iv) undertake analysis of LPR survey data to provide justification to TfNSW for paid parking;		
	(v) undertake business case in consultation with Finance and DCA to confirm the financial viability of pay parking and parking technology in the area;		
	(vi) approach NPWS with the proposal to manage and patrol their car parking scheme at the end of Broken Head Reserve Road. This would allow the whole Broken Head and Seven Mile Beach Rd plans to be well integrated and managed as a whole;		
	(vii) prepare concept designs for remaining area of road and parking areas;		
	(viii) consider a later report and recommendation to give staff the authority and permission to approach TfNSW for consent to apply paid parking if approved by Council; and		
	(ix) complete investigation and scope development of road repair works from Election Commitment funds and undertake works in co-ordination with sealing works on seven Mile Beach Road.		
c)	additional actions:		
	(i) enter into an Inter-Agency Consultation Group to include NPWS, Police, RFS, Arakwal and Crown Lands;		
	(ii) to prepare a communications plan to be all encompassing for the Seven Mile Beach Road group, Broken Head Reserve Road group, and other relevant stakeholders;		
	(iii) develop a Memorandum of Understanding (MoU) in consultation with the Inter-Agency Consultation Group, the Seven Mile Beach Road community group and Broken Head Reserve Road community groups;		
	(iv) together with the Inter-Agency Consultation Group, develop an overarching Management Plan (informed by the MoU) for the Broken Head Reserve Road and Seven Mile Beach Road areas, for the following purposes:		
	- To clearly set expectations for day to day operations, clarify matters such as:		
	o Inter-Agency roles and responsibilities;		
	o Who has authority to close the roads and car parks and the conditions under which this would occur;		
	o Which Agency to contact when specific matters arise;		
	o Where Council's and NPWS delegated authority is limited to;		
	o Appropriate expectations for Council's staff in regards to the scope and frequency of tasks they are expected to undertake.		
	- Help integrate Council works with the plans and requirements of other key agencies. This would help ensure funds are not wasted duplicating plans already underway by other agencies, help Council plan the timing of works to tie in with other Agencies and prevent designs not complying with the emergency service requirements.		
	- Set out a longer term action plan and proposed priorities.

<b>Resolved:</b>			
1. That Council does not support the following land being included as an 'investigation area' in the final draft Residential Strategy:			
a) Lot 1 DP1256460, 152 Stuart Street, Mullumbimby due to high hazard flooding and contamination constraints			
b) any further expansion to that part of Lot 350 DP 755695 located on Ewingsdale Road, Byron Bay (Strategy investigation area '10'), as exhibited in August 2019			
2. In relation to recommendation '1.', that Council advise the respective landowners/consultants of Council's decision and the reasons for excluding the above land from the Strategy.			
3. That Council notes the following updates made in relation to the draft Strategy 'investigation areas' and other sections:			
a) strategy investigation area '5', comprising Lot 1 DP803292, Lot 2 DP1256460, Lot 2 DP803292, Lot 4 DP837851, Lot 5 DP1111848; 124, 127 and 130 – 134 Station Street, Mullumbimby, is identified only for a review of minimum lot size provisions and not a zone change due to flooding and access limitations, and is to be included in the Saltwater Creek Precinct structure planning process			
b) the inclusion of "acoustic impacts" in Strategy Action '9' Saltwater Precinct structure plan considerations, in relation to traffic management			
c) inclusion of the following additional wording in the profile for Investigation Area 10 ( Part of Lot 350 DP 755695, Ewingsdale Road, Byron Bay in Appendix C): " <i>final development footprint will be determined following further flood assessment. Any variations must be in accordance with the North Coast Regional Plan Urban Growth Area Variation Principles (Appendix A) and will need to be considered and justified through a strategic planning or rezoning process. Only minor and contiguous variations to urban growth areas in the coastal strip will be considered due to its environmental sensitivity and the range of land uses competing for this limited area</i> "			
d) the Residential Strategy updates outlined in this report's 'Table 2: Summary of key strategy revisions to reflect the outcomes of consultation' and Council's more recent work in the affordable housing, local character and infrastructure planning spaces			
e) the additional reader information on how the Residential Strategy has been revised, which will be removed from the final version when submitted to NSW Department of Planning, Industry & Environment for endorsement.			
4. That Council adopts the Residential Strategy as contained in Attachment '6' (E2020/5277) and forward to the NSW Department of Planning, Industry & Environment for final endorsement together with the Background Report (Attachments '1' and '7', E2020/37962 and E2020/91141 respectively) with the following land inclusion as an investigation area for two dwellings:			
a) Lot 285 DP 1198641, 64 Corkwood Crescent, Byron Bay			
5. That Council delegates authority to the Director Sustainable Environment & Economy, through the General Manager, to amend the Residential Strategy in relation to any consequential (non-policy) and/or other minor editorial amendments required for clarity or accuracy, prior to submitting to Department of Planning & Environment for final endorsement.

3. endorses the Federal Community Village Masterplan Steering Group to undertake the project work as per the project scope detailed in this Council Report.
4. agrees to endorse as presented a Federal Village Masterplan as proposed by the Federal Village Masterplan Steering Group, subject to it being demonstrated that:
  - community consultation has been carried out, generally in accordance with the communications and engagement plan (in Attachment 1 E2020/93026), ensuring that primary stakeholders have been given adequate opportunity to have meaningful involvement, and demonstrating that there is general community acceptance of the final masterplan within the Federal community;
  - all councillors have been invited to public community meetings and advised of other critical moments in the process that they may want to attend and/or participate in, and have received project milestone updates by SPW and or report.
  - agreed milestones have generally been met;
  - any proposed actions are realistic and achievable in terms of Council budget limitations;
  - timeframes put forward for proposed actions are cognizant of Council's forward works planning to ensure shire-wide project delivery is economical and efficient; and
  - any proposed actions adequately consider safety, lawfulness and other community risks.
5. allocates \$5,500 from Council's budget (GL2715.13) to enable project work to begin.
6. allocates up to \$10,000 for production of a short video to capture the community-led masterplan process for future use and reference by Council (as detailed in Attachment 2 E2020/91213), with the budget allocation to be staged, \$2,000 initially from (GL2715.13), with the remaining \$8,000 to be considered as part of the quarterly budget review in February 2021.

Environment for Gateway determination. The new Planning proposal to be the same as the current, with the exception of the need for an SP2 Infrastructure zoning over the land that would be now covered by the Voluntary Planning Agreement.

4. Initiates discussions with the proponent and TfNSW to develop key principles that could form the basis of a Voluntary Planning Agreement, and report the results of discussions to Council prior to public consultation.
5. Pending Gateway Determination undertakes public exhibition of the Planning Proposal and consult with government agencies in accordance with the Gateway Determination.
6. Concurrently exhibits the draft amendment to Chapter E5 of Byron DCP 2014 - Certain Locations in Byron Bay and Ewingsdale (Attachment 2 E2020/6033)
7. Receives a report outlining the public exhibition outcomes.
8. Continues to suspend enforcement action in relation to matters subject of the Planning Proposal until such time as a determination is made. Council may, however, use its discretion to take enforcement action in circumstances where it is demonstrated that an unauthorised activity or use imposes significant impacts on the environment. This undertaking does not exclude Council from its regulatory obligations in relation to the Food Act, Local Government Act and/ or Protection of the Environment Operations Act.

	<b>Directorate:</b> Infrastructure Services <b>Officer:</b> Robertson, Malcolm		
<b>Resolved:</b>			
1.	That Council approves construction of the Stage 1 design plans for the Pump Track at Linda Vidler Park.		
2.	That Council allocates \$200,000 from the Suffolk Park Open Space Developer Contributions reserve to allow the design and construction of Stage 2 of the Pump Track.		
3.	That Council enters into a contract with World Trail Pty Ltd for the design and construction of stage two of the pump track without calling for tenders because inviting tenders would not achieve a satisfactory result due to the following extenuating circumstances:-		
a)	World Trail Pty Ltd already being selected by Council via market testing to construct stage 1 of the pump track;		
b)	The Suffolk Park Progress Association wanting an expansion of the pump track beyond stage 1;		
c)	The complexity of the contract arrangements between Council, the Suffolk Park Progress Association and World Trail Pty Ltd for stage 1 of the pump track – due to the track being funded by a combination of grant and Council funding – would need to be repeated with a new contractor; and		
d)	Tendering for the pump track extension rather than directly appointing the current contractor to complete it would cause financial loss to Council, due to it losing the economies of scale by continuing to contract with World Trail.
