Report No. 6.1 Somerset Street - Time Limit Changes

File No: I2021/1755

5

The purpose of this report is to gain LTC and Council support to amend the existing time limits along the Butler Street Reserve side of Somerset Street.

The image below shows:

As seen by the photo above, parking along this section of Somerset Street is currently all-day parking between 6am to 1am, No Pay Parking and No Parking between 1am-6am.

5 Previously this section of Somerset Street had metered parking (as shown in google street view taken from 2017) but the metered parking was removed from this area and signage was changed as part of the construction of the Byron Bay Bypass and the use of Butler Street Reserve for a stockpile and construction compound area.

10 The Byron Farmers Market will return to the Butler Street Reserve from Thursday 2nd December. Given the significant traffic generation and parking demand typically resulting from this market Council seeks to modify the time limit in this section of Somerset Street to aid parking turn over within the closest spaces.

The following signage is proposed for this section of Somerset St.
