DECLARATIONS OF INTEREST – PECUNIARY AND NON-PECUNIARY

Cr Dods declared a non-pecuniary interest in Report 13.8. The nature of the interest being that he has had no involvement in this DA and was not aware of it until reading it on the Agenda. However, Cr Dods has a periodic, minor business relationship with Planners North (PN), who have prepared the Statement of Environmental Effects, and Clause 4.6 Objections Report for this application. His current relationship with PN is infrequent and not particularly close as defined by Clause 5.9 of the Code of Conduct for Councillors Policy. Cr Dods elected to remain in the Chamber and will not participate in the discussion and will vote.

Cr Dods declared a non-pecuniary interest in Report 13.10. The nature of the interest being that he has an active business relationship with Ardill Payne & Partners (APP), and is currently working as a consultant on a number of jobs on which APP are also engaged. APP have provided traffic and civil services for this DA. Although he has no involvement in this DA, his current relationship with APP could be perceived as close as defined by Clause 5.9 of the Code of Conduct for Councillors Policy. Cr Dods elected to leave the Chamber and will not participate in the discussion and the vote.

BYRON SHIRE COUNCIL

ORDINARY (PLANNING) MEETING MINUTES

14 November 2024

Cr Dods declared a non-pecuniary interest in Report 13.11. The nature of the interest being that 1) The owners of the proposed recreation facility (gym) business operate another gym (Social Remedy) at 1A Banksia Dr Byron Bay. 1A Banksia Dr is part-owned by his father. Social Remedy are the primary leaseholder of that address. While his family have no interest in 38 Tweed St (nor in Social Remedy/B3's business), being a close relation to the landlord of Social Remedy's Byron Bay operation, he assessed this as a significant non-pecuniary interest; and 2) His campaign received a political donation from one of the part-owners of Social Remedy. This donation was not a "reportable political donation", as defined by the Electoral Funding Act 2018 - Sect 6 (ie it was less than \$1000). However, for transparency, he is declaring it for the public record. Cr Dods elected to leave the Chamber and will not participate in the discussion and the vote.

Cr Hauge declared a non-pecuniary interest in Report 13.11. The nature of the interest being related to previous employment where she worked on noise/parking studies for this development. Cr Hauge elected to leave the Chamber and will not participate in the discussion and the vote.

Cr Lyon declared a pecuniary interest in Report 13.11. The nature of the interest being that an election donor is one of the associates of the Developer. Cr Lyon elected to leave the Chamber and will not participate in the discussion and the vote.

Cr Warth declared a pecuniary interest in Report 13.11. The nature of the interest being that one of the business partners donated funds to his Council election. Cr Warth elected to leave the Chamber and will not participate in the discussion and the vote.

Cr Dods declared a non-pecuniary interest in Report 13.12. The nature of the interest being that he has had no involvement in this DA and was not aware of it until reading it on the Agenda. However, he has a periodic, minor business relationship with Planners North (PN), who have prepared the Statement of Environmental Effects for this application. His current relationship with PN is infrequent and not particularly close as defined by Clause 5.9 of the Code of Conduct for Councillors Policy. Cr Dods elected to remain in the Chamber and will not participate in the discussion and will vote.

Cr Dods declared a non-pecuniary interest in Report 13.14. The nature of the interest being that part of this Status Report gives an update of the assessment of DA 2023.454.1 – Community Title Subdivision at 53 McAuleys Ln, Myocum. He was engaged as lead design coordinator during the DA preparation for this application. He has also had some minor engagement during the assessment period. He considered his interest in this particular item to be not significant because a) it is a public status report; b) it only requires Councillors to note the report; c) the relevant DA is being determined by the NRPP (not Council); and d) the nature of this item relates to the Status Report, not the respective DA. Cr Dods elected to remain in the Chamber and will not participate in the discussion and will vote.

TABLING OF PECUNIARY INTEREST RETURNS

In accordance with section 440AAB of the Local Government Act and clause 4.22 of the Code of Conduct the Mayor tabled Pecuniary Disclosure of Interest Returns for:
