ORDINARY (PLANNING) MEETING MINUTES

13 February 2025

Question No. 1 Broken Head Road Clifford Street Intersection Signalisation

David Fligelman, on behalf of Keep the Flow in Suffo, asked the following question:

Which of RMS's five general warrants for traffic lights: "Traffic Demand", "Continuous Traffic", "Pedestrian Safety", "Pedestrian Safety – High Speed Road", or "Crashes" does the Broken Head Rd / Clifford St Intersection meet? Noting that the November report states 6 crashes since 2018, is this following removal of the left hand turn lane from Broken Head Road?

The Director Infrastructure Services has taken the questions on notice.

Question No. 2 Community Petition Response

Dean Prosser, on behalf of Keep the Flow in Suffo, asked the following question:

Can the council please provide response to lodged community petition of 1091 signatures lodged on the 9/2. Will the council in response review the approval, add this project as an agenda to their next meeting, accommodate a public meeting with the community specific to this matter & consider alternative more viable solutions.

The Manager Corporate Services responded with the following:

As the petition was lodged on 9 February it is not possible to respond to those questions today. Petitions need to be lodged two weeks prior to the Council Meeting to be included on the Agenda for the meeting so this petition will be included in the Agenda for the 27 February Ordinary Meeting.

Question No. 3 Invitation to Mullumbimby Residents Association meeting

Susan Heffley, on behalf of the Mullumbimby Residents Association, asked the following question:

Did you get the invitation to the meeting and are you coming?
