Subject: Re: Planting and Signage in Brunswick Heads

Hi Sam

Please find the attached letter of support for your hoop pine planting project in Brunswick Heads.

Further to our discussion on signage for the area, we will need to understand the following, prior to board approval:

- Location of signs
- Number of signs
- Material of signs
- Sign post material
- Dimension/scale of signs
- Images to be presented on signs
- Copy or wording of signs

If you would like to engage Arakwal artists to provide artwork, please contact us, as we have a cache of artists on hand. Please note, artists will need to be paid for their contribution, etc.

Please contact me if you have any questions.

Regards

Brent
