#### **BUDGET VARIATION EXPLANATIONS**

	The following notes detail the material budget variations from the 2021/22 Original Budget to the Revised Budget Estimates as at 31 March 2022.
Note Reference: Program: Budget Variance:	1 General Managers Program Operating Income \$5,400 Operating Expenditure (\$119,600) Transfer to Reserves \$35,000 Transfer from Reserves (\$90,000)
Reason for Variance:	It is proposed to increase the budget for operating income as Council has received \$5,400 for the preparation of leases. It is proposed to decrease operating expenditure as the budgets for the Implementation of the Crown Lands Act (\$30.000), the Development of a Plan of Management for Crown reserves (\$60,000) and the Community Survey (\$35,000) are not required in 2021/22. These have been added to the draft 2022/23 budget and are funded through the General Manager's Office Reserve.
Note Reference: Program: Budget Variance: Reason for Variance:	2 People & Culture Operating Expenditure \$0 An adjustment for support services is required.
Note Reference: Program: Budget Variance: Reason for Variance:	3 Councillor Services Operating Expenditure \$200 It is proposed to decrease the budget by \$5,000 for Council Committees and Guidance groups as the budget will not be expended this financial year and move it to Civic Receptions and Functions. The expenditure for this is currently trending higher than
	the budget due to an increase in the number of citizenship ceremonies undertaken by Council. A support service cost adjustment of \$200 is also required.
Note Reference: Program: Budget Variance:	ceremonies undertaken by Council. A support service cost adjustment of \$200 is also required. 4 General Purpose Revenues Operating Income \$2,639,000
Program:	ceremonies undertaken by Council. A support service cost adjustment of \$200 is also required. 4 General Purpose Revenues Operating Income \$2,639,000 Transfer to Reserves \$2,789,000

**Reason for Variance:** An adjustment for support services is required.

Note Reference: Program: Budget Variance: Reason for Variance:	<b>6</b> <b>Information Services</b> Operating Income \$10,400 Operating Expenditure \$10,400 It is proposed to increase operating income due to income received for Councillor equipment sales (\$2,400), an increase in FOI requests (\$36,000) and a decrease in document enquiries (\$28,000). It is proposed to increase operating expenditure by \$10,400 to bring various budgets for software purchases in line with the actual expenditure. A breakdown of these can be seen in Attachment 2.
Note Reference: Program: Budget Variance: Reason for Variance:	<b>7</b> <b>Corporate Services</b> Operating Expenditure \$0 It is proposed to decrease the budgets for the Internal Audit Committee (\$5,000) and Paper purchases (\$5,000) as the actual expenditure will be less than the total budget for the year. This is offset through an increase in the reallocation of support services costs.
Note Reference:	8
Program:	Community Development
Budget Variance:	Operating Income \$1,000,000
-	Operating Expenditure \$807,800
Reason for Variance:	Transfer from Reserves (\$185,000) It is proposed to increase operating income and expenditure by \$1,000,000 due to a grant received for the recent February/March 2022 flood events. At the time of writing this report, it has not been determined which projects this will fund subject to a separate report to Council. It is proposed to increase the operating expenditure budget for New Years eve (\$30,000). The expenditure for this event is higher than the budget and can be funded from the Community Development reserve. It is proposed to decrease operating expenditure due to actual expenditure being less than the budget for schoolies approvals (\$5,000) and the contribution to the staff Christmas part (\$2,000). It is proposed to add a budget for a community building asbestos removal program (\$20,000) and repairs to the Admin Centre roof (\$50,000). These can be funded through unallocated community building maintenance funds. It is proposed to remove the budgets for the Marvell Hall ramp (\$70,000) and kitchen (\$145,000) and add these to the Draft 2022/23 Budget as they will not be completed this financial year. These are also funded through the Community Building Maintenance reserve.
Note Reference:	9
Program:	Sandhills
Budget Variance:	Operating Income (\$100,000)
Deere on family-stars	Operating Expenditure (\$100,100)
Reason for Variance:	It is proposed to decrease income by \$100,000 due to decreased occupancy from COVID impacts and the recent flood events. This can be offset by a decrease in salaries as the actual expenditure is

less than the budget, also due to closures and decreased occupancy rates. An additional budget of \$20,000 is required for general maintenance to prevent a water pond that appears in a high-risk play area in times of heavy rain. An adjustment for \$100 for support services is also required.

Note Reference: Program: Budget Variance: Reason for Variance:	<b>10</b> <b>Library Services</b> Operating Expenditure (\$100) An adjustment for support services is required.
