	<b>Organiser Name</b>	BANGALOW CHAMBER OF COMMERCE
	<b>Traffic Control</b>	SPINIFEX GROUP
	<b>Date(s)</b>	24/12/2017
	<b>Times</b>	3.30 PM TO 10 PM
	<b>Roads affected</b>	Byron Street will be closed between 3.30pm and 10pm.
	<b>Detours in place</b>	Yes. Through Deacon Street (this will become two-way traffic).
	<b>Parking</b>	Yes. At the Bangalow Showgrounds.
	<b>Other</b>	N/A
<b>B. Identification and assessment of impact of proposed measures.</b> Is a detailed assessment required?	There should be limited impact on traffic as the TCP has the required details to address the necessary measures. There will be detours in place to allow traffic to continue to flow. Pedestrians will have access to the Carnival without the need to cross a trafficable road.	
<b>C. Measures to ameliorate the impact of re-assigned traffic</b> Is an assessment required?	Traffic flow will remain unhindered with Deacon street becoming a two way with heavy vehicles advised in advance. Police and traffic controllers will be in place to direct traffic.	
<b>D. Assessment of public transport services affected.</b> Is an assessment required?	Public transport companies will be advised and there have not been issues in previous years.	
<b>E. Details of provision made for emergency vehicles, heavy vehicles, cyclists and pedestrians.</b> Are these details required?	<b>Emergency</b>	Emergency vehicles will have unimpeded access as required.
	<b>Heavy Vehicles</b>	Heavy vehicles will be advised in advance of event road closures and detours.
	<b>Cyclist</b>	Access to Byron Street will still be available as the road closure does not involve erecting structures or marquees.
	<b>Pedestrians</b>	Parking will be accommodated in the Bangalow Show grounds with pedestrians having access to the Carnival without crossing a trafficable road. Access to Byron Street will still be available as the road closure does not involve erecting structures or marquees.
<b>F. Assessment of effect on existing and future developments with transport implications in the vicinity of the proposed measures.</b> Is an assessment required?	Not applicable due to low scale of closure and temporary period of closure. All residents and businesses will be able to access their properties via Deacon Street. There will be no burden of a major detour.	
<b>G. Assessment of effect of proposed measures on traffic movements in adjoining Council areas.</b> Is an assessment required?	There will be little to no effect on adjoining areas as the detour is limited.	
<b>H. Public consultation process</b> Is a public consultation process required	Standard consultation will be undertaken - event to be advertised in the local newspaper and on Byron Shire Council website.	
<b>I. Terrorism controls in place</b>	Due to the nature and small scale of the event there are no	

	<p>Terrorism controls in place as it has been assessed as a low risk. The likelihood of a errant vehicle running through the witches hats or traffic controls is low. The Police have been advised about this event.</p>
