B. Identification and assessment of impact of proposed measures. Is a detailed assessment required?	Plan is attached. The only impact will be that during the full road closure it will not allow vehicular traffic through that area. Pedestrians can still transverse the area. Local businesses that front Mullumbimbi Street are aware of the annual road closure and as many are eateries they remain open to take advantage of the patronage. There are no food stalls at the market to take their trade away.	
C. Measures to ameliorate the impact of re-assigned traffic Is an assessment required?	Traffic flow through this area will not be greatly affected as the roads to be used, Park, Fingal, Terrace and South Beach Road are all main thoroughfares.	
D. Assessment of public transport services affected. Is an assessment required?	No public transport services are affected as the buses drive along Park Street.	
E. Details of provision made for emergency vehicles, heavy vehicles, cyclists and pedestrians. Are these details required?	Emergency	Emergency vehicles can enter the market area through many entrances.
	Heavy Vehicles	N/a
	Cyclist	N/a
	Pedestrians	Pedestrians can walk though freely. Wheel chair access is available throughout the area.
F. Assessment of effect on existing and future developments with transport implications in the vicinity of the proposed measures. Is an assessment required?	This area is fully developed and should not be affected. Any future developments would only be affected for ½ day in the whole year. As this is an ongoing annual event, the locals are aware of the road closure. The Mullumbimbi Street properties can be accessed via a rear lane.	
G. Assessment of effect of proposed measures on traffic movements in adjoining Council areas. Is an assessment required?	Traffic will continue to flow through the township and will not impact on roads outside of the precinct.	
H. Public consultation process Is a public consultation process required	This is an annual event, now in its 58 th year, and locals are aware of the activities that take place.
