I am the owner of 75 Massinger Street. I would like to see the lease approved. The treehouse artwork adds character to the street. There are no safety issues as there is no access rope so it is inaccessible. It is built in a way that is safe for the trees and it will not fall out of the tree. It is not play equipment but a piece of art. I have noticed it is enjoyed by people who walk along our street and creates conversation and enjoyment. Thank you
