

CONDITIONS OF CONSENT

SCHEDULE 1. CONDITIONS OF CONSENT

Upon satisfaction of the deferred commencement condition/s, the following conditions apply:

Parameters of consent

1. Approved plans and supporting documentation

Development must be carried out in accordance with the following approved plans and supporting documentation (stamped by Council), except where the conditions of this consent expressly require otherwise.

Plan No.	Plan Title	Drawn by	Dated
TP1.06 and 1.07 Revision 7 SK012-02	Basement Plan 1 and 2 Floor Plan layouts Ground and Basement Level	Myers Ellyett Hogg and Lamb	8/9/22 Undated

In the event of any inconsistency between the approved plans and the supporting documentation, the approved plans prevail. In the event of any inconsistency between the approved plans and a condition of this consent, the condition prevails.

Note: an inconsistency occurs between an approved plan and supporting documentation or between an approved plan and a condition when it is not possible to comply with both at the relevant time.

2. Restricted hours of operation for the Basement Restaurant

The hours of operation are restricted to the following

- a) Monday to Sunday 5pm – 12am Midnight

Any alteration to the above hours of operation will require the further consent of Council.

3. Restricted Hours of Operation for Retail Tenancies G.02, G.03 and G.04

The hours of operation are restricted to the following

- a) Monday to Saturday 7am to 6pm
- b) Sundays 10am to 4pm.

Any alteration to the above hours of operation will require the further consent of Council.

4. Conditions prescribed by the Regulation

This development consent is subject to the conditions prescribed by the regulations in accordance with subsection 4.17(11) of the Environmental Planning and Assessment Act 1979. Conditions are provided in **Schedule 2** of this consent.

The following conditions are to be complied with prior to issue of a Construction Certificate for building works

5. Long Service Levy to be paid

A Long Service Levy must be paid to the Long Service Payments Corporation. This is a State Government Levy and is subject to change.

These payments may be made online at www.longservice.nsw.gov.au or at Council's Administration Office, Station Street, Mullumbimby. When paying to Council, cheques are to be made payable to 'Byron Shire Council'.

For further information regarding the Long Service Payment please refer to the website above.

6. Water and Sewerage - Section 68 approval required

An approval under Section 68 of the Local Government Act 1993 must be obtained to carry out water supply work and sewerage work.

If required, an **Approval** under Section 68 Part B of the Local Government Act 1993 to carry out sewerage work must be obtained where the pool backwash is to be connected to the sewer via a new overflow relief gully.

Water metering to be in accordance with Byron Shire Council's water metering requirements. See: <https://www.byron.nsw.gov.au/Services/Building-development/Other-approvals-and-permits/Plumbing-and-Drainage-Applications>

Any new water service and meter will be at applicants cost.

7. Trade Waste - Section 68 Part C approval required

An **approval** under Section 68 Part C of the Local Government Act 1993 to discharge trade waste into Council's sewer must be obtained in accordance with NSW Office of Water Liquid Trade Waste Regulations Guidelines 2009, Council's Liquid Trade Waste Policy and Liquid Trade Waste Guidelines.

Commercial, business, trade and industrial activities discharging or proposing to discharge to the sewer are required to notify Council and complete the Trade Waste Registration Form available at the Mullumbimby Office and from Council's website at:

http://www.byron.nsw.gov.au/files/publications/liquid_trade_waste_application_form_0.pdf

Trade Waste approval must be obtained prior to gaining Section 68 Part B approval to carry out water supply work and sewerage work.

8. Certificate of Compliance – s307 Water Management Act 2000

Prior to issue of any Construction Certificate, a Certificate of Compliance under Section 307 of the Water Management Act 2000 must be obtained upon payment of developer charges for water and sewer as calculated in accordance with Byron Shire Council and Rous County Council Development Servicing Plans. Where staging of the Construction Certificate occurs, a separate s307 Compliance Certificate must be obtained for each stage.

Byron Shire Council acts as Rous County Council's agent in this matter and will issue a Certificate of Compliance on behalf of Rous County Council upon payment of the Rous County Council Development Servicing Charge to this Council.

Note: For issue of the Certificate of Compliance, an application form and associated fee must be lodged via Council's website. Copies of Byron Shire Council's Development Servicing Plans are available via Council's website.

Developer charges will be calculated in accordance with the Development Servicing Plan applicable at the date of payment. A check must be made with Council to ascertain the current rates by contacting Council's Principal Engineer Systems Planning, Utilities on 02 6626 7000. Applicable charges can also be found on Council's website:

<https://www.byron.nsw.gov.au/Services/Water-sewer/Plumbers-and-developers/Calculate-the-cost-of-an-Equivalent-Tenement#section-3>

The contributions payable will be adjusted in accordance with relevant plan and the amount payable will be calculated on the basis of the contribution rates that are applicable at the time of payment.

Payment by Personal or Company Cheque will not be Accepted

9. Section 7.12 Levy to be paid

The levy will be calculated as follows:

Levy payable = %C x \$C

- %C is the levy rate applicable as set out in the latest Ministerial Direction issued under section 7.17.
- \$C is the proposed cost of carrying out the development.

The rate of %C is:

Proposed cost of the development	Maximum percentage of the levy
Up to \$100,000	Nil
\$100,001–\$200,000	0.5 percent
More than \$200,000	1.0 percent

The cost of development must be calculated in accordance with clause 25J of the Regulation. The Cost Summary Report (copy attached) as set out in schedule 2 of the Section 7.12 contributions plan must be submitted to Council with the payment. The cost summary report must be prepared by a quantity surveyor. Copies of Cost Summary Report are available at Council's main office or may be downloaded from Council's website.

10. Design and Layout Plans - Food Premises

Detailed plans prepared by a suitably experienced person showing the design and layout of the premises to be used as a food business must be submitted to Council. The design details are to be drafted in accordance with relevant legislation and standards, including:

- a) Food Act 2003;
- b) Food Regulation 2015;
- c) Food Standards Code, Chapter 3.2.3;
- d) Relevant Australian Standards:
 - i. AS 4674 – 2004 Design, Construction and Fit-Out of Food Premises;
 - ii. AS 1668.1 & AS 1668.2 Mechanical Ventilation;
 - iii. Other relevant standards.

- e) The Building Code of Australia.

Such plans must be approved by Council's Environmental Health Department prior to the issue of a construction certificate for building works. Plans are to be submitted in duplicate and accompanied by fees as described in Council's adopted Fees and Charges.

11. Details of acoustic treatments for the Restaurant

The application for a Construction Certificate is to include plans and specifications for air conditioning plant and equipment, and all entry and exit doors that demonstrate the inclusion of acoustic treatments for building construction as recommended Acoustic Report Ref:1020104 (Rev R04B) prepared by Acoustic Works dated 08/09/2021 and Supplementary Acoustic Report prepared by Acoustic Works dated 22 March 2022.

Such plans and specifications must be approved as part of the Construction Certificate for building works.

The following conditions are to be complied with during any building or construction works

12. Construction times

Construction works must not unreasonably interfere with the amenity of the neighbourhood. In particular construction noise, when audible from adjoining residential premises, can only occur:

- a. Monday to Friday, from 7 am to 6 pm.
- b. Saturday, from 8 am to 1 pm.

No construction work to take place on Saturdays and Sundays adjacent to Public Holidays and Public Holidays and the Construction Industry Awarded Rostered Days Off (RDO) adjacent to Public Holidays.

Note: Council may impose on-the-spot fines for non-compliance with this condition.

13. Construction Noise

Construction noise is to be limited as follows:

- a. For construction periods of four (4) weeks and under, the L10 noise level measured over a period of not less than fifteen (15) minutes when the construction site is in operation must not exceed the background level by more than 20 dB(A).
- b. For construction periods greater than four (4) weeks and not exceeding twenty-six (26) weeks, the L10 noise level measured over a period of not less than fifteen (15) minutes when the construction site is in operation must not exceed the background level by more than 10 dB(A)

Note: Council may impose on-the-spot fines for non-compliance with this condition.

14. Builders rubbish to be contained on site

All builders rubbish is to be contained on the site in a 'Builders Skips' or an enclosure. Footpaths, road reserves and public reserves are to be maintained clear of rubbish, building materials and all other items.

15. Prevention of water pollution

Only clean and unpolluted water is to be discharged to Council's stormwater drainage system or any watercourse to ensure compliance with the Protection of Environment Operations Act.

16. Construction - Food Premises

The food premises must be constructed in accordance with design and layout plans approved by Council.

Advisory note:

Requirements of Food Standard Code 3.2.3 and Australian Standard AS4674 – 2004 “Design, construction and fit-out of food premises” to be considered to achieve the necessary construction standards for the food business.

17. Trade Waste

An approved trade waste device shall be installed, inspected by Council and maintained to ensure that all relevant environment protection and plumbing code standards are satisfied.

18. Exhaust System

On completion of the kitchen exhaust-hood installation, provide a certificate and system specifications detailing the air flow velocity readings to Council. The certificate should be completed by a suitably qualified professional and shall ensure that the installation satisfies AS1668.2 “Mechanical ventilation for acceptable indoor-air quality”

19. Airlock

An airlock shall be constructed between the toilet facilities and internal workspaces to prevent the transfer of contaminants into the food business and comply with the Building Code of Australia.

The following conditions are to be complied with prior to occupation of the building

20. Works to be completed prior to issue of a Final Occupation Certificate

All of the works indicated on the plans and approved by this consent, including any other consents that are necessary for the completion of this development including approvals issued under the Local Government Act 1993 and the Roads Act 1993, are to be completed and approved by the relevant consent authority/s prior to the issue of a Final Occupation Certificate.

Any Security bond paid for this application will be held until Council is satisfied that no further works are to be carried out that may result in damage to Councils road/footpath reserve.

The following conditions are to be complied with prior to commencing operations

21. Notification – Food Business

In accordance with Section 100 of the Food Act 2003, the operator of the food business must submit a completed [Food Business Registration form](#) five (5) working days prior to trading. The notification must occur before the food business commences any food handling operations.

22. Council Inspection required – Food Premises

The operator of the food premises shall obtain a satisfactory pre-operational inspection from Councils Environmental Health Officer prior to trading.

Advisory note:

Inspections by Council's Environmental Health Officers can be arranged during the fit-out stage and the final pre-operational inspection. Inspection fees are levied as per Council's adopted Fees and Charges. Note requests for a final inspection must be made with at least five (5) working days notice.

The following conditions are to be complied with at all times

23. Plan of Management

The Basement Restaurant to operate in accordance with the Plan of Management titled "The Food and Drink Precinct 139 Jonson Street, Byron Bay prepared by Back Schwartz Vaughan dated 2 July 2021.

24. Noise Management

At all times the development shall be operated in accordance recommendations contained within approved Section 6.0 of Acoustic Report Ref:1020104 (Rev R04B) dated 06/09/2021 and Supplementary Acoustic Report Ref: 1020104 L05A dated 22/04/2022 prepared by Acoustic Works.

Amplified entertainment shall be limited to a combined sound pressure level that does not exceed 86dBA when measured 1m from the speakers. Speakers must be isolated from the building structure.

All entry/exit doors to the restaurant must remain closed between the night period (10pm and 7am Mondays to Saturdays and 10pm to 8am Sundays) except for the ingress and egress of patrons.

25. Must not interfere with the amenity of the neighbourhood

The use of the development must not interfere with the amenity of the neighbourhood by reason of noise, vibration, smell, fumes, smoke, dust, wastewater or otherwise. In particular:

- a. Any complaints to Council about 'offensive' noise will be dealt with under the provisions of the Protection of the Environment Operations Act 1997.
- b. Only clean and unpolluted water is permitted to be discharged to Councils' stormwater drainage system or any waters.
- c. All wastes shall be contained within appropriate containers fitted with a tight-fitting vermin-proof lid.
- d. All waste storage and sewage facilities shall be serviced and maintained to ensure that all relevant environment protection standards are satisfied.
- e. Goods deliveries shall be restricted to daytime operating hours.

26. Trade Waste

All trade waste pre-treatment devices shall be serviced and maintained to ensure that all relevant environment protection standards are satisfied.

SCHEDULE 2. PRESCRIBED CONDITIONS

The prescribed conditions in accordance with Part 6 Division 8A of the Environmental Planning and Assessment Regulation as at the date of this development consent as are of

relevance to this development must be complied with:

- Clause 69 Compliance with Building Code of Australia and insurance requirements under the Home Building Act 1989
- Clause 70 Erection of signs
- Clause 71 Notification of Home Building Act 1989 requirements
- Clause 72 Conditions relating to entertainment venues
- Clause 73 Condition relating to maximum capacity signage
- Clause 74 Condition relating to shoring and adequacy of adjoining property

Refer to the NSW State legislation for full text of the clauses under Part 6 Division 8A of the [Environmental Planning and Assessment Regulation 2000](http://www.legislation.nsw.gov.au). This can be accessed at <http://www.legislation.nsw.gov.au>.

SCHEDULE 3. REASONS FOR DECISION, HOW COMMUNITY VIEWS WERE ADDRESSED

Note: From July 1 2018, Council's are required to give and publicly notify reasons for a range of planning decisions where they are deciding if development should proceed to help community members to see how their views have been taken into account and improve accountability to stakeholders. A statement of reasons for the determination of this application is provided below.

Statement of Reasons
The proposed development complies with the provisions of Byron Local Environmental Plan 2014.
The proposed development complies with relevant State Environmental Planning Policies
The proposed development complies with relevant provisions of Development Control Plan 2014
The proposed development complies with Environmental Planning & Assessment Regulation 2000 considerations.
The proposed development will not have significant adverse impact on the natural, built or social environment or economic impacts on the locality.
The proposed development is considered suitable for the proposed site.
The development application was notified/advertised in accordance with Council's Community Participation Plan. Issues raised in the submissions have been addressed during assessment of the application.
The proposed development is unlikely to prejudice or compromise the public interest.
How community views were addressed
The DA was notified/advertised in accordance with Council's Community Participation Plan. No submissions were received.

SCHEDULE 4. NOTES

Construction Certificate required:

This development consent is issued under the Environmental Planning and Assessment Act 1979 and does not relate to structural aspects or specifications of the building under the Building Code of Australia. All buildings and alterations require the issue of a Construction Certificate prior to works commencing. Application forms are available from the customer services counter or Council's

website www.byron.nsw.gov.au

Principal Certifying Authority:

Work must not commence until the applicant has:-

- a. appointed a Principal Certifying Authority (if the Council is not the PCA); and
- b. given Council at least two days notice of the intention to commence the erection of the building. Notice must be given by using the prescribed 'Form 7'.
- c. notified the Principal Certifying Authority of the Compliance with Part 6 of the Home Building Act 1989.

Occupation Certificate required:

The building must not be occupied until the Principal Certifying Authority has issued an Occupation Certificate.

Protection of the Environment Operations Act 1997:

It is an offence under the provisions of the Protection of the Environment Operations Act 1997 to act in a manner causing, or likely to cause, harm to the environment. Anyone allowing material to enter a waterway or leaving material where it can be washed off-site may be subject to a penalty infringement notice ("on-the-spot fine") or prosecution.

Penalties apply for failure to comply with development consents

Failure to comply with conditions of development consent may lead to an on the spot fine being issued pursuant to section 4.2(1) of the Environmental Planning & Assessment Act 1979 or prosecution pursuant to section 9.50 of the Environmental Planning & Assessment Act 1979.

Relics Provisions- Advice

Attention is directed to the NSW Heritage Act 1977 and the provisions of the Act in relation to the exposure of relics. The Act requires that if:

- a) a relic is suspected, or there are reasonable grounds to suspect a relic in ground, that is likely to be disturbed damaged or destroyed by excavation; and/or
- b) any relic is discovered in the course of excavation that will be disturbed, damaged or destroyed by further excavation;

Those responsible for the discovery must notify nominated management personnel who will in turn notify the Heritage Council of New South Wales or its delegate, the Office of Environment and Heritage, NSW Heritage Branch, and suspend work that might have the effect of disturbing, damaging or destroying such relic until the requirements of the NSW Heritage Council have been satisfied (ss139, 146).

Water payments under the Water Management Act 2000

Charges will be calculated based on the additional water and sewerage load that the proposed development generates, shown in Equivalent Tenements (ET) by the following table:

ADDITIONAL WATER & SEWER LOAD OF DEVELOPMENT **(ET Policy 2018)**

Water	1.59 ET
Bulk Water	1.59 ET
Sewer	1.59 ET

NB: Information regarding Development Servicing charges can be found on the Byron Shire Council website (<https://www.byron.nsw.gov.au/Services/Water-sewer/Plumbers-and-developers/Calculate-the-cost-of-an-Equivalent-Tenement#section-3>).

These charges will enable you to calculate the total contribution charges payable when you are ready to pay them. Developer charges will be calculated in accordance with the Development Servicing Plan applicable at the date of payment.
