Hello

We have recently purchased a property in Bangalow currently known as Lot 1 Pacific Highway Bangalow NSW or DP 1/1155012. It is located in the middle of the old highway (Hinterland Way) and the new Pacific Highway. We have owned the property for a few months now and as it is a producing Macadamia Farm we are constantly getting items delivered to the farm. We are having a lot of trouble with the physical address being Lot 1 Pacific Highway as not only can you not enter the farm off the Pacific Highway when you google earth the farm or google maps for directions it sends you to a completely different address in Bangalow. The only access to the farm is through the Cemetery in Bangalow. We are basically writing to you in the hope you can give us a proper physical address that actually means something to our contractors/service providers/visitors. We appreciate your time and look forward to hearing from you on this matter.

Kind regards
