## Re: Updated Bush Fire Prone Land Map

Dear Alex,

Thank you for the letter dated 4 January 2017 concerning the Bush Fire Prone Land Map for Byron Council, and for your attention to this matter.

Pursuant to receiving the letter, I have been in contact with Ms Clare Manning on 19<sup>th</sup> January 2017 and discussed the issues. During that conversation, it was agreed that the NSW Rural Fire service would accept the first draft bush fire prone land map as originally submitted by Council. It was also agreed that should further clarification or refinement of the criteria as it applies to the North Coast be developed, then the bush fire prone land map could be again updated and recertified at that time.

I look forward to working with you in the future.

If you have any questions please contact Mr Jason Hulston at (02) 8741 4912.

Yours sincerely
