1 Introduction and Purpose

Joint Organisations (JOs) will officially “open for business” in regional NSW from 1 July 2018.

JOs will transform the way local and state governments work together to plan and deliver the things that matter to regional communities. They will give local councils a seat at the table in planning for important regional infrastructure and investment.

The NSW Government is providing \$3.3 million in seed funding to establish JOs and the Office of Local Government (OLG) will continue to support local councils and JOs during the establishment phase.

A key milestone was to pass [amendments to the Local Government Act 1993](#) (the Act) to allow JOs to be established. The amendments set out the principal functions of JOs and provide the framework for JOs to operate in an effective and accountable way.

The next step is to finalise the regulations that support the Act amendments. This will be delivered via amendments to the Local Government (General) Regulation 2005. A draft of the Local Government (General) Amendment (Regional Joint Organisations) Regulation 2018 (the [Draft Regulation](#)) has been prepared for consultation.

This guide explains the Draft Regulation to enable councils to make informed submissions.

The proposed regulations are minimal, to ensure that JOs can focus on their core business and build organisations that reflect the unique characteristics of their region.

2 Providing feedback on the draft regulation

The NSW Government is inviting feedback on the Draft Regulation.

This Guide explains the key aspects of the Draft Regulation and how they relate to the Act. It also explains how JOs might use these provisions in their day to day operations. The Government is inviting council feedback on the Draft Regulation and some key questions.

Councils are invited to provide feedback on the draft regulation to support JOs by **5pm on Friday 16 March 2018**.

A list of focus questions is included in **Appendix A** to assist in preparing submissions. Submissions may be made using an online feedback form. Go to www.olg.nsw.gov.au and follow the link to the JO webpage.

Alternatively, submissions can be made by printing the form at Appendix A and scanning and emailing to jointorganisations@olg.nsw.gov.au or mailing to:

3 Key aspects of the Draft Regulation

3.1 The Charter

The Charter will be unique to each JO. It outlines how the JO will operate.

What the Act requires

The Act (section 400U(3)) requires each JO to prepare and adopt a Charter that contains, but is not limited to, the following:

- Operational principles for the JO
- Governance principles for the JO.

What is proposed in the Draft Regulation

The Draft Regulation proposes to require JO's Charters to include a methodology for determining annual financial contributions to the JO by member councils to ensure transparency (clause 397B(1) of the Draft Regulation). It will be up to each individual JO to develop its own methodology.

The Draft Regulation also proposes requiring that each JO makes its Charter available to the public by publishing it on its website (clause 397B(2)).

3.2 Election of the Chair

The JO Chairperson will play an important leadership role in representing the region and ensuring the efficient conduct of JO business. Councils have made it clear that they want the Chairperson to be a serving Mayor, chosen from amongst the voting members.

What the Act requires

The Act (sections 400T and 400V) prescribes that the Chairperson:

- is elected by the mayors who are voting representatives on the Board
- preside at meetings of the Board
- does not have a casting vote, and
- holds office for a term of 2 years.

The Act also allows each JO to decide whether or not it would like to have an independent, non-voting Chairperson to facilitate decision-making. Where this is the case the following will apply:

- the non-voting chair must still be the Mayor of a member council
- the Deputy Mayor of that council will be appointed to vote on their behalf as a member of the Board
- where there is no Deputy Mayor (or the Deputy is already a voting member), another councillor may be appointed to vote.

What is proposed in the Draft Regulation

The Draft Regulation proposes a process for electing the JO Chairperson that is similar to the way that the chair of a county council is currently chosen. In essence, it requires that:

- a Chairperson must be elected at the first meeting of the Board, at the first meeting after each two year term expires, or any time the position becomes vacant;
- the Executive Officer will usually be the election returning officer;
- the election can be either by open vote, ordinary ballot or preferential ballot; and
- where the vote is tied, the Chairperson can be chosen by lot.

For more details of the process see Schedule 7A of the Draft Regulation.

3.3 Tied votes

Member councils of JOs have equal voting rights on the Board as an equal partnership is fundamental to the success of JOs.

What the Act requires

Section 400T (10) of the Act provides that the regulations may prescribe a mechanism for resolving decisions of a board in the event of an equality of votes.

What is proposed in the draft Regulation

The Draft Regulation (clause 397D) clarifies that, in the event of an equality of votes, a motion at a JO Board meeting is taken to be defeated.

3.4 Alternates

There will be circumstances where the Mayor is not able to attend a JO meeting, for example due to illness or leave, so it is important to provide a process for appointing an alternate representative.

What the Act requires

The Act (section 400W) allows the regulations to make provisions about the appointment and functions of alternates for voting representatives on the JO Board.

What is proposed in the Draft Regulation

The Draft Regulation (clause 397E) proposes that the Deputy Mayor of a member council is to be the standing alternate for the Mayor. If there is no Deputy Mayor, or if the Deputy Mayor is already a voting member of the JO, the member council is to appoint another councillor as alternate for a 2 year period (or any other period that they see fit). The alternate has all the functions of the JO representative when acting in their place on the Board and is legally taken to be a representative.

3.5 Expenses and facilities

Like a council, a JO will be required to have an expenses and facilities policy and JOs will only be able to reimburse expenses in accordance with that policy.

What the Act requires

The Act (Schedule 6, item 17B) allows for regulations to be made about matters including travel and other expenses payable to board representatives.

What is proposed in the draft Regulation

The Draft Regulation (clause 397J) proposes to apply section 252 of the Act to JOs. This will require JOs to adopt an expenses and facilities policy within 12 months of being established and require reimbursement to be in accordance with that policy. JOs would be required to consult their member councils in developing this policy.

3.6 Remote participation and voting

JOs may cover very large geographic areas and it may not be practical for voting representatives to attend every meeting in person. Board members are to be enabled to attend and vote at Board meetings remotely - either by telephone or videoconferencing. This and other key differences in JO meeting practices are proposed to be reflected in a Model Code of Meeting Practice.

What the Act requires

Schedule 6 Regulations (Item 17B) of the Act provides for various regulations to be made in relation to JOs and lists examples that include remote voting and remote participation in a meeting.

What is proposed in the Draft Regulation

The Draft Regulation (clause 397F) provides that the Board of a JO may transact any business at a meeting in which representatives participate by telephone or other electronic means, as long as the representative speaking can be heard by the other representatives.

3.7 Planning and Reporting

Planning and reporting requirements for JOs are proposed to be minimal, fit for purpose and aligned to Integrated Planning and Reporting (IP&R) requirements for councils.

What the Act requires

The Act says that a principal function for JOs is to establish strategic regional priorities for the local government areas covered by the JO, and to develop plans to deliver those priorities (see section 400R of the Act). The Act requires the relevant strategic priorities or plans of member councils (including Community Strategic Plans) and those of the NSW Government are considered by a JO in establishing its strategic regional priorities.

The Act (section 413(1)) also requires each JO to prepare financial reports for each year, and refer them for audit as soon as practicable after the end of that year.

What is proposed in the Draft Regulation

Three key planning and reporting requirements are proposed in the Draft Regulation:

1. a Statement of Strategic Regional Priorities;
2. an Annual Performance Statement - reporting on progress in implementing its priorities; and
3. financial reports.

Statement of Strategic Regional Priorities

It is proposed in the Draft Regulation (clause 397G) that each JO will have a succinct Statement of Strategic Regional Priorities (SSRP) outlining the JO's vision for its region and how it plans to work with others towards achieving that vision. This builds on, rather than duplicates, the planning work of councils in their Community Strategic Plans and provides important connections between local and regional planning.

The Draft Regulation proposes the JO Board prepare and adopt the SSRP following the adoption by councils of their Community Strategic Plans so that the JO can take these into account. A JO must consult with member councils about the content of the proposed SSRP.

To assist JOs in their first year, it is proposed that the first SSRP be prepared and adopted by the end of 2018 or six months after the date JOs officially commence (whichever is later)(clause 397G(3) of the Draft Regulation). After this, JOs must prepare and adopt a SSRP within 12 months of the local government general elections (i.e. generally every 4 years).

Annual Performance Statement

It is also proposed that each JO produce a succinct Annual Performance Statement (APS) (clause 397H of the Draft Regulation) each year to show how the JO has progressed against its strategic priorities and plans. APS documents are to be prepared for each financial year and adopted and published before 30 November each year. JOs may, but need not, prepare an Annual Performance Statement for the first year they are established (clause 397H(3) of the Draft Regulation).

Financial Reports

To assist JOs in their first year of operations, the Draft Regulation allows JOs to wait until after their first full year of operations to prepare their first financial report (clause 397K).

3.8 Executive Officers

It will be up to each JO to determine whether to engage a full-time person in the Executive Officer role, the level of remuneration to be offered and the performance-based requirements to be applied.

What the Act requires

The Act (section 400Y) provides for the role of the Executive Officer. The role has responsibility for the day-to-day management of the JO in accordance with the strategic regional priorities and other plans, programs, strategies and policies of the organisation, and, to implement, without delay, lawful decisions of the JO.

What is proposed in the Draft Regulation

The Draft Regulation (clause 397L) assists JOs through their first year of operations by providing that the standard provisions to advertise the Executive Officer position and make an appointment on merit are suspended for 12 months. This will allow JOs to make an interim appointment of the Executive Officer, should they choose to do so, to enable a smooth start-up process. After this period, the JO must advertise the position and make an appointment on merit.

3.9 Other Staff

While JOs are not required to have any staff other than the Executive Officer, some may wish to do so, particularly where they have agreed to take on other functions delegated by member councils.

Once each JO is proclaimed, the NSW Government will seek the support of the Commonwealth Government to order that each specific JO is not a national system employer. This will ensure that future staff are covered by the State industrial relations system.

What the Act requires

The Act (section 400ZG) says that staff, other than the Executive Officer, may only be appointed by a JO if the entity is not a national system employer for the purposes of the Fair Work Act 2009 (Cth).

What is proposed in the Draft regulation

The Draft Regulation (clause 397M) proposes to allow for the transfer of staff between JOs or between a JO and a council (including a county council) without loss of entitlements. This would maintain any long service and sick leave accrued under the Local Government (State) Award.

Importantly, this will rely on the Award containing the relevant provisions and does not affect any leave entitlement of a senior staff member of a council under his or her employment contract.

The draft regulation (clause 397M(2)) also proposes to modify how clauses 406C and 406D of the Local Government (General) Regulation 2005 apply to JO staff. This essentially extends the effect of those provisions, which deal with the transfer of entitlements of senior staff, to senior staff of a JO whose employment is transferred by Proclamation.

Further, it is proposed (clause 397M (3)) to enable lateral transfers of staff that are not senior staff in connection with any transfer of functions to, or from, a JO and a council. This extends the effect of section 354G of the Act to staff in these circumstances, so that:

- lateral transfer of staff can occur through an internal process in which staff have the opportunity to apply, but external advertising of position/s is not required;
- preference is then given to employees performing substantially the same duties; and
- if there is more than one employee performing substantially the same duties, the employee with the greatest merit must be given preference in the filling of available positions.

3.10 Application of Act and Regulation

JOs are part of the system of local government in NSW so it is important that they share the same legislative framework as local councils.

Many of the provisions of the Local Government Act 1993 will also apply to JOs – for example the requirement for JO Board representatives to comply with the Code of Conduct. Some provisions do not apply – for example the capacity to raise rates will remain with local councils and not be applied to JOs.

Where a JO is delegated a function by its member councils, dis-applied provisions will apply to the JO in carrying out those functions as delegate of the councils.

Appendix B and C provide further details on these provisions.
