

Mr Evan Elford
Team Leader Infrastructure Planning
Byron Shire Council
PO Box 219, Mullumbimby NSW 2482

Dear Mr Elford

Proposed Boundary Adjustment for Road Upgrade - Byron Bay High School - Lot 2 DP821974

Congestion at Arakwal Court has resulted in the establishment of a working group to investigate possible solutions. The working group has identified Option 5 as the preferred option for further investigation. This option requires Education land to be acquired for the road reserve. The boundary adjustment details are unknown at this time and will be determined as Option 5 is investigated.

To allow design development, the Department of Education School Infrastructure provide in principal support of a potential boundary adjustment for Lot 2 DP821974. The extent of any boundary adjustment will be identified through design development and community consultation of Option 5.

Should you require further information please contact Michael Bell on 0266 235610.

Yours sincerely

Robert Armbruster
Director, Asset Management North Coast
