Dear Council

The Department of Industry Property Services Team has no objections to the advised proposed road closure, except in cases whereby access to any land owned by or in Trust by the Water Administration Ministerial Corporation (WAMC) or its predecessors being the Water Resources Commission and the Water Conservation and Irrigation Commission is affected.

From the information you have provided and the list of land we hold, I have been unable to identify any WAMC land as being involved or affected by this proposed road closure.

I have cc'd Peter Beard from WaterNSW in to this reply as WaterNSW also manage WAMC land and may hold more accurate records of WAMC land.

Regards,

Sarah
