Comments on proposed part road closures

- Part Lighthouse Beach Road adjoining 154 & 156 Lighthouse Beach Road Lot 4 & 5 DP 246401

Dear Sir/Madam

I/We:

wish to provide my/our opinion in relation to the proposed road closures.

~~I~~/We:

Are in favour of the part road closure

OR

Object to closure of the following section of road for the reasons noted below.

Dear / Sir/Madam

I object to the section closure of No Name Lane for the same reasons as my immediate neighbours at 176 Lighthouse Rd. (enclosed)

Subject: CM: In regards to mail received about road closure at 154 and 156 Lighthouse Rd
Date: Sunday, 8 October 2023 10:11:03 PM

Hi Judd

Have just returned from some travels to see a letter in regards to part road closure at the above address.

It is a bit hard to ascertain exactly where and what is intended but I assume it is in regards to No Name Lane at the West of these two houses not Lighthouse rd?

Either way if it is public road as is referred to in the letter I support it staying that way and not becoming private just for those home owners

If can let me know how it goes

Thanks for your help

Best Regards

Subject: Re #E2023/84256 Proposed Part Road Closures
Date: Monday, 2 October 2023 6:28:44 PM

Dear Tracy Armstrong / Judd Cornwall,

Further to our conversation on the 12th September 2023 regarding the Proposed Part Road Closure / Purchase.

My concerns as the owner of 162 Lighthouse Road, Byron Bay are:

1. Does the proposed sale/closure set a precedent for other property owners to purchase Council/Crown Land that may affect adjoining property owners in the vicinity.
2. As the Owners of 162 Lighthouse Road, Byron Bay with a very narrow access/egress . it is problematic exiting my property when vehicles park on the footpath /curb, some adjoining properties have landscaped Council/Crown land for their own use/beautification or deterrent to the public parking.
3. The other concern : should 168/168A wish to purchase land or have vehicle access to the west of their boundary then this would cause further congestion and impede access.
I would be interested in purchasing the area that is across the road to the east of 158 Lighthouse Road and the rear of 166A Lighthouse Road – would this land become available?

I look forward to hearing from you on the concerns I have noted.

Would you also confirm that this email is accepted as my formal submission on the Proposed part road closures.

Thank you
Kind Regards

13th September 2023

Your File Ref: #E2023/84256
Council Contact: Tracy Armstrong

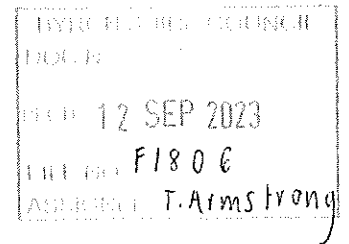

Please take this letter as our objection to the proposed closure of part of a public road as described in your letter dated 28th August 2023.

_____ on behalf of
owners _____ who have instructed us to write a letter of objection.

The track 'No Name Lane' to 174 Lighthouse Road off Lighthouse Road has had no structural maintenance in the 10 years I have been accessing the property. The road is pitted with potholes and is very narrow, only allowing the width of one car only. If another car is coming towards you, there is nowhere to pass, you must reverse either going up or down a hill, normally on a bend, to allow the other car to pass. This is very dangerous the best of times without the threat of making this road even narrower.

In your proposal, there is no mention of why this proposal is necessary and it is hard to come up with a reasonable explanation why this would be proposed.

Kind regards

Byron Council
70 Station Street
Mullumbimby
NSW 2482

Your ref: #E2023/90498
Council contact: Tracy Armstrong

We object to the proposed closure of part of a public road as described in your letter 28.8.23.

Council states "it will also be advertised in the Byron Echo on September 6 2023".

I could see no such add and I believe the 28-day period for submissions should be from the date of advertisement in the Byron Echo.

I believe roads are owned by the public. Council's responsibility is to maintain the roads.

The description of the proposed part closure I believe is incorrect.
"Part Lighthouse Road adjoining 154 & 156 Lighthouse Road Lot 4 & 5 DP 246401."
The shaded area on the map you have supplied is on Unnamed Road 10 commonly known as "No Name Lane".

The current road is too narrow already only allowing the passage of a car in one direction. There is no verge to pull over and let the other car pass. If an oncoming car is encountered one of the drivers must reverse into a driveway to allow the oncoming vehicle to pass.

There are several residents who are over 70 years of age and already find it difficult reversing uphill to allow a car to pass.

Several properties are holiday let which means you have drivers unaware there is only room for one way passage, nor where they can pull over to and allow the car to pass.

There is no signage advising the road is narrow and only allows one way passage.

Council already acknowledges the road is too narrow because they have erected No Stopping signs along the entire length of the road.

The road is in an extremely poor condition which is worsening by the week with all the heavy trucks and tradesmen using it to build 154 Lighthouse Rd. The rear end of one truck totally fell into the gully on the edge of the road on the first corner some months ago, collapsing the side of the road completely and dislodging the safety poles. There is no limit to the length of a truck which can safely drive on the road or limit to weight which will further damage the road.

I have seen no maintenance done on this road in the 35 years we have owned our property. And now council wants to close part of it.

It is totally unreasonable that the residents of 7 houses. 158,160,162,166,174,176 and 178 have their access compromised for the benefit of 2 properties 154 and 156.

I cannot understand that council could honestly propose this with a clear conscience and ignore what is in the interest of most properties. When the other residents are in a majority of 7 properties and the proposers, I assume, being 2 properties.

Council has not stated why they are proposing this.

1. Why is council proposing this?
2. Who asked for the closure?
3. Is the closure in the interest of the broader public's convenience and safety or just two property owners?
4. Does council have an independent engineer's report confirming the safety and proposed width of the road meets acceptable standards?
5. Is council's intention to sell or lease this public road land to a resident?
6. Is council going to make a financial gain or any gain at all from closing part of the road?

I believe it is council's obligation and within council's knowledge to answer all 6 questions.

Please reply within 7 days acknowledging receipt of this objection and answering the questions asked.

Yours truly,

RE: Byron Shire Council – Notification of proposal to close council public road

Dear Deanna

Thank you for providing notice of the proposal to close a council public road.

NSW Department of Planning & Environment – Crown Lands (the department) does not object to:

- the closure of the council public road
- the proposed vesting upon closure.

General enquiries about this submission may be directed to the Crown Lands Business Centre at council.roadclosures@crowland.nsw.gov.au.

Kind regards
