RE: Byron Shire Council – Notification of proposal to close council public road

Dear Deanna

Thank you for providing notice of the proposal to close a council public road.

NSW Department of Planning, Industry & Environment – Crown Lands (the department) does not object to:

- the closure of the council public road
- the proposed vesting upon closure.

This submission is conditional on the new road alignment being formally opened to the public before closure of the road in this proposal.

General enquiries about this submission may be directed to the Crown Lands Business Centre at council.roadclosures@crowland.nsw.gov.au.

Kind regards

Carolyn Connell

Dear Council

The Department of Industry Property Services Team has no objections to the advised proposed road closure, except in cases whereby access to any land owned by or in Trust by the Water Administration Ministerial Corporation (WAMC) or its predecessors being the Water Resources Commission and the Water Conservation and Irrigation Commission is affected.

From the information you have provided and the list of land we hold, I have been unable to identify any WAMC land as being involved or affected by this proposed road closure.

I have cc'd Peter Beard from WaterNSW in to this reply as WaterNSW also manage WAMC land and may hold more accurate records of WAMC land.

Regards,

Sarah
