	Do you have any comments about the proposed footprint?	Do you have any feedback about the current market location at the Main Beach foreshore or the previous location, Butler Street Reserve?	Do you support the permanent relocation of the markets from the beach front to the centre of town?	A core principle of the Byron Bay Town Centre Master Plan is to prioritise pedestrians and people over vehicles in the town centre. Do you support the idea of 'cars out, people in' in key areas?	Are you a...?	
May 06 21 03:40:18 pm	this is ok - prefer not to have lots of stalls in Railway Park - it already cops a beating with the Saturday night market which I don't think should be in there - it should move to the rail corridor.	it should definitely not be on the foreshore it would be great if it could go back to Butler St or the Cav	Unsure	Yes	Local business in Byron Bay	3352596
May 06 21 03:51:21 pm	It should be extended to include Jonson St from Byron St to Lawson St. This part of Jonson St was a shared zone in Dan Plummer's plan so why not include it as well for market day?	Butler St Reserve is hot, sunny and exposed with limited parking for patrons. Main Beach also has limited parking and puts extra pressure on the foreshore area. Butler St Reserve should be a visitor car park.	Yes	Yes	Resident in the Byron town centre	3352640
May 06 21 03:55:33 pm	Looks great so long as the stall capacity is capped	Remove it from beach front ASAP.	Yes	Unsure	Resident in Byron Shire	3352663
May 06 21 04:17:34 pm	This is just another kick in the guts to local residents and businesses, I think you are going to end up in court !	Markets should not be held here due the erosion that's happening.	No	No	Resident in Byron Shire	3352789
May 06 21 04:20:32 pm	Absolutely stupid	Move it all out to the cavanbah sports car park .	No	No	Resident in the Byron town centre	3352813
May 06 21 04:20:40 pm	Closure of Jonson street is wrong. This would mean that anyone living in Byron itself is trapped for that day due to access roads being only 2. Residents should be able to drive out of town and back in. Closing Jonson st result in more traffic mayhem. Council needs to lobby to have mobile cameras set up very 300 metres from the M1 in. Far to many on their mobile phones coming in when traffic is super slow.	Butler at reserve	No	No	Resident in the Byron town centre	3352814
May 06 21 04:27:01 pm	Yes the market should not be located in this place Closing traffic to Jonson st is a not a good idea especially for already established businesses	The main beach foreshore is currently experiencing severe coastal erosion Needs to be relocated to Butler st Especially with the new bypass taking traffic straight there	No	No	Resident in the Byron town centre	3352848
May 06 21 04:33:11 pm	Don't close Johnson st	Stupid place to put it	No	No	Resident in Byron Shire	3352884
May 06 21 04:41:42 pm	Do not like this proposal for blocking off part our main street area even if it is one Sunday a month. They need to be back at Butler STREET Reserve or out at the Cavanbah center like the Farmers Markets are which will ease traffic in town.	The markets are not helpful for our foreshore, the erosion is very severe up there and we need to protect the area. Car parking spaces are a nightmare when markets are on for the locals to access the beach as well.	No	No	Resident in the Byron town centre	3352918
May 06 21 04:54:32 pm	Markets should be at Butler st, or out where the farmers market is...	Not appropriate...	No	No	Resident in Byron Shire	3352981
May 06 21 05:41:14 pm	Yet again impacting workers already struggling to park (now that all forced to live outside the area thanks to STHL etc).	Needs to go back to Butler St.	No	No		3353216
May 06 21 06:27:37 pm	I feel the markets would be better off out at the cavanbah centre or Butler st. The town is already congested with people . I also feel that it would have an impact on local businesses in the town who pay huge rents . I am also concerned about the amount of people in town especially during this COVID time .	Our foreshore and beaches in the main beach area is under threat get the markets away from there . Too many people impacting the area	No	No	Resident in the Byron town centre	3353386
May 06 21 07:02:34 pm	Leave our streets alone and opened, put the markets at cavanbah, if it is good enough for the farmers markets it is good enough for the Sunday markets	The main beach eroding so they need to move from there, moved to cavanbah sports fields where there is plenty of parking and space	No	No	Resident in the Byron town centre	3353529

May 06 21 07:08:08 pm	Business will be impacted small business have they not suffered enough this year	Better there than in back of Johnson stree	No	No	Local business in Byron Bay	3353548
May 06 21 07:14:34 pm	This is going to impact businesses in this town. Why do market holders get accommodated and business who pay rates and outgoing in this town not. The markets affect these businesses now.	It is better than the current proposal	No	No	Local business in Byron Bay	3353577
May 06 21 07:32:33 pm	The small business employ local people and will have to cut staff and waqes to survive. This proposal is going to significantly impact small business in the area by giving an unfair advantage to the market stalls. This will happen through market stalls having a reduced outgoing compared to locally owned and operated businesses who pay rent and utilities to fund both the shire council and the infrastructure in the community. It will reduce the already minimal parking in the town, bottleneaking both foot traffic and car traffic in the area. In addition to this will adversely	The previous location of the butler street reserve was the best option. This is as it ensures that the environment is not impacted by the degradation of foot traffic in the area. It also ensures that main streets in Byron are not shut down causing significant delays to both locals and tourists. Another option that should be suggested is the use of the sports centre in Ewingdale	No	No	Local business in Byron Bay	3353658
May 06 21 07:42:27 pm	Are the shops in Jonson Street like the chemist, paper, bread shops being compensated as there will be NO parking. I know you say give the street to the people but again this is our town and we pay rates.	The markets should never been held on the front sand dune as even that is going away with our tides. And the cars are parking there as well. On a very delicate sand dune which should not be allowed.	No	No	Resident in the Byron town centre	3353686
May 06 21 07:59:26 pm	Looks great	I am a Beachside Artesans market stall holder. There is no distinction, people expect usual market prices for imported things, rather than sophisticated works from artists and master makers. We are looking forward to the monthly market going away.	Yes	Yes		3353738
May 06 21 08:20:22 pm	I think it is great	Main Beach is not suitable due to environmental degradation. Butler Street reserve is better as a car park until we get a park n ride further out of town	No		Resident in Byron Shire	3353828
May 06 21 08:45:19 pm	It will cause chaos in an already too busy town	Why can't the markets go to the Cavanbagh Centre same as the farmers market and take the pressure off the town a bit.	No	Unsure		3353918
May 06 21 08:56:23 pm	Good idea	Butler street reserve too hot, no trees or shade or nice areas to sit.	Yes	Yes	Resident in Byron Shire	3353953
May 07 21 07:31:07 am	It is very convoluted with many dead spots and inequality in layout and opportunity for stall holders. Who is already scheming for the best positions?	Current beach front location excessively commercialises/activates/deteriorates our primary natural asset. Butler Street Reserve has the potential to be a beautiful regenerated soft open space multi function recreation reserve. The markets there are accessible, the layout is fair and equitable, comprehensible.	No	Unsure	Resident in the Byron town centre	3354445
May 07 21 08:09:23 am	I like the connection to the new rail corridor and closure of the CBD for one day a week	Too crowded, too intrusive on the fragile foreshore environment. Parking and traffic issues in this area	Unsure	Yes	Resident in Byron Shire	3354541
May 07 21 09:47:29 am	Very good foot print. Good location.	The markets at Main Beach have prevented community activities such as the Winter Whales that has raised approx. \$1m for local charities and brought millions to the local economy. Similarly events such as the triathlon have been severely restricted. Activities for the Surf Club, such as Nippers have been restricted. These activities bring huge benefit to Byron Bay and Byron Bay will lose then if the markets remain at he beachside.	Yes	Yes		3354904
May 07 21 09:52:24 am	Why are we blocking the main road ? Why can't we build a covered car park that is used for the markets in all weather ?	We must do what councils plan had been. Retreat from the ocean	No	No	Resident in Byron Shire	3354929
May 07 21 09:54:51 am	I don't think the Main Street should be used for market grounds. I feel for the business owners in the Main Street that pay fortunes in RATES and rent to be open every day! This will take business from them. The locals who don't really go to the market will avoid town and town businesses that day to avoid traffic and chaos that will become apparent if the street gets cut off in the middle	Butler st reserve is perfect. Main beach foreshore is the next best thing except for when charity events like winter whales get cancelled because of it. The old Rex grounds could be prettied up and used. Would be perfect.	No	No	Resident in the Byron town centre	3354938
May 07 21 10:10:09 am	Try to reduce stalls on grassed areas but otherwise good.	Unsustainable, has high impact on the park.	Yes	Yes		3354993

May 07 21 10:41:48 am	How am I supposed to go to the Rails? It's my favourite pub and yes I have a disability	Butler street was great. Accessible parking and close to everywhere.	Unsure	No	Resident in the Byron town centre	3355098
May 07 21 10:59:02 am	Looks good. Will need a huge clean up especially walkway to the interchange too. Great idea and car free.	No.	Yes	Yes	Resident in Byron Shire	3355158
May 07 21 11:05:21 am			Yes	Unsure	Resident in Byron Shire	3355184
May 07 21 11:08:32 am	Where is everyone going to park? why can't we go back to butler street reserve?	Butler street is much better	Yes	Yes	Local business in Byron Bay	3355197
May 07 21 11:09:30 am	Yes. Closure of Jonson street, increased traffic congestion & taking over the car park, where are you intending for the people coming to the market to park ? Should be moved to the cavangbar centre. Plenty of parking & plenty of green space for market stall holders to set up.	Butler street reserve has been the most appropriate site for the markets	Yes	Unsure	Resident in Byron Shire	3355202
May 07 21 11:13:17 am	it's a pretty used site already -i.e. no vegetation has to go in order to utilise the site. i wouldn't want it to prevent any possibility of the trains coming back on the tracks there.	main beach is not good for the poor old beachfront, which needs a lot of decent care and replanting. i wouldn't be surprised if mother nature has been eroding the dunes in protest! the previous toxic use of Butler St reserve is a good reason not to return the markets there.	Yes	Yes	Resident in the Byron town centre	3355214
May 07 21 11:25:01 am	think its a great idea	no only new to the area	Yes	Yes	Resident in Byron Shire	3355239
May 07 21 11:40:30 am	This proposal removes the ability for the Rails to function properly or safely. It removes any staff, customer or disabled parking from the Rails, staff parking from 84 Jonson St and access to the Railway cottage. It prevents band access to the longest continual live music venue in the country and it prevents deliveries to occur on a traditionally busy day.	Butler street was and is a great location. It had more parking and was close to town without severely impacting bricks and mortar local shops/ratepayers.	Unsure	No	Local business in Byron Bay	3355300
May 07 21 11:46:38 am	Don't have any problems with the footprint it's looking good	Prefer main beach if the markets are being relocated prefer the town centre over Butler street definitely a better location love the car free idea Butler street would be more suited for permanent paid parking	Yes	Yes	Resident in Byron Shire	3355320
May 07 21 11:52:50 am	Ridiculous congestion. What about people with mobility issues?		No	No	Resident in Byron Shire	3355337
May 07 21 12:28:36 pm	I support this proposal	Neither are as suitable as this Railway Park and surrounds	Yes	Yes	Resident in the Byron town centre	3355451
May 07 21 12:53:21 pm	Great idea	Both were away from town, the beach lost the "vibe" so I think this is a great location change and will ultimately spill over to businesses as well	Yes	Yes	Resident in Byron Shire	3355527
May 07 21 01:00:12 pm	Totally disagree with this proposal.	Must be moved from our beachfront. Butler Street or Cavanbah.	No	No	Local business in Byron Bay	3355548

May 07 21 01:19:56 pm			Yes	Yes	Resident in Byron Shire	3355629
May 07 21 01:27:48 pm	It should be still at Butler St not in town	Butler st is where the markets should be. You have just built a new bypass that has changed the traffic situation for the better why on earth would you want to block any roads. Butler St or the Cavanbah centre is where the markets should go no locals go to the markets much anyway	No	No	Resident in Byron Shire	3355648
May 07 21 01:45:12 pm	Disrupting traffic flow along Jonson Street seems a ridiculous idea, why on earth include in the footprint??? All those shop owners who pay massive rents in the proposed area and are still enduring hardship from 2020 are not being supported by their council, feels like this proposal is adding insult to injury. Why not return the market to Butler Street Reserve? Plant some trees, install permanent seating, stage area, breath new life into what we already have rather than	I like the Main Beach foreshore location but I feel it does not hold much atmosphere as you walk up one side, turn then walk down the other and leave. Butler Street market location created a wonderful energy, conversations created as paths crossed (visitors and stall holders alike), community spirit strengthened, food & music & dancing intertwined with shopping. People linger, connections made, bonds strengthened Byron in its essence.	Unsure	No		3355701
May 07 21 02:23:32 pm	Yes leave street open on every Sunday and leave the beach front parking area alone...no one on council is a long time resident of byron bay SO DONT CHANGE IT .and put markets out at the sports centre	Leave the parking at beach front alone it belongs to Byron Bay long time residents who made this town .no one on council own it	Unsure	No	Resident in the Byron town centre	3355819
May 07 21 02:26:23 pm	Too small and squeezed. Too much of an interruption to town centre. Regardless of closure of streets which should be considered separately.	Beach foreshore- good location. Much more manageable the proposed one. Butler st - also good but more vegetation should be considered for better micro climate especially for summer hot days.	No	Yes	Resident in Byron Shire	3355827
May 07 21 03:15:29 pm	Absolute disaster	Should all be at the Cavanbah Centre Businesses are paying huge rent & so tired of the congestion when markets are on . I don't even venture into town on those days	No	No	Resident in the Byron town centre	3356039
May 07 21 03:36:14 pm	These markets need to be kept seperate from retailers, this wouldn't help us it would have an affect on us and in my opinion lower our foot traffic as people would be attending the markets. It's not fair on local business like myself who have big overheads to pay when the market stalls not so much! Don't turn the streets into a market!		No	No	Local business in Byron Bay	3356110
May 07 21 04:21:03 pm	The footprint is nearly right, but its nor necessary close Jonson St for this event - Especially if the marketeers are selected form Local/regional producers, this would limit the need for road space to be used.	The Beach side market is definitely not the right location. Butler st has had its day. no longer suitable.. the new site is good except no street closer necessary	Yes	No	Local business in Byron Bay	3356239
May 07 21 04:24:50 pm	This site maybe a winner, parking will be an issue as will traffic in the CBD, any street that can cause congestion and loss of parking will be a substantial mistake.	Beach side was ok as an interim location to assist stall holder during bypass construction only.	Yes	Unsure	Resident in the Byron town centre	3356249
May 07 21 05:25:35 pm		Don't like either. It really needs to find a new home	Yes	Yes	Resident in Byron Shire	3356431
May 07 21 05:26:00 pm	I do not believe the markets should be in town as they are too big. They need a site away from where residents want to go about usual daily lives. Should not take over railway park...this is a space for people to congregate all the time to not be able to do that in the same way when markets are there is not fair.	I do not like the beachfront location. Again it interups activities (like locals walking their dogs or having a picnic in that space). Beach is too busy already. I loved the old Butler St location. It was close to town but far enough away to not overcrowd ayeets/footpaths and interruptions to local residents. Surely the land is contaminated could be cleaned	No	No	Resident in the Byron town centre	3356435
May 07 21 05:39:55 pm	Yes, I'm not convinced about the new location but It might work. My first thoughts it would be more suitable to be out of the town centre due to the possibility of traffic concerns.	This area right on the dunes is way too sensitive for the amount of heavy vehicles etc being used for the markets. It is already vulnerable to erosion and this heavy use is not helping. The whole coastline between Main and Clarke's needs a massive rehabilitation project to help stop the ongoiq issue of coastal erosion.	Unsure	Unsure		3356469
May 07 21 06:06:17 pm	Cannot agree to shut off Johnson street our next nightmare markets should go Out to Cavanbah	Must move now from our eroding beach front ... butler st is idea but understand there may be epa issues	No	No	Resident in Byron Shire	3356539
May 07 21 06:18:32 pm	BLOODY DONT NEED ANYMORE CANDLES AND SHIITY FOOT RUBS	BLOODY TO MANY CARS FOR A BUSY LITTLE SHIT TOWN XX	Yes	Unsure	Resident in Byron Shire	3356561

May 07 21 06:22:25 pm	Don't like it	Don't like it	No	No	Resident in the Byron town centre	3356577
May 07 21 06:46:44 pm	Will the proposed site have room for 300 stallholders plus cars that need to be onsite? (some stallholders need their cars next to their stalls). The site looks quite disjointed, and some stallholders, who are positioned in the tucked away parts of the site, will miss out on trade. It also puts the market in direct competition with the shops and cafes in Byron CBD. The CBD is busy enough without the markets - better to keep them separate.	The current location has been excellent for stallholders, trade has been markedly better than when the markets were at Butler St. It is a pleasant site to walk around, and there are no 'bad' positions for stalls.	No	Unsure	Resident in Byron Shire	3356628
May 07 21 07:08:18 pm	I don't understand why Butler St reserve can't be "fixed" and that improved ant that area used. The proposed footprint doesn't have any appeal to it. It just the unused railway land and isn't very nice	I don't think it should be on the beach front. The beach front is too unstable to have that amount of activity. And it also cuts of access to the beach. Which is why we live here.	No	Unsure	Resident in the Byron town centre	3356676
May 07 21 07:16:53 pm	I think it is great provided there is good access for all abilities	Butler st is really hot being In a low lying area with no breezes. Beachside is great location but parking can be tricky	Yes	Yes	Resident in Byron Shire	3356692
May 07 21 09:37:27 pm	Great idea	Needs more space and parking	Unsure	Yes	Regular visitor to the Byron Community Market	3356933
May 07 21 10:15:50 pm	I feel it is inappropriate to be closing OUR Main St to facilitate the markets at the expense of businesses in town who already pay high rents.	The beachfront is not the place for markets. Either back to Butler St or out to the Cavanbah Centre where the farmers markets are.	No	No	Resident in Byron Shire	3356984
May 08 21 03:04:29 am	Completely ridiculous. Stakeholders need to have vehicular access near to them. Why not use the Butler street reserve as before?	The foreshore area is in a very perilous position. And for long term I think the Butler st. reserve would be the best alternative. If the future use of the reserve is awaiting the outcome of site investigations the overall decision should wait until, those decisions have been made. The master plane must be amended to suit the situation.	Yes	No	Resident in Byron Shire	3357119
May 08 21 07:40:11 am	It is a terrible idea for local businesses to close a part of Johnson street on busy market days. The current seafront location is far better and less impactful on traffic.	I think current location is the best choice. It is pleasant and does not block any road	No	No	Local business in Byron Bay	3357281
May 08 21 11:58:51 am	You have got to be kidding. Markets at Cavanbah Centre not in town.	Should not be on foreshore. Get it out to cavanbah centre	No	No		3357809
May 08 21 12:40:37 pm	I am against this. Adding to congestion and benefitting tourists at the Expense to locals and shop owners. Only ones who profit are mostly non local marketers. What do they contribute to the town	Ridiculous. Adding to congestion	No	No	Resident in Byron Shire	3357880
May 08 21 02:47:25 pm	Am concerned about access to the Tourist Information Centre which is open all day Saturday	Market at Main Beach appears to be well attended and parking is much easier than at the proposed site in Railway Square	No	Yes	Local business in Byron Bay	3358085
May 09 21 03:21:24 pm	the best option is when stallholders can have their car at their stall	Main beach is for the artisan market. They have been lost in the melee and shoppers losing the distinction, expecting monthly markets prices for handmade craftsmanship and art.	Yes	Yes		3360030
May 09 21 06:31:08 pm	Do NOT close the bloody main street	The foreshore is crumbling and collapsing so the sooner the market is moved the better	Unsure	No	Resident in the Byron town centre	3360493
May 10 21 01:50:57 pm	No	Would rather no market on the foreshore or Butler St reserve. Love the idea that it is in the rail corridor or at the Cavanba centre.	Yes	Yes	Resident in Byron Shire	3362650

Are you a...?	
May 10 21 10:35:28 pm	I think it is a good location, the road closures would create a very likeable atmosphere enhancing the community and small town feel.	The erosion at main beach is far too drastic to risk any further damage from pedestrian activity.	Yes	Yes	Resident in the Byron town centre	3364249
May 11 21 09:27:02 am	I support 'cars out people in' but I think inevitably people will still drive and require parking for the market. Butler Street park could be a great spot for parking and an easy walk into town.		Yes	Yes	Resident in Byron Shire	3364843
May 11 21 05:06:30 pm	This is ridiculous! As a local business owner already struggling we do not need more disruption! The market is great in the beach front as it is with lots of parking and a cool breeze! Leave us alone, we need the roads so our customers can get to us! Stop trying to destroy local businesses!	Yes! The current location is fantastic! Lots of parking, cool breeze and great for everyone! Do not move it!	No	No	Local business in Byron Bay	3366518
May 12 21 09:24:42 am	Placing the market in the heart of Byron's retail precinct will negatively effect retail outlets who already face significant challenges to continue operating. Existing businesses add to the vibrancy and heart of Byron and should be supported to operate as a priority. In the past 12 months we have had to endure cease of trade due to the pandemic, increased rent prices and continued snap lock downs. Putting the markets up against our usual trade could be the final straw. Support	Market days already effect our trade at these locations.	No	No	Local business in Byron Bay	3367785
May 12 21 10:08:46 am	This is a poorly planned as project as when rail services resume through this part of the corridor, what allowances have been made for trains passing through.	It should stay there.	No	Yes	Regular visitor to the Byron Community Market	3367883
May 12 21 12:50:56 pm	It would promote the markets to tourists more.	Butler Street a bit off the main track of the usual tourist and local. Enjoyed the Main Beach location more. Often just popped in cause we were down the beach.	Unsure	No	Resident in the Byron town centre	3368352
May 12 21 02:16:59 pm	what a brilliant idea	it's not sustainable and should not be permanent	Yes	Yes	Local business in Byron Bay	3368670
May 12 21 02:38:52 pm	should be very functional and create a great market	Butler st reserve is a very difficult site as it is on an old tip - much better suited to parking. Main Beach foreshore is lovely but restricted in many ways.	Yes	Yes		3368745
May 12 21 03:05:57 pm	I think its a great idea to locate it where you suggest.	It impacts beach goers and access to the beach too much for it to stay there.	Yes	Yes	Resident in the Byron town centre	3368828
May 12 21 03:09:38 pm	Do Not Close off Jonson Street!!	Should never have been relocated to the Beach Front, should have gone to Cavenbah	Yes	No	Resident in the Byron town centre	3368840
May 12 21 03:11:54 pm	I think it will cause traffic chaos in the proposed area. The town centre is not a good location unless Butler Street reserve is used a a free parking area.	Both of the previous locations are good. The old Butler Street reserve is best.	No	Yes	Resident in Byron Shire	3368846
May 12 21 03:18:13 pm	The location she's sense		Yes	Yes	Resident in Byron Shire	3368863
May 12 21 03:18:32 pm	Where are all the people going to park?	Get rid of the market completely	No	No	Resident in Byron Shire	3368867
May 12 21 03:20:43 pm	It will add too much congestion to an already busy area and will impact the retail stores in the area having to close some of the roads.	I think where it is currently on the main beach is a great location.	No	No	Resident in Byron Shire	3368875

May 12 21 03:23:20 pm	looks a suitable location	grossly environmentally irresponsible site at Main Beach	Yes	Yes	Resident in Byron Shire	3368879
May 12 21 03:23:33 pm	Love it	Great	Yes	Yes	Resident in Byron Shire	3368880
May 12 21 03:23:58 pm	Looks fine.	Creates traffic chaos.	Yes	Yes	Resident in the Byron town centre	3368883
May 12 21 03:27:20 pm	Enough! Byron Community Market should be returned to Butler Street Reserve as soon as possible. Thereafter it should be allowed to call the reserve it's permanent home. Consultation with stallholders has long been lacking honesty and transparency of intent from both the Community Centre and from Byron Council staff and councillors, an absolutely appalling state of affairs for a place that boasts of it's supposed openness and upfront honesty relating to such matters!	To repeat... Byron Community Market should be returned to Butler Street Reserve as soon as possible. Thereafter it should be allowed to call the reserve it's permanent home. Consultation with stallholders has long been lacking honesty and transparency of intent from both the Community Centre and from Byron Council staff and councillors, an absolutely appalling state of affairs for a place that boasts of it's supposed openness and upfront honesty relating to such matters!	No	Unsure		3368894
May 12 21 03:30:29 pm	This is a better option for the markets get them away from our foreshore or out to sports fields	The market needs to move ASAP. With our beach foreshore so damaged they have to relocate and stop any impact. These marketeers are driving their vehicles on to such a delicate area that must be preserved NOW	Yes	Yes	Resident in Byron Shire	3368902
May 12 21 03:37:19 pm		Leave the markets at their current site on the main beach foreshore .	No	No		3368920
May 12 21 03:44:34 pm	This is a rail corridor and should be used as such. If the council are going to stop trains returning by stealth then they need to be open and honest.	People go to Byron for the Beach. The foreshore is the best place for the markets.	No	Yes	Resident in Byron Shire	3368938
May 12 21 03:45:05 pm	As a former market stallholder of 20 years I imagine this site will cause stallholders plenty of headaches regarding unloading and loading of stall gear. I am still slightly worried as to why the Butler st site that has served the community as a safe and reliable market site for over 20 years is now suddenly "on the nose" health-wise. My concerns are that there are plans to use this open public space for car-parking in a big way, why otherwise would the market not revert to it original site as was indicated in 2019? Why is the site awaiting the outcome of investigations...and if it is, why not wait until those results are known...why the rush?	This was never the appropriate place for the market, the damage to the already ravaged dune and foreshore are is totally unneeded.	Yes	Yes	Resident in the Byron town centre	3368941
May 12 21 03:45:28 pm	It's a stupid idea.	Leave it where it is	No	No	Stall holder	3368943
May 12 21 03:46:40 pm	It looks good. Managing cars parked overnight in the car park might be problematic.	The foreshore market is too scattered and is difficult to navigate.	Yes	Yes	Resident in Byron Shire	3368951
May 12 21 03:57:32 pm	I don't believe roads should be closed for the purpose of any traders ( market stall or otherwise )	I think that it is an inappropriate location, disrupting public parking and cluttering the beautiful foreshore. I don't believe the Market should be located in the middle of an already congested area. Somewhere on the fringes of the town would be more appropriate.		No	Local business in Byron Bay	3368980
May 12 21 04:02:34 pm	Please dont overlook the weekly market that FEEDS us and provides genuine jobs for locals every week... bring them back into Byron Bay, please.	Please move our WEEKLY Markets back into the town! The damage to the enviroment with unnecessary waste of fuel for us Byron Residents to have to drive to a Cavanbah Car park is totally against all Byron Bay is trying to stand for. We can walk or cycle [or if car-bound] drive a shorter distance to the old grassy peaceful location now opposite the "bus interchange"...	Yes	Yes	Resident in the Byron town centre	3368994

May 12 21 04:06:36 pm	It is great and would be nice to see cars eliminated from Jonson st in general from Lawson st to Kingsley st to make Byron town centre people and pedestrian focused as is the plan and works well in all Europe. The addition of free mini buses on market day may help reduce traffic as would an entrance into Woolworths car park from behind rather than Jonson st. Additional parking lots along butler st may also help to reduce traffic and keep it away from the town centre but not ones that take up space but rather go down underground as well as up to 2 storeys above so as to minimise the footprint. Promoting bikes and motorbikes (free parking for motorbikes) over cars and a connected OFF ROAD cycle path throughout Byron and nearby towns (especially those that can be connected via a cycle path along the rail corridor eg bangalow which would make the monthly market a spectacular day out with amazing views to cycle to) is a must to get families and in particular kids and older ages back on bikes without having to share with cars and completely avoid the possibility of being hit by a vehicle whilst commuting. As seen all over Europe and a key to reducing traffic.	It is not sustainable for the environment on main beach. Butler reserve is a good location.	Yes	Yes	Resident in Byron Shire	3369002
May 12 21 04:16:12 pm	It looks good to me	I liked the Butler Street location but have always wanted Byron to be a walking street with no cars so fully support the move into town	Yes	Yes	Resident in Byron Shire	3369023
May 12 21 04:17:13 pm	It's awkward	There isn't enough sun shelter	No	Yes	Resident in Byron Shire	3369027
May 12 21 04:23:05 pm	Leave it at the beachfront	Leave it at the beachfront. Tress and shade. Cool breezes. Central town will be hot as hell.	No	Yes	Resident in the Byron town centre	3369045
May 12 21 04:39:03 pm	it's interesting. It could be ok. But I feel that the need for grass, green and shade is always very big, most of all in summer and that the proposed footprint can offer that in some areas, but not much at all in others, which can make it unfair or strange, at least. The railway Park is a ridiculously small area to even contemplate moving the market from its present agreeable location on the foreshore.	I personally don't enjoy the beach front, being all one long lane and I feel the need to protect and plant that grassy area, as the erosion is progressing and council is not prepare to dredge some sand over. So I'm a no for the beach front. Butler st reserve is the ideal location if we allow more trees to grow and find a way to maintain the grass, as the dust from the little gravel is not pleasant at all. The main beach foreshore is a wonderful location and most locals, like myself, enjoy wandering round all the lovely stalls. It's easy to walk or bike to from any part of town. I'm not convinced by your argument of the "environmental impact" on this site.	Yes	Yes	Resident in Byron Shire	3369095
May 12 21 05:05:10 pm	There is insufficient space for the market holders, the added traffic will add to congestion in the town centre and I fail to see how the stall holders will be able to set up their stalls with their cars/vans parked WHERE precisely? Perhaps they will be expected to cart their wares/stock from 100s of metres away? It's unlikely they will find a parking space close by. It is a ludicrous idea to relocate to Railway Park, which has hardly enough space to accommodate the tiny Twilight market.  What on earth are you thinking? If you are seriously trying to protect the foreshore then why not close down the beachfront car park outside Fishheads and move the market there. It's already asphalted and well-polluted so the market won't have any impact on an already ruined site, which should NOT be used as a parking lot anyway!! Close the other vast beachfront car park on the OTHER side of the foreshore market and old it there. Surely it can't be difficult to shut down these carparks for ONE day a month?	Are you not planning a massive multi-story car park almost dead centre of town near Wicked Weasel and Mitre 10? Have you thought about the environmental impact, not to mention an unforgivable retrograde junk-heap this will cause to Byron Bay? A high rise multi level parking eyesore virtually in the centre of town and you bleat about the "environmental impact" of a harmless market held once a month in a lovely location? Give me a break!  The Butler Street Reserve was also a super venue, but it's been put to better use with the By-Pass and bus station of which I heartily approve. A far more sensible relocation of the Market would be to the Cavanbah Centre, if it is really necessary.  Mark my words, if this council attempts to rezone 158 Johnson Street to permit a multi-story car park you will have a resident sit on your hands.	No	Yes	Resident in the Byron town centre	3369179
May 12 21 05:10:03 pm	It takes away so many car parks which are already hard enough to find on a weekend. There are also businesses that get deliveries via the car park on a Sunday.	Main Beach worked pretty well. I can't see Butler Street being a safe option now that it has so much traffic.	No	No	Local business in Byron Bay	3369200
May 12 21 05:10:18 pm	dont like it	refer it stay at main beach	No	No	Resident in Byron Shire	3369201
May 12 21 05:26:46 pm	Its an excellent use of space	There are a number of issues. 1. the market creates too much congestion on the beach front. 2. the market vehicles driving along the walkway during setup is dangerous to pedestrians 3. the stall holders cause damage to a fragile grass/sand area in Denning Park	Yes	Yes	Resident in Byron Shire	3369243

May 12 21 05:32:19 pm	What about the original location which was good? The new location is also good. What about the farmer's market? That should be in the same place	Butler St was a much better location particularly with the erosion issues on the foreshore	Yes	Yes	Resident in the Byron town centre	3369253
May 12 21 05:36:48 pm	I think it is a great idea for the markets to be in the main street bringing the town alive with activity and no cars.	Butler St reserve was a dusty, polluted, potholed, treeless environment for the market stallholders and patrons. A huge effort goes into organising and participating in this market and there is little place to relax, shop and enjoy.	Yes	Yes		3369265
May 12 21 05:40:14 pm	If it can't be at Butler St, this is a good second choice	Don't like it along Main Beach, too hard to walk through Much prefer Butler St	Yes	Yes	Resident in the Byron town centre	3369281
May 12 21 05:46:42 pm	I feel its a good idea... however stallholders need car access on market day...	Its unsustainable and needs to be relocated. Butler street would require some re vegetating as it was hot and dirty previously...	Yes	Yes	Stall holder	3369305
May 12 21 06:26:05 pm	This is an excellent idea, this action makes the market more accessible to locals and also brings more visitors to the local shops.	During the weekend families and tourists want to experience Byron and the amazing walk to the lighthouse. This area is part of the walk and the market just make it very confusing.	Yes	Yes	Resident in the Byron town centre	3369378
May 12 21 06:48:00 pm			Yes	Yes	Resident in the Byron town centre	3369413
May 12 21 07:03:11 pm	Great		Yes	Yes	Resident in Byron Shire	3369448
May 12 21 07:07:43 pm	Amazing idea	Don't use them for markets	Yes	Yes	Resident in Byron Shire	3369455
May 12 21 07:21:55 pm	I think it could be a good idea. Just wondering where stall holders will park their cars?	I think the beach front market congests the town too much	Yes	Unsure	Resident in Byron Shire	3369476
May 12 21 07:46:58 pm	Looks great	Butler street reserve also works well. But I do see benefit to the town to have it at the Railway park - it would be great for local business	Yes	Yes	Resident in the Byron town centre	3369521
May 12 21 08:42:02 pm	Looks good	Totally inappropriate at Main Beach. Butler Street Reserve is suitable	Yes	Yes	Resident in Byron Shire	3369641
May 12 21 09:57:52 pm	I believe that the footprint is a very negative one and I don't support it at all. Closing part of Jonson street for an entire day (12 hours!) once a month is unreasonable on the community, many of whom don't even go to the markets. It will really impact negatively on community amenity. It will prevent smooth transiting through the CBD. It will make it hard to access existing stores on Jonson street. It will push cars through the roundabouts causing gridlock congestion. It will make it harder for people to get to other locations near the CBD such as the beach. Taking away that much car parking will also negatively impact community access to the CBD & surrounds. It is an all round bad idea with little benefit for the community of Byron Bay. Please do not do this	I feel that the current location is a better option and gives some cultural ascetic to the market. It is out of the main centre and has enough of its own car parking along Lawson St that it does not really impact people not interested in the market. It doesn't cause too much traffic congestion and other cars can drive by easily.  The old location at Butler St caused a traffic nightmare. This is also true of when the farmers market was held there. The Farmers Market has successfully moved to the Cavanbah Centre. Why can't the monthly market move out to Cavanbah as well?	No	No	Resident in the Byron town centre	3369817
May 12 21 10:15:16 pm	Great idea. However, the monthly market is mainly for tourists. I am more interested in the relocation of the weekly Thursday market which needs to be relocated to town. Either Railway Park or Butler Reserve would be fine. Please bring a produce market back to town.	Either would be fine. However, the monthly market is mainly for tourists. I am more interested in the relocation of the weekly Thursday market which needs to be relocated to town. Either Railway Park or Butler Reserve would be fine. Please bring a produce market back to town.	Unsure	Yes	Resident in the Byron town centre	3369863

May 12 21 11:01:24 pm	Retain/maintain the rails, extend solar train down to the roadhouse near suffolk	No feedback	Unsure	Yes	Regular visitor to the Byron Community Market	3369933
May 12 21 11:59:30 pm	I think it is another one of the councils Ridiculous and TERRIBLE ideas. Even considering closing down Johnston St when the town already can't service the amount of traffic using the streets as either a thoroughfare or the amount of cars requiring parking, is absolutely mind boggling and makes wonder what the hell who ever proposed this idea is smoking???? Closing down this area and making it more difficult for vehicles to access the shops that are serviced by Johnston St or are located on Johnston St will mean loss of business revenue for them. It is an inconvenience for working locals, who might only be able to get into town on the weekend to do their shopping and have to navigate around a closed street, somehow be able to find a park where parking in an area which already doesn't have enough parking to service busy times, will be even LESS and then have to somehow get their shopping back to their vehicle. It will create more congestion in an already congested area. Seriously, I can't believe this even being considered.	It seems to work fine but you have to walk a long way to see stalls if there's a lot of stalls on market day. It was easier to see what was there when it was more grid like at Butler st.	No	No	Resident in Byron Shire	3369972
May 13 21 12:57:15 am	It would be interesting to find the real reason why council is so hellbent on using butler Reserve for future development .	Butler reserve was perfectly well suited for over thirty years as a market site... But now that bigmoney has come to town this has become prime realestate so have a guess what will happen next...	No	No	Regular visitor to the Byron Community Market	3369985
May 13 21 06:08:09 am	It will be wonderful	I like the market by the beach but as long as it's in Byron and not at the awful soulless Cavanbah centre I approve!	Yes	Yes	Resident in Byron Shire	3370064
May 13 21 06:52:22 am	Why does the Council support markets and not the shop keepers who pay some of the highest rents in Australia to operate in the CBD? It doesn't matter where the market is sited, it will cause traffic and parking chaos. Every town that holds markets has the problem of congestion and Byron Bay is worse because of the tourist syndrome, the town is always congested, keep the market away from the CBD.	Madness to have the market at the foreshore, the dunes are under threat from nature, bringing dopey market people to the foreshore is insane.	No	No	Resident in the Byron town centre	3370105
May 13 21 08:42:11 am	Will be awesome, bring more atmosphere into town - as long as Butler Street can be utilised for parking		Yes	Yes		3370312
May 13 21 09:09:38 am	The market won't work in the narrow rail area in front of the station. It will be difficult to load and unload if there is no vehicle access directly to the rail corridor areas. Market stall owners are ageing and need to at least be able to drive to their site. Market stalls on the tarmac can get very hot in summer as has been experienced at the farmers market at the Cav Centre.	Both sites have their good and bad points depending on where a stall is located and the nature of that stalls business.	Yes	Yes		3370394
May 13 21 11:22:57 am	It seems quite scattered, with areas that won't get much foot traffic.	Butler street reserve always seemed dodgy. Too hot (no airflow), too dusty, too far away from town center so it would go unnoticed by many. The foreshore location had been great. Amazing scenery, great airflow, lots of organic foot traffic. It really seems ideal to me.	No	Yes	Stall holder	3370955
May 13 21 11:50:34 am		I love that the market is on the beachfront but I understand that it is not sustainable for the land. I do not and have never liked the Butler st location as it is too hot, dusty and with a confusing traffic flow. I love the idea of having the market in the town centre. That will allow for the visitors to park on Butler, and the locals to access the market from town.	Yes	Yes	Stall holder	3371090
May 13 21 01:41:12 pm	Love it!	No plan is the best. Beach second best	Yes	Yes	Resident in the Byron town centre	3371731
May 13 21 01:46:23 pm		Butler street reserve too dusty, main beach the market is too polluting. I think the town idea is lovely	Yes	Yes	Regular visitor to the Byron Community Market	3371763
May 13 21 01:46:47 pm	I like it! Get it away from our valuable sand dunes Allow the big swim to be held with its markets besides the surf club. More centrally located Makes more use of Railway Park	It was OK temporarily and as a treat on special occasions but not as a permanent structure for reasons above.	Yes	Yes	Resident in Byron Shire	3371766

May 13 21 01:49:33 pm	No	As a stall holder, I absolutely love the beachfront venue for the market. It is a beautiful relaxed atmosphere with easy access for all and plenty of opportunities to park and shop.	No	Yes	Stall holder	3371784
May 13 21 02:23:19 pm	I think it would be good to move the markets to this new location on a trial basis first to see how well it works	No	Yes	Yes	Resident in Byron Shire	3372018
May 13 21 03:27:44 pm	Parking nearby essential. If there are no nearby parks I won't bother going! Often need to carry purchases. Has the Can't cavanbah centre car park been considered..? where the produce markets are held! Easier for out of town residents to access.	Little parking.	No	No	Resident in Byron Shire	3372364
May 13 21 04:16:08 pm	I think is ideal and central therefore easily accessible	the main beach could get very windy and Butler Street very hot because of a lack of shade	Yes	Yes	Resident in Byron Shire	3372582
May 13 21 05:33:52 pm	If this was to proceed I would not venture into Byron on market day	Main beach location has no shade and the footpath is not wide enough to comfortably cater for the crowds Butler street reserve is a no brainer!	No	Unsure	Resident in Byron Shire	3372971
May 13 21 06:55:24 pm	ABSOLUTELY RIDICULOUS	The current site is perfect. Moving them to create congestion and chaos in town should not even be an option.  The whole reason for the bypass was to have more opportunity for traffic flow. This insidious proposal It must move from the main Beach foreshore , whilst it is beautiful location for the market it it not so for the environment. It's also an unpleasant market to walk through especially when it's crowded. I don't think all the stall holders have equal access the the customers because of the Long Walk through and the crowds.	No	No	Resident in the Byron town centre	3373353
May 13 21 07:35:51 pm	It looks in principal a good solution.	Butler street suited the markets needs for many years. The beach front is too sensitive area for a long term solution.	Yes	Yes	Stall holder	3373560
May 13 21 07:55:35 pm	Yes there is limited car access for unloading and set up. After 30 years of doing markets it would be near impossible for me to set up carrying my stuff for a distance from my vehicle. And I am an extremely fit healthy person. If this proposal goes ahead I will be forced to stop doing markets.	Butler street suited the markets needs for many years. The beach front is too sensitive area for a long term solution.	No	Yes	Stall holder	3373634
May 13 21 08:22:03 pm	would only be concerned for those climbable trees at railway park	I think going back to Butler st would be great. Especially if the reserve has been upgraded with some more shade.	Unsure	No	Local business in Byron Bay	3373752
May 13 21 08:34:52 pm	Not enough space in railway park. Think eventually jonson St from Marvel St to Lawson St will become a mall space for stallholders. Eventually I think this may be a mall like rundal mall in Adelaide.	Not the best space. Adequate for the moment but really in the way of beach goers and tourists in general. What needs to be taken into account is parking.	Yes	Unsure	Resident in the Byron town centre	3373794
May 13 21 08:37:04 pm	Being stall holders in our 70's and having done the markets for nearly 40 years we would only be able to do this market if we can have our car on site.	Love the market on the foreshore and feedback from our customers is that they love it too. Cannot see what environmental damage has been done by the markets. the Butler Street reserve should be a car park - not suitable for both market and car park - too hot and dusty with no shade	No	Yes	Stall holder	3373806
May 13 21 08:59:49 pm	I like the idea of this location. Would stall holders vehicles be on site or elsewhere?	Foreshore: good- all stalls are equally visible, Access is excellent, Vehicles on site. Butler st: not good - set up pack up slow process, amenities too far away.	Yes	Yes	Stall holder	3373916
May 13 21 09:14:02 pm	The new mitre ten bypass has served the town well. For the first time in twenty or thirtyyears we can drive through town in a passive Byron Bay safe and simple manner and find a park near our shop or two we intend to visit, then move on. We need parking, shops need deliveries. We are not all young. We are not all going to the markets every week. We live here. We aren't just visiting looking for events. Hurry up and simply return the markets to butler st reserve and restore the original atmosphere of a market that people adore by leaving it as it used to be.	I feel pretty certain that the markets began in Butler St. It's a great place for them. The beach front is busy with beach life, so I prefer Butler Street Reserve as the only location.	No	No	Resident in Byron Shire	3373971

May 13 21 09:35:36 pm			Yes	Yes	Resident in Byron Shire	3374050
May 13 21 09:38:46 pm	Great Location	The main beach foreshore is a much more sensitive environmental location	Yes	Yes	Local business in Byron Bay	3374058
May 13 21 09:39:01 pm	I am happy with it. Think it will be a great asset	Butler Street was too hard to get to, as I don't drive. The beach was cramped, not spacious enough.	Yes	Yes		3374059
May 13 21 10:31:16 pm	Not fair for retailers or traffic	Beach is great	No	No	Resident in Byron Shire	3374218
May 14 21 06:58:48 am	Yes it is not fair on anyone needing to be in town that day especially if you are elderly or disabled. There is no sufficient parking to accommodate all the people visiting plus people who need to park ( after 6am when all the parks are filled) at 10 to go to work	Yes it's damaging to the foreshore. Move it to the cavanbah centre car park	No	No	Resident in Byron Shire	3374624
May 14 21 08:14:03 am	I believe the concept is not a good idea as it will block main roads and will also lessen the availability of parking for people coming for a day trip or driving into town.	Main Beach markets had a much nicer vibe compared to butler Street reserve and does not impact parking or access to streets in town.	No	No	Regular visitor to the Byron Community Market	3374870
May 14 21 08:25:05 am	I'm not keen on the location chosen due to the proposed closing of parts of Johnson Street during the market operating times.	I think the current market location works well	Yes	Yes	Resident in Byron Shire	3374910
May 14 21 08:49:12 am	Great idea	Prefer current location over Butler St reserve	Yes	Yes	Resident in Byron Shire	3374996
May 14 21 09:16:40 am	I think Railway Park is too small for the markets. Railway Park has just been upgraded and I'm not sure it would withstand all the foot traffic. Where will market visitors park? Where will the stallholders park, if the car park is also used for the stalls?	I prefer the Butler Street Reserve location for the monthly Sunday market. It is large enough, and there is plenty of parking for visitors and stall holders.	No	Yes	Resident in Byron Shire	3375096
May 14 21 09:32:42 am	Concerned about parking for stall holders that need their car on site. Doesn't appear to have enough room for the number of stalls that already have their cars onsite and will continue to need to. It is too close to the town shops which will take customers away from the market. Food & coffee stalls will be in direct competition with town restaurants and cafes. This is terrible for the market stall holders. Some separation is needed. Would prefer to go back to butler st if we can't remain at the beach front	The market is working very well on the foreshore but there are environmental concerns about dune erosion. Butler st reserve is very practical but less has less ambiance but preferable to railway park	No	Yes	Stall holder	3375146
May 14 21 09:53:30 am	Yes, I think its a good idea	Its environmentally sensitive and takes business away from the town	Yes	Yes	Local business in Byron Bay	3375251
May 14 21 10:09:46 am	NO	The current location is much more suitable for the 'Byron' Community Market. All the tourists say so, the beautiful beach is what Byron is best known for and it brings a little bit of the Bohemian Byron back into town for the tourists to experience. This is the last bit of the old character of Byron that is still left and it should be front and center of the tourists experience. You don't see Surfers Paradise or Coolangatta relegating their markets to the back end of things. It's	No	Yes	Local business in Byron Bay	3375308
May 14 21 10:12:55 am	There will be a lot of GOOD and more concerning BAD stall locations. Everyone would not go past every stall holder which is a concern.	Main beach every stall is good location.	Unsure	Yes	Stall holder	3375319

May 14 21 10:19:03 am	I am a local resident and a stall holder ,I think the Jonson st area will be too hot in the warmer months	I think its. nice location but the trees are suffering, she oaks are vulnerable and the Banksias hate movement in what's happening around them. Butler St is a good location but it was dirty and dusty if its looked after is an awesome location	Yes	Yes	Stall holder	3375349
May 14 21 10:45:29 am	Butler Street Reserve is the preferred option. 40 years no problems. Byron Shire Council needs to spend some of the thousands of dollars they have collected over 40 years to make the Reserve an Oasis.	Butler Street Reserve is the best option.	No	No	Stall holder	3375459
May 14 21 10:45:36 am	Love it!	I think this proposed new location trumps both the old butler st location as well as the current foreshore location as it addresses the parking issues and will also benefit the stores in town by bringing more people into the centre of town	Yes	Yes	Stall holder	3375460
May 14 21 10:45:56 am		GREAT LOCATION WORKS FOR EVERYONE TOURISTS STALL HOLDERS LOCALS	No	Unsure	Resident in the Byron town centre	3375461
May 14 21 10:49:04 am	no	no	Yes	Yes	Stall holder	3375476
May 14 21 10:55:24 am	Can stall holders have there cars behind their stall	Market at beach is good	Yes	Yes	Stall holder	3375500
May 14 21 10:58:00 am	i think it would be great , it has the potential to become one of the most iconic markets in australia if presented correctly	it seems ludicrous to me to hold a market in the towns parking space. most of my customers when we're at the butler street site have no where to park and are under a strict time constraint so can't linger in the market shopping. the butler street market changed immensely when timed paid parking came into play. I'm concerned about cars not being allowed in the centre as it will disrupt the local businesses who	Yes	Unsure	Stall holder	3375515
May 14 21 11:04:42 am	It looks like a good idea, but not sure how easy it will be to unload.	The current location on the foreshore is the best option and in my (and most other stallholders and customers) the natural obvious location of the market. I have been attending the Gold coast Arts and Craft markets for over 21 years and they also work very well on the foreshores of Coolangatta, Broadbeach and Burley heads, I find it very hard to understand that we cannot stay there, since it seems to be working very well. I dread to go back to Butler street reserve, it is not a nice site for the	Unsure	Yes	Stall holder	3375551
May 14 21 11:15:43 am	As a stallholder who needs a car site, I'm concerned about these being available if it's a "car-free" day. Otherwise, all good.	As a stallholder, foreshore has been far better financially.	Yes	Unsure	Stall holder	3375604
May 14 21 11:23:23 am	Id say close to 100% of stallholders will require car access to their site to unload/load as a priority.	Main Beach Foreshore is best place for market, this is the feedback I have received as a stall holder from patrons and community. Butler st was a dustbowl with little atmosphere.	No	Yes	Stall holder	3375638
May 14 21 11:23:37 am	Good	Both were good	Yes	Yes		3375642
May 14 21 11:27:40 am	No	best location for the market is beach front (once a month Only )	No	Yes	Stall holder	3375666
May 14 21 11:38:46 am			Yes	Yes	Stall holder	3375711
May 14 21 11:50:45 am	I like the idea of the markets being located in the centre of town. it will bring aa strong local flavour and atmosphere to the town centre	The beach front is an exceptional place for the market. It would be my personal preference for the permanent location, as the location does not interrupt any normal business operations, and has easy access for all visitors to the markets.	No	Yes	Stall holder	3375771

May 14 21 12:05:53 pm	Great spot!	It's sadly not sustainable at the beach and there is no parking if it goes back to butler Street	Yes	Yes	Resident in Byron Shire	3375834
May 14 21 12:08:58 pm	this is not a suitable place for market. stall holders need to be able to drive in to unload for the markets carrying gazebos and stock on to there site are a problem for the large stall and food vans need to drive in to set up there stalls. this area should be used for relaxing maybe using it for local artist to do work shops with holiday makers or small concerts or plays	butler st is the best place easy for market stall holders to unload and have parking close by so they can return to there site as quickly as they can customers are able to walk round. more space people are spread out over all the rows not just on a straight foot path like the beach front which is harder to do social distancing. it also keeps car traffic away from the main streets beach front is not suitable for such a large market the walking distance for customers is to long not all customers walk the whole distance so stalls may miss out on sales because they don't see them. the	No	Yes	Stall holder	3375842
May 14 21 12:57:19 pm	looks ok	can parks are very hot and dirty areas	Yes	Unsure	Stall holder	3376027
May 14 21 01:02:28 pm	I'd be interested to know if the location will have more trees as the butler st location was always very hot.	I like the current location on the beachside	Yes	Yes	Stall holder	3376044
May 14 21 01:03:43 pm	Think is a great opportunity	The beach front gave byron market an genuine identity of a beach town market.	Unsure	Yes	Stall holder	3376046
May 14 21 01:04:57 pm	I was wondering how cars will get in and out of the area.	If we cant stay along the foreshore I think Butler street is the better option than railway park	No	No	Stall holder	3376052

May 14 21 01:16:23 pm			Yes	Yes	Stall holder	3376107
May 14 21 01:33:13 pm	It looks like a great proposal!		Yes	Yes	Stall holder	3376166
May 14 21 01:41:30 pm	I can't setup on a road and gutter need a level piece of land	Prefer Main beach then butler street where everyone gets a fair location	Unsure	Unsure	Stall holder	3376196
May 14 21 01:42:04 pm			No	No	Resident in Byron Shire	3376199
May 14 21 02:12:35 pm	Why include Jonson Street? How will arrivals or departues at and from access the bus terminal or town? Ae they expected to walk through the market? Where is parking as this footprint deletes dozens and dozens of car park?	Parking is/was a problem at either Main Beach or Butler St locations.	Unsure	No	Local business in Byron Bay	3376320
May 14 21 02:35:48 pm	I understand that the market needs to move and a Move into town would Be very convenient and allow a lot more foot traffic. Car parking in Butler St is a good idea n assume that no vehicles Will be allowed at any stalls. Butler St was Also a very hot venue in summer so not sure if the railway area will Be any better. For food vendors the beach front has been good for shade.	Beach front has Been good for shade n easy access for stallholders. Also easy exit after the day. I hv found there is quite a lot of foot traffic but not necessarily stopping to shop, instead using the path to get along the beach during High tide. So in town wld Provide I think more of a destination for shoppers to come to. Also by breaking up the market into separate areas is more interesting than one long line of stalls.	Yes	Yes	Stall holder	3376418

May 14 21 02:47:06 pm	I think it's a great idea to have it around Rail Park. It will be lovely to be part of the town.	Main Beach shouldn't be permanent location, as ecologically is not good for the sand dunes and the little critters that live there. Butler St reserve is not the right one either.	Yes	Yes	Stall holder	3376456
May 14 21 02:57:57 pm	It's an excellent location integrates the market into the town . Providing a vibrant feel to market day , music buskers colourful stalls it will be good for the towns retailers . As the crowd overflows into the Main Street shopping area , a much better look for Byron bay on market day .	Beach side is good !! The previous location big and uninteresting just a grid No shade . Very much a big seperate entity in as far as integrating it into Byron goes	Yes	Yes	Stall holder	3376491
May 14 21 03:19:00 pm		the current foreshore location ensures everyone has an equally prime location. Very easy for customers to see everything. with the ocean as a backdrop the market is very well received by our many interstate visitors.	No	Yes	Stall holder	3376558
May 14 21 03:19:42 pm	I thought we were going to use that back carpark too behind MainStreet	Main Beach is unstable for cars and Butler St is toxic	Yes	Yes	Stall holder	3376560
May 14 21 05:44:08 pm	too small an area of markets	Needs to remain at the main beach foreshore, takes cars away from the CBD, it has a great feel been near the beach & lots of room for people to walk around, then they can walk into town & the beach	No	No	Resident in Byron Shire	3377104
May 14 21 06:52:08 pm	Byron Markets needs a permanent home close to town and somewhere that works for the community. The markets provide livelihood for 100's of local people and are where many of the towns local businesses had their beginnings.	Fix the foreshore market space. Butler street was crown reserve - isn't it illegal to turn it into a car park.? This was the home of the market for so many years and it was a great use and appropriate for the markets. Council really needs to consult the market stall owners fully - after all it is their livelihood that will be affected.	Unsure	Yes	Resident in Byron Shire	3377300
May 14 21 07:26:29 pm	Better environmentally than the beach.		Yes	Yes	Stall holder	3377422
May 14 21 08:27:03 pm	Great idea		Yes	Yes	Resident in Byron Shire	3377617
May 14 21 08:52:44 pm	Having the market at the railway park will cause more traffic issues	My family and I have enjoyed the main beach foreshore market experience. I would prefer this as the byron markets permanent spot.	No	Unsure	Resident in the Byron town centre	3377678
May 14 21 08:54:02 pm	I think this would be wonderful!	I don't like the current location as it feels very spread out and can sometimes be very windy	Yes	Yes	Stall holder	3377682
May 14 21 09:07:25 pm	It looks great but negative impacts could be that it is spread out. If stalls do get enough space (as at the beach) it is a better spot than Butler St.	Beach is best. Butler St old site is not very good for many reasons and especially as it is a contaminated site and the market is more crammed.	Yes	Yes	Stall holder	3377719
May 15 21 06:48:18 am	I don't see how market cars are going to be able to drive in and unload, where the beachfront is easy	Both are good	No	No		3378144
May 15 21 07:12:44 am			Yes	Yes	Stall holder	3378183

May 15 21 07:32:20 am	The railway site would be far better for stall holders than Butler Street reserve.	Love having the market in the foreshore and think it's a pity it cannot stay there.	Yes	Yes	Stall holder	3378218
May 15 21 07:38:46 am	Not very market friendly	Butler street works reasonably well Beach work for smaller arts markets but not for larger market	No	Yes	Regular visitor to the Byron Community Market	3378227
May 15 21 08:16:17 am	The monthly Byron market and the Farmers market need to continue back at Butler street reserve. It's easy parking , more relaxed, and not increased traffic in the centre of town	Parking in town is terrible, you either get into town at 8am or just don't go.. I feel the markets should be at Bulter Street Reserve	No	No	Regular visitor to the Byron Community Market	3378304
May 15 21 08:44:29 am	I think it looks good, as the Twilight has been quite successful at the Park, it seems a good logical expansion for the Community Market. Does the footprint take stallholder car parking requirements into account?	I have been marketing with my partner for some of the period of the beach location, and while it has been a beautiful spot, my understanding is that the shoreline would eventually degrade from overuse. The parking has always been an interesting challenge.	Yes	Unsure		3378376
May 15 21 09:17:25 am		Both sites are good for the monthly market	Unsure	Yes	Stall holder	3378469
May 15 21 04:13:59 pm	Think it is a great idea	Beach market Better than at Buttlter reserve but in town would work well	Yes	Yes	Resident in the Byron town centre	3379233
May 15 21 04:58:44 pm	How will you stop an out of control driver going through the street?	Beachfront works, so why can't we stay?	Unsure	Yes	Stall holder	3379289
May 15 21 06:28:24 pm	The new layout is very scattered, there are some bad spots and some very good spots, I think customers would feel like it's a city back st market , not a beautiful beachside location. It's also unfair for shops that pay high rents. I don't think this would promote tourism, a market in town doesn't have the same quality as the beach front or Butler st, we're all stall holders have the same layout and bussiness opportunities. It's also going to be very hot on tarmac.	Tourists love the beach location, all my customers say how much cleaner and fresher it is at the beach location. The foreshore and grounds have been well looked after. I don't see why we couldn't stay there. Butler st gives stall holders a more evenly spread out location the new town location will not be evenly spread out , there are some blind spots in this map for stall holders and some very good spots, how they determine who gets which one is interesting. The town location will be extremely hot in the car park location for stall holders, and shoppers , also the back of the shops are not pleasant to view and shon near. I think the market would lose its relaxed feel and look more like a city back street My concern is long, single rows of stalls.	No	Yes	Stall holder	3379414
May 15 21 07:15:07 pm		As a stallholder, I have no sense of community at the current beach location. The set up- and my stall location has me in a single lane only. Part of my market experience over a decade has been the stallholder comradery and relationships built. Now I am unable to leave my stall because of its position, as no one can overlook my stall for security and I am very far away from toilets or food, so	Unsure	Yes	Stall holder	3379464
May 16 21 01:37:49 pm	Looks great!	having the BCM at Main Beach devalues the Beachside Makers Market leading to confusion of which market is actually on by customers and tourists	Yes	Yes	Stall holder	3380568
May 16 21 04:42:18 pm	Seems like a good idea, worth a try	Butler St seemed to be the "wrong side of the tracks", separated from the town. Bringing into town is a good idea. The beach side location was very pleasant, but its linear location on an already well used footpath/bike track was not suitable. It could have been OK if the path were perhaps 3 times wider. Current location could be improved with some sensible plantings. The old casuarnas are dying and no trees have been planted in Denning Park for decades. If the market were allowed to stay there , maybe the regular income could stimulate the council to improve the site to an international standard, which could include markets , but also more shade and trees that truly represent our coastal rainforest.	Yes	Yes	Resident in the Byron town centre	3380866
May 16 21 05:47:34 pm	Proposed footprint is not secured for permanent location of the markets , as it is a transport corridor and can be reclaimed in future for the transport needs of the growing town. Location is not attractive to the stallholders who prefer the more natural setting. Competing with the shops we often sell wholesale products to is not appealing to either of our businesses. The railway tracks nor Jonson Street are places we would like to trade and it is not in the spirit of our outdoor, nature loving market to be caged up on concrete or tracks ,commonly polluted with asbestos especially around the station grounds where the train brakes are applied.	The Butler Street location has been a sustainable location till the council decided to put a carpark there. The two are not compatible and never will be. The community had a proposed plan for the site which is compatible with POM and has been ignored by the council for about 13 years now. It does	Unsure	Unsure	Stall holder	3380972
May 17 21 09:48:58 am	I have concerns that parking will be affected by the temporary closure of the carpark behind Johnson Street	I like that current location at main beach because it has the proximity of the beach with better airflow and people flow.	No	Yes	Regular visitor to the Byron Community Market	3381889

May 17 21 10:49:00 am	I have had numerous discussions about this idea with many members of the community and it is clear to me that the community do not support the market being on this footprint. The community do not want any part of Jonson street to be closed on a monthly basis.	The current foreshore location has much less impact on the community than Butler street. Returning Markets to Butler street will be a traffic nightmare. To be honest, why doesn't the market relocate to the cavanah centre permanently with a shuttle bus to/from town?? ?The farmers market have made a successful transition out to there!!	No	No	Resident in Byron Shire	3382085
May 17 21 01:50:08 pm	Think it looks great.	Being on the foreshore mean't it could be very windy.	Yes	Yes	Resident in the Byron town centre	3382707
May 17 21 02:16:36 pm	No need to shut down Jonson Street. Where is additional parking located, this plan removes parking while bringing people into the CBD.	Parking an issue at both sights.	Unsure	No	Local business in Byron Bay	3382778
May 17 21 03:34:22 pm	Looks OK, maybe very spread out, large circular layouts seem to work better than long lines of stalls	The foreshore could never be permanent, butler street, parking too hard, the ground pollution is difficult to deal with and not a good look for food unless it was capped, which is possible. Butler street is ideal to have a large circular food court etc	Yes	Yes	Stall holder	3382950
May 17 21 06:02:55 pm	Go back to Butler St reserve	Too much traffic and damage to nature strip at the foreshore. Preferred choice Butler St Reserve.	No	Yes	Resident in Byron Shire	3383358
May 17 21 06:33:34 pm	looks good	Love the market on the foreshore makes it so accessible and beautiful	Yes	Yes	Regular visitor to the Byron Community Market	3383441
May 18 21 06:40:52 am	No	The current market location has been great, where customers come straight before or after a swim. All my customers have been loving and appreciating the location. The beach side market overall is being great for all stall holders and customers. The previous location on Buttler street was so dusty, the customers don't just pass by they need to	Unsure	Unsure	Stall holder	3384228
May 18 21 07:57:38 am	it will be very hot in summer, and cold in winter, exposed to westerly winds		No	Yes	Stall holder	3384295
May 18 21 09:15:08 am	This is a much better location for the markets long term.	The Butler Street reserve needs to function 24/7 as a public carpark. When the markets are held at the Butler Street Reserve, there is nowhere for people attending the markets to park their cars. . The Main Beach foreshore is a completely inappropriate location and the traffic that is created as a result is unfair on residents who derive no benefit from the commercialization of the foreshore.	Yes	Yes	Resident in the Byron town centre	3384454
May 18 21 09:21:48 am	I think it would be ideal to have the market in town. Such a great location!	The beachfront location is unique but understand is not possible. I personally don't like the Butler Reserve.	Yes	Yes	Stall holder	3384474
May 18 21 10:50:22 am	It would be impossible to foresee the consequences for individual stallholders as it would create a totally new venue. Just as it may seem exciting it certainly leaves a lot of old permanent stallholders in the lurch as to whether this is going to continue their success at the markets.	From my perspective the foreshore markets are rather successful due to the more or less 'single lane trading aspect' ( Except the foodcourts), which means that the public must wander past your stall and most traders have the same chance of being exposed. I believe ,Butler Street developed its own dynamics over many years and it would take the same 'teething' for the proposed new venue. This will be a very frustrating process for stallholders who might find a totally different reality developing	No	Yes	Stall holder	3384794
May 18 21 06:24:39 pm		Current location is excellent!	No	Unsure	Stall holder	3386117

May 18 21 06:54:49 pm	I have been a Byron resident for 22 years and a Byron Markets stall holder for 12 years. Although I see some benefits to this site ( parking at Butler St) as a stall holder I have some great concerns. The rail corridor is the backbone of this proposal but there is a reason every outdoor single day market that I know of in Australia has vehicle access. Market stalls are small shops with its vendors bringing in their tents, shelves, tables, racks, decorations and stock into generally a 3m x 3m space. To carry this any more than a few meters is not an option. And to trolley it in from a loading dock takes both level concreted surface from vehicle to stall allocation and a lot of time. Each stall would take 15-20 each to unload and trolley or carry to site. (You either unload onto a footpath and park your car leaving your stock blocking the loading zone until you return or you unload onto the footpath, leave your car, trolley to your site for me about 8 trips and then park. This would take a lot of time.) I can only see a few suitable sites in which this could be done. How do you bump in and out 200 sites in this manner? Even 150 sites is difficult. ANYONE WHO IS PLANNING A MARKET OF THIS SIZE WITH NO DIRECT VEHICLE ACCESS HAS NEVER DONE A MARKET.	Main Beach is an amazing site. It is the best market site in Byron. It has great vehicle access. A popular desirable location. The markets have never been busier. The customers love it. They are coming in greater numbers than ever and spending. Families love it. Stallholders love it. The fact you can go to the beach and then go have a bite to eat, shop or a massage. What a great Byron experience. Since the markets have moves I now see more and more locals at the markets. With the new bi pass afternoon traffic issues have gone. If Butler St was to become a free carpark we could be running a free courtesy bus from the transit centre to the Surf Club and back. Perhaps for a small gold coin donation. An easy way to ease vehicle congestion through town. Butler St parking would also encourage pedestrians to walk through town. All it would take is some good signage. Stall holders have been contributing to the sand dune care through the \$3.00 environmental levy we pay every market. This money goes to dune care. Funds we need now more than ever to help repair the sand dunes. This levy could also be used to aerate and naturally fertilise the grass. Customers and stallholders love grass under foot. Just ask the Farmers Markets customers and stall holders how they like bitumen as a surface. It's hot, hard and doesn't reflect Byron.	No	Unsure	Stall holder	3386202
May 19 21 08:18:13 am	What an absolute nightmare	Butter street worked well would be good if any pollution issues rectified once and for all	No	Yes	Regular visitor to the Byron Community Market	3387007
May 19 21 10:15:05 am	It's fine but so much better on the beach front for locals and tourists alike!	the beach front is so much better for locals and tourists alike!	No	Yes	Resident in Byron Shire	3387266
May 19 21 01:13:54 pm	Yes I really love the idea. It should help local businesses as well with increased foot traffic in the CBD.	I like it there but don't think it should be held there permanently. The special "Craft" markets should still be held there 4 times a year as they are much smaller.	Yes	Yes	Resident in Byron Shire	3388023
May 19 21 01:36:11 pm	I think it is a great idea to not only have a pedestrianised main street, but to incorporate the markets into this area seems like a win win for everyone! Shops will get more traffic and it really will make the Community market part of the community! As long as stall holders have access to appropriate parking - Butler St reserve would seem perfect for not only stallholders but the general public as well.	I love it at the beach for the vibe, but dont like how its a very long market. I would prefer it to be more of a bundle.	Yes	Yes		3388132
May 19 21 02:22:52 pm	Looks like it will be great for stallholders, maybe some permanent shops will be unimpressed with the competition, though could be a win win with more serious shoppers all round?	Beach market strip has been amazing for us (3x or more the average sales). The 1 long strip layout works really well for markets I think, esp with so many tourists staying in accomodation that's a short walk from the beachfront. Pleasant breezy temperature, no dust, extreme heat, humidity or mud issues, just a nicer place to hang out than Butler St Reserve.	Unsure	Yes	Stall holder	3388339
May 19 21 03:30:34 pm			Yes	Yes	Stall holder	3388585
May 19 21 08:38:23 pm	Nice having some depth and an interesting layout.	At the beach, because there is only one lane it gets too crowded. Butler Street Reserve was boring, with no trees throughout the reserve.	Yes	Yes	Local business in Byron Bay	3389575
May 19 21 09:58:44 pm	I think this is a good solution to go in the heart of town. It will be important to ensure easy connection flow occurs as these are 5 different areas being used	Unfortunately the beach front is now very vulnerable and can not be used for much longer. Butler st became a terrible site once the cars started parking there firstly for the Farmers mkt and then later on for the towns main car park for the other days of the month. I hope we never have to go back there and it can become a permanent car park for the town.	Yes	Yes	Stall holder	3389750
May 20 21 10:38:09 am	I think it could be fabulous for the market to be right in the centre of town. I worry about the heat and glare from all the hard surfaces during so much of the year. Sure stall holders have marquees but the patrons are out in the heat and sun. It's most unpleasant. How does the chamber of commerce feel?	I love the market being on the foreshore. It's the most gorgeous spot. The sea breeze.... the trees..... close to town. Gorgeous.	Unsure	Yes	Stall holder	3390645
May 20 21 09:30:17 pm	Where will stallholders carpark be?	Too "long" a lot of people aren't walking the full distance.	Yes	Yes	Stall holder	3392698

Date of contribution	Do you have any comments about the proposed footprint?	Do you have any feedback about the current market location at the Main Beach foreshore or the previous location, Butler Street Reserve?	Do you support the permanent relocation of the markets from the beach front to the centre of town?	A core principle of the Byron Bay Town Centre Master Plan is to prioritise pedestrians and people over vehicles in the town centre. Do you support the idea of 'cars out, people in' in key areas?	Are you a...?	Response ID
May 21 21 12:49:04 am				Yes	Resident in Byron Shire	3392901
May 21 21 06:19:02 am	Looks like a nice idea to bring some life to Jonson st	Use is too intense for delicate foreshore areas	Yes	Yes	Resident in Byron Shire	3392963
May 21 21 01:44:15 pm	I own [business name removed] and we need direct car access to the back of our shop every day in order for us to operate so we strongly oppose the carpark behind Jonson street being closed on market days in this proposal. We pay our parking permit every year and it is unfair to take our permit benefits away from us as paying customers.		No	No	Local business in Byron Bay	3393981
May 21 21 02:53:29 pm	It will destroy the Retailers in this strip as the products sold at the markets compete with the retailers. Rents are higher for the retailers than a market stall.	Parking is good and space to walk around.	No	No	Local business in Byron Bay	3394218
May 21 21 04:32:57 pm	I fully support using Railway park and closing part of Johnson St for the market. I am concerned that the railway corridor however is not so suitable and that this would divide the market into areas that may see significantly less customers as opposed to other areas (ie behind the Rails and info centre, down along the rail corridor plus other weird 'corners'. Plus a lot of remediation works to be done to make these areas appealing and safe.	Current site is excellent. I love the markets on the beach front. In contrast the Butler St site was terrible: hot, dusty and overwhelming for patrons, you'd never make it past all stalls.	Unsure	Yes	Regular visitor to the Byron Community Market	3394502
May 21 21 05:00:57 pm	Bad idea	Beachside is a winner	No	No	Resident in Byron Shire	3394557
May 21 21 07:45:23 pm	Too narrow in places. Takes away important parking in town. The park is a sanctuary for young children, it will be too busy and hard to park for mums and bubs.	Butler St reserve is the best place. You have resisted greening that space for many years over many councils. A few trees now but you could do so much more. Central town and green space is an opportunity for locals in the Butler St area to exercise, themselves, pets, it makes living in town more enjoyable. Once it is gone it is gone forever.	Yes	No	Resident in the Byron town centre	3394818
May 22 21 08:55:59 am	Not a good idea                      unfair to local businesses who pay huge rents	Either are perfect areas for the market	No	Unsure	Resident in Byron Shire	3395322
May 22 21 10:26:16 am	Best idea	No	Yes	Yes	Resident in Byron Shire	3395431
May 22 21 12:37:18 pm	YES Great location and would be good for farmers market too.	Yes its not good at beach. makes parking and access to beach difficult for others when market is on.	Yes	Yes	Resident in Byron Shire	3395581
May 22 21 12:41:59 pm	It's a great idea	Both locations were good for their duration but now a new and better permanent location is needed	Yes	Yes	Resident in Byron Shire	3395585
May 22 21 12:56:29 pm	I think it looks like a great option	More spread out in proposed location and brings people into town rather than out on the edges	Yes	Yes	Resident in the Byron town centre	3395599
May 22 21 07:30:44 pm	This is not fair to the shops that pay big money for rent. The stalls are \$50 per day, love to hear what all the shop will say???	Move the market to Cavanbah if Butler is unsuitable.	No	No	Regular visitor to the Byron Community Market	3396055
May 23 21 10:57:45 am	Concerns for the damage to Park land and new infrastructure, the marketeers need to be watched carefully and the market mangers need to commit to any repairs - railway park is already showing signs of abuse and neglect.. There's absolutely no need to close Jonson st for the Markets... you will loos at least 45 car space's needed by the rent paying businesses that depend on passing trade and parking -	The beach side market isn't the right place for this activity - and will in time cause damage to the fragile dune zone	Unsure	No	Resident in the Byron town centre	3396523

May 23 21 11:02:06 am	Looks like a reasonable space for Markets as long as we keep the number of stalls down to reflect local traders - Jonson street should be left open, parking is crucial to the CBD businesses & traffic congestion is very bad for business and the general public, avoid any road closures please..	wrong place for a market event	Yes	No	Local business in Byron Bay	3396529
May 23 21 02:13:06 pm	This is a great idea. The bypass and surrounding roads should be able to cope with road closures.	It's nice, but as it's a thoroughfare, sometimes it becomes hard to stop and look at stalls- you get a sense of being "swept along" with the crowds. Also too crowded as it's very narrow in parts.	Yes	Yes	Resident in Byron Shire	3396820
May 23 21 08:44:48 pm	I don't like the an. The stalls will be segmented. Why take parking away? Closing Jonson St will create congestion and confusion. Please consult community.	I think the Main Beach location is no longer sustainable due to beach erosion. I'd like to see Butler St remediated and the markets return to the site. I find Q3 below is a leading question. I'd like the markets in the centre of town, not spreading from the park to the carpark and street though.	No	Unsure	Resident in Byron Shire	3397331
May 24 21 12:39:02 am	Love it. Wonderful addition to town. Need to make sure Butler street car parking is maximised. Need to improve ambience of car park areas at rear of Johnson street and alongside railway precinct	Lacking homogeneity. Too strung out. Lacks a heart or centre. Often too windy.	Yes	Yes	Resident in the Byron town centre	3397505
May 24 21 01:07:05 pm	Concerned that not all stalls will be visited as it is a bit dead endy... not one long line	Love the current location!!!	No	Yes	Stall holder	3398402
May 24 21 01:20:08 pm	Do not close any sections of Jonson street! The local owned shops are struggling enough and large brands that will only use Byron for marketing reasons are already pushing in. COVID resulted in multiple closures, stop putting more pressure on business by disrupting traffic.	Keep it on Main Beach.	No	No	Resident in the Byron town centre	3398423
May 24 21 01:58:19 pm	The footprint is what it is and as sport is on Saturday and Sunday at the Cavanbah that location is not suitable. The location is acceptable and better than the beach front. The Butler St option is kit advised so we have this proposal. I would not block traffic on Jonson St. There is no need to block it off considering it would cause	I swim EVERY day and watch the degradation of main beach which was once our greatest asset. I like Butler St option best of all options. It has stood the test of time and can be rebuilt and specific design which limits stalls to a certain number rather than 'bigger is better' The car park option does restrict the iconic bakery, the newsagent, organic food store Fundies and the corner shop. It does however provide an alternative till butler street reserve can be purpose built.	Yes	No	Resident in Byron Shire	3398507
May 24 21 04:29:08 pm	love it	to many impacts on public infrastructure, parking, traffic and dunes	Yes	Yes	Regular visitor to the Byron Community Market	3399006
May 24 21 05:30:38 pm	I would like to see the car parking arrangement which is the crucial issue. The by pass is working well. Council needs to ensure the market does not impact .	Traffic and parking has been a problem	Yes	No	Resident in Byron Shire	3399191
May 25 21 05:14:30 am	Will the area be pet / dog friendly?	I prefer the main beach foreshore. It has a more relaxed and Byron coastal appeal along the coastal path as opposed to being in the main streets of Byron, on the asphalt and situated amongst other bricks and mortar retailers	No	Yes	Stall holder	3400020
May 25 21 06:44:46 am	Great use of railway park	In summer it is chaos as people want to get to the beach	Yes	Yes	Local business in Byron Bay	3400087
May 25 21 08:08:50 am	Railway Park should not be used for the market. Return the market to Butler st	Return the market to Butler st reserve and leave the farmers Market at Cavanbah because the farmers Market which is weekly destroyed the previously grassy ground.	No	Yes	Regular visitor to the Byron Community Market	3400170
May 25 21 11:32:45 am	It's a great idea to have it in town	Beachside markets is lovely during Summer as Beachside Markets but not for monthly markets.	No	Yes	Regular visitor to the Byron Community Market	3400689
May 25 21 07:01:17 pm	Will be so fabulous to have a new location as the Butler St car park was never as nice as the Bangalow showgrounds.	Beachside market is beautiful and gets lots of traffic but still believe a village market that encompasses the local village businesses will be more desirable. However the beachside is lovely too.	Yes	Yes	Resident in the Byron town centre	3401970

May 26 21 06:26:14 am	Yes, I think it's a great idea	Yes, the foreshore is so environmentally sensitive & the market is putting too much pressure on it. It shouldn't be there. Also, the market creates a traffic problem both for cars & people walking	Yes	Yes	Resident in Byron Shire	3402663
May 26 21 06:46:37 am	Leave it where it is, beachfront!	Leave it where it is	No	No	Resident in the Byron town centre	3402676
May 26 21 07:31:32 am	It's a great idea!	Butler street was a great location, however parking was a nightmare	Yes	Yes	Resident in the Byron town centre	3402712
May 26 21 11:23:12 am			Yes	Yes	Stall holder	3403214
May 26 21 12:55:00 pm	Great idea!	I prefer the new proposal. I didnt like the beach foreshore location	Yes	Yes	Resident in Byron Shire	3403437
May 26 21 01:38:56 pm	Good idea! I think it needs to be in town	Main Beach foreshore is unsustainable because of parking. Parking anywhere near the beach is an increasing problem at Byron. Market on Main Beach makes it utterly impossible on those Sundays. Butler St was ok, but was always a bit sterile and lacking atmosphere	Yes	Yes	Resident in Byron Shire	3403557
May 26 21 02:53:40 pm	It's a good idea.	Beach front market is a pure pleasure.	Unsure	Unsure	Stall holder	3403770
May 26 21 09:52:48 pm	Looks good	Better in town as per proposal	Yes	Yes	Resident in Byron Shire	3404845
May 27 21 09:15:57 am	It is very spread out. But I like the idea of road closure.	It doesn't work well.	Yes	Yes	Stall holder	3405339
May 27 21 10:40:31 am	amazing idea. im all for it. turning town into a partial pedestrian zone once a month is also very good for visitors	main beach foreshore is a fantastic site and would be an ideal for the future if butler street or proposed footprint do not eventuate. butler street reserve is a lifeless and uninspired location, but serves practically. it would be my least preferred option	Yes	Yes	Stall holder	3405519
May 27 21 12:41:09 pm	We have a business in the proposed area of Jonson St. We would welcome the potential extra foot traffic if we could confirm we were not going to be consigned to "the back of the stalls." This would likely result in reduced exposure if people are directed along the road rather than the footpath.		Unsure	Unsure	Local business in Byron Bay	3405905
May 27 21 12:55:38 pm	It is a bad ideas to restrict the flow of traffic by closing part of Jonson St (or others) after congestion has finally been relieved by the new bypass. If the eventual intention is to use Butler St site as a carpark there will be a significant disruption to the flow of traffic on the new bypass by pedestrians crossing over to the proposed new market site, this is on top of the disruptions caused if Jonson St is to be blocked off.	Keep it there until Butler St is ready but put in extra protections for the beach front and don't use that space for any other large scale projects until Markets move back to the Butler St venue.	No	No	Resident in the Byron town centre	3405947
May 27 21 06:01:26 pm	Totally against it. The markets should stay in the Butler Street Reserve or go to Cavanbah Centre.	Totally oppose the markets being on the beachfront or anywhere else in the main part of town. The beachside markets overload the centre of town with too many people and too much traffic and congestion. Stallholders vehicles on the dune are destroying it. Butler Street was the best location.	Unsure	No	Resident in the Byron town centre	3406982
