Hi Mike,

As President of the Byron Chamber of Commerce I can confirm that the Byron Bay Chamber of Commerce Board is in full support of the continuation of the Byron Bay Triathlon. The event supports the local economy and businesses through athletes, families and tourists coming into the region for the annual calendar event.

We also appreciate the Triathlon being moved from Mothers Day weekend which shows their openness to collaborate with the community and business to minimise impact and focus on regional growth.

Kind Regards

Jason

Hi Jason,  
We have been asked if we could obtain a email confirmation of the Chamber's support please.

Sent while on the run...
