<b>Maslen Arboretum</b>	
<i>Funding, affiliations and upheld 'values'</i>	To be discussed with Council. Not part of this landscape masterplan. Values of history and environmental significance references throughout report. Note added 'Opportunities for ecological and plant educational signage throughout the Maslen Arboretum area to celebrate this environmental and community asset. Works to not negatively impact Arboretum vegetation.'
<i>Pathway treatment through Arboretum. Permeable pavement, no hard surfacing and light coloured treatments.</i>	Asphalt selected as material due to access, construction and maintenance reasons. Asphalt surface proposed to limit impact on existing trees. Light surface not proposed because asphalt more practical and sensitive to existing trees. Light coloured surface would also quickly become dark and dirty due to moisture, leaves and lack of direct sunlight.
<i>Boardwalk over river edge path.</i>	Not included in proposal due to vegetation impact.
<i>Existing shelter.</i>	Shelter to be retained or replaced pending future assessment. Addressed in report.
<i>View lines in arboretum.</i>	Only selective and careful pruning to manage pathway use proposed. No other clearing proposed.
<i>Updated management plan covering the development of the open areas into plant communities, plus tree management into the future for the Arboretum.</i>	This is not seen as part of this landscape masterplan and part of the working group's on-going management.
<i>Terminology</i>	Some terminology changed in report to reflect feedback.
<i>Arboretum planting works</i>	Ongoing Arboretum works with reestablishment of understory not part of this landscape masterplan.
<b>Boat Ramp</b>	
<i>Reduction of boats causing wash.</i>	Updated masterplan has boat ramp retained at Heritage Park West.
<i>Retained boat ramps</i>	
<b>Dog Park and dog managemnet</b>	
<i>Dogs access and off leash areas.</i>	To be considered as part of Council's management plan. Not part of this landscape masterplan.
<b>Neighbours</b>	
<i>Awareness of the boundaries of crown land area.</i>	To be considered as part of Council's management plan. Not part of this landscape masterplan.
<b>Park furniture and artwork</b>	
<i>All park furniture should be installed by a commissioning of local artisans and designers. This includes all seating and structures including shelters.</i>	The masterplan does not specify suppliers of furniture or art works. This detail will be included in future design phases.
<b>Traffic</b>	
<i>Various.</i>	To be addressed by Council's internal Engineering team.
<b>Plant Palette</b>	
<i>Comments on plant palette expansion.</i>	This planting list is not exhaustive and is to be used as an indicative guide through detail design.
<b>Playground</b>	
<i>Embellished playgrounds.</i>	Only some upgrades part of this masterplan.
