Dear Sir,

Letter of support for the additional flow path from the STP to the Union Drain

This is to confirm that as trustees of the Central Union Drain (aka Industrial Drain) the Belongil Catchment Drainage Board supports the additional flow path from the STP to the Union Drain.

We understand that Byron Shire Council commits to regular maintenance of the flow path (including the southern side of Ewingsdale Road) and that Byron Shire Council has sole responsibility for flooding of the surrounding areas in wet weather events.

Sincerely

Tom Vidal
(secretary, on behalf of the directors of the Belongil Catchment drainage Board)

MISSION STATEMENT
