Dear Mark

**RE: Consent for extension of term of  
Sub Licences for Commercial Recreational Activities**

I refer to the correspondence and discussions between representatives of Byron Shire Council and Department of Planning, Industry and Environment Crown Lands regarding the request for an extension of the term of the Sub Licences for Commercial Recreational Activities.

The department has reviewed the Head Licence RI 564194 held by Council and the information provided by Council.

Based on this review, the department hereby provides consent for Council, in its capacity as holder of the Head Licence, to negotiate a 12 month extension to the term of the Sub Licences.

Please note, it is the responsibility of Council to ensure that due diligence will be undertaken when assessing and determining the rent for this extended term.

The department looks forward to receiving notification of the outcome of its negotiations in due course.

Should you require any further information or clarification in relation to the matter I have arranged for Mrs Shannon Powell, Group Leader Property Management, Grafton to be available. Mrs Powell can be contacted on (02) 6642 9214 or by email at [shannon.powell@crownlands.nsw.gov.au](mailto:shannon.powell@crownlands.nsw.gov.au).

Yours sincerely
