Dear Council

The Department of Industry Property Services Team has no objections to the advised proposed road closure, except in cases whereby access to any land owned by or in Trust by the Water Administration Ministerial Corporation (WAMC) or its predecessors being the Water Resources Commission and the Water Conservation and Irrigation Commission is affected.

From the information you have provided and the list of land we hold, I have been unable to identify any WAMC land as being involved or affected by this proposed road closure.

I have cc'd Peter Beard from WaterNSW in to this reply as WaterNSW also manage WAMC land and may hold more accurate records of WAMC land.

Regards,

Sarah

Comments on proposed part road closure

Part Council Road Reserve adjoining 101 Pearces Creek Road PT Lot 30 DP 862126

Dear Sir/Madam

I/We, wish to provide my/our opinion in relation to the proposed road closures.

We:

☒ Are in favour of the road closure

OR

☐ Object to closure of the following roads for the reasons noted below.

We are the owners of the above property. We purchased this land in good faith 20 years ago.

At that time the position of fences, outhouses + dwellings were the same as they are at the present day. The title/deeds did not give us any reason to think that these fences + dwelling was on road reserve.

The dwelling is occupied by a long term # tenant who is socioeconomically marginalised + pays us minimal rent.
