Subject: Proposed lease over public road reserve adjoining 27 Marine Parade Byron Bay
Date: Monday, 20 January 2020 8:08:46 AM

Ref: BSC File No: #E2019/88074

The General Manager, Byron Shire Council

We object to this proposal. The word 'formalise' in your correspondence indicates that the public land is already being used.

Our family has occupied our block since the subdivision at Wategos Beach was developed. It is time that the current Council stopped what has been a continual take-over of the limited amount of public land by private developers, in this location.
