This document

Council is committed to providing a regular update on its progress towards its Operational Plan. The Quarterly report details the progress on the activities of Council's 2018/19 Operational Plan, noting the:

- Activity
- Responsible directorate
- Measure
- Timeframe
- Comments
- Status

Further to the providing an update on the Operational Plan Activities, this report is a '6-monthly edition' of Council's Quarterly Report, providing an additional reporting layer regarding the progress toward the higher level actions of the Delivery Program, in accordance with the *Local Government Act 1993* s404 which states:

"The general manager must ensure that regular progress reports are provided to the council reporting as to its **progress with respect to the principal activities detailed in its delivery program**. Progress reports must be provided at least **every 6 months**"

This is an important component of the reporting cycle, focusing on the higher level commitments that the Councillors have made to the community for the duration of their term. It also provides an opportunity to reflect on whether the specific activities being undertaken are still working toward these priorities.

The report is structured by each of the 'Our Byron, Our Future' Community Strategic Plan (2018-2028) objectives:

Community Objective 1:

We have infrastructure, transport and services which meet our expectations

Community Objective 2:

We cultivate and celebrate our diverse cultures, lifestyle and sense of community

Community Objective 3: We protect and enhance our natural environment

Community Objective 4: We manage growth and change responsibly

Community Objective 5: We have community led decision making which is open and inclusive

Contents

Community Objective 1:

We have infrastructure, transport and services which meet our expectations

1.1 Provide a road network which is safe, accessible and maintained to an acceptable level of service	6
1.2 Provide essential services and reliable infrastructure which meet an acceptable community standard	12
1.3 Support, through partnership, a network of integrated sustainable transport options	20
1.4 Provide a regular and acceptable waste and recycling service	22
1.5 Provide continuous urban water and sewerage services within the Shire	26
1.6 Manage traffic and parking in an efficient manner	30

Community Objective 2: We cultivate and celebrate our diverse cultures, lifestyle and sense of community

2.1 Support range of existing, emerging and major events
2.2 Support access to a wide range of services and activities that contribute to the wellbeing of all members of the Byron Shire community
2.3 Provide accessible, local community spaces and facilities41
2.4 Enhance community safety and amenity while respecting our shared values
2.5 Encourage community appreciation of cultural vitality and diversity

Community Objective 3: We protect and enhance our natural environment

3.1 Partner to protect and enhance our biodiversity, ecosystems and ecology	53
3.2 Strive to become a sustainable community	56
3.3 Partner to protect and enhance the health of the Shire's coastlines, estuaries, waterways and catchments	59
3.4 Support and secure our farming future	62

Community Objective 4: We manage growth and change responsibly

4.1 Support the visions and aspirations of local communities through place-based planning and management	. 65
4.2 Support housing diversity in appropriate locations across the Shire	.70
4.3 Promote and support local business development, education and employment opportunities	.73
4.4 Promote and support local business development, education and employment opportunities	.75
4.5 Work to improve community resilience in our changing environment	.77

Community Objective 5: We have community led decision making which is open and inclusive

5.1 Engage and involve community in decision making	80
5.2 Create a culture of trust with the community by being open, genuine and transparent	84
5.3 Deliver a high level of customer service	89
5.4 Manage Council's assets and allocate resources in a fair and holistic manner	91
5.5 Manage Council's finances sustainably	95
5.6 Manage Council's resources sustainably	99

COMMUNITY OBJECTIVE 1:

WE HAVE INFRASTRUCTURE, TRANSPORT AND SERVICES WHICH MEET OUR EXPECTATIONS

Strategy 1.1 Provide a road network which is safe, accessible and maintained to an acceptable level of service

Highlights

- Works complete on reconstruction of Pocket Road Stage 1 and design work commenced for Stage 2
- Building Asset Management Plan adopted by Council on 12 December
- Tweed Valley Way Rural Major Culvert Replacement

Deliver road and drainage maintenance services in line with Community Solutions Panel values (SP) Comment: The Transport Asset Management Plan(TAMP) incorporates consideration of the infrastructure priorities as defined by the Community Solution Panel. Maintenance programs are all on track with outcomes being reported regularly to the Transport and Infrastructure Advisory Committee.

Оре	erational Plan Activity	Directorate	Measure	Due	Comment	Status
1.1.1.1	Implement rural drainage planned maintenance programs	Infrastructure Services	Requests for maintenance works prioritised and completed	30- Jun- 20	Rural drainage maintenance commenced in accordance with scheduled works	On Track

1.2.9.1	Deliver upgrade program for access compliant toilets in consultation with Plan of Management for each facility	Infrastructure Services	Yearly program complete. # and location of access standards compliant toilets	30- Jun- 20	MLAK system resolved and installation of additional signage.	On Track
1.2.9.2	Review public toilet level of service including disabled accessibility	Infrastructure Services	Review reported to Council	30- Jun- 20	Levels of service that match available cleaning and maintenance budgets has been prepared and tender prepared for service delivery. Anticipate tender advertisement February 2020.	On Track

Strategy 1.3 Support, through partnership, a network of integrated sustainable transport options

Highlights

Adopted <u>Pedestrian Access Mobility Plan (PAMP)</u>

Strategy	DP Actio
1.3	1.3.1

 Ensure an integrated and accessible transport network (SP)
 Comment: Development of key plans and strategies in relation to transport infrastructure, including an Integrated Transport and Movement Plan (ITMP), Bike Plan, and Pedestrian and Access Mobility Plan (PAMP) ensures the transport system is fit for purpose. Each of these plans involve community engagement and working with committees and other agencies to deliver the best outcome for the community.

Ope	rational Plan Activity	Directorate	Measure	Due	Comment	Status
1.3.1.1	Prepare an Integrated Transport and Movement Plan (ITMP)	Infrastructure Services	Plan adopted	30- Nov- 20	Consultants engaged in August. Workshops held with Transport and Infrastructure Advisory Committee (TIAC), most recently in December 2019.	On Track
1.3.1.2	Update key road traffic plans to manage future traffic demands	Infrastructure Services	Plans updated	30- Jun- 20	Staff are working with Transport for NSW on modelling and options study for upgrades to MR545	On Track
1.3.1.3	Update Bike Plan and Pedestrian and Access Mobility Plan (PAMP)	Infrastructure Services	Plans completed. PAMP provides high level plan and directions for DIAP requirements across the LGA.	30- Sep- 20	Adopted <u>Pedestrian Access Mobility Plan</u> (PAMP) as per Council resolution 19-546. One outstanding item on action sheet.	On Track
1.3.1.4	Apply annually to NSW State Government through RMS for Bike Facilities Grants	Infrastructure Services	Grant applications submitted annually	30- Nov- 20	Grant application will be made when funding rounds open.	On Track
1.3.1.5	Plan and deliver prioritised Pedestrian and Access Mobility Plan (PAMP) facilities	Infrastructure Services	Program of work completed. # and list of accessible facilities delivered in PAMP	30- Jun- 20	Adopted as per Council resolution 19-546	Completed

Оре	rational Plan Activity	Directorate	Measure	Due	Comment	Status
1.3.1.6	Support the Byron Bay Bus Interchange in partnership with Transport for NSW	Infrastructure Services	Project progressed in accordance with approvals	30- Jun- 20	A letter has been received from the Hon. Ben Franklin and the Minister advising that funding options are being sought. A meeting occurred with the Transport Minister. Further advice received in December.	On Track
1.3.1.7	Install cycle racks at various locations in Mullumbimby	Infrastructure Services	Cycle racks installed	30- Jun- 20	Commenced. Currently working with community on installation.	On Track
1.3.1.8	Cycleway - Bangalow Rd/Broken Head Rd	Infrastructure Services	Project completed	30- Jun- 20	Construction on track in accordance with grant requirements	On Track
1.3.1.9	Ewingsdale Road Shared path from Island Quarry to Bayshore Drive	Infrastructure Services	Project completed	30- Jun- 20	Project is subject to December QRB	On Track

Strategy
1.4Provide a regular and acceptable waste and recycling
service

Highlights

Strategy

- Upgrade of public dog-poop bag dispenser network
- Compliance with all NSW Environmental Protection Licences
- Carbon Credit revenue \$25,000 received
- Integrated Waste Management and Resource Recovery Strategy developed

Strategy	DP Action 1.4.1 Implement Integrated Waste Management and Resource Recovery Strategy developed and currently on public exhibition.

Support community driven safety initiatives

Comment: A number of community safety initiatives have been supported and implemented. The New Years Eve safety response was delivered in partnership with key stakeholders.

Ор	erational Plan Activity	Directorate	Measure	Due Date	Comment	Status
2.4.2.1	Implement Council's Safe Community Compact	Corporate and Community Services	1 Safe Community Compact project delivered	30-Jun-20	Challenges with securing light fittings. Currently 4 - 6 week wait. Contacted Department of Justice to provide update and seek advice on requirements. Awaiting response	Needs Attention
2.4.2.2	Support peak season community safety initiatives	Corporate and Community Services	NYE safety response delivered	31-Mar-20	New Years Eve safety response delivered in partnership with NSW Police and Byron Community Centre	Completed
2.4.2.3	Support harm minimization initiative	Corporate and Community Services	Young people supported via Street Cruise; support for Schoolies response	30-Jun-20	Schoolies Safety Response completed. Debrief planned for January 2020.	On Track
2.4.2.4	Review and redraft the existing Safer Community Compact to identify local community safety priorities	Corporate and Community Services	Review completed	30-Jun-20	Ongoing review of data and research into evidence-based approaches.	On Track

Strategy 2.4.3 2.4.3 Enhance public safety, health and liveability through the use of council's regulatory controls and services **Comment:** Council continues to provide monitoring and compliance of illegal camping, companion animals, parking, public health, and environmental health.

•/						
Ор	erational Plan Activity	Directorate	Measure	Due	Comment	Status
2.4.3.1	Monitor, investigate and resolve complaints in relation to community safety, land use and the environment	Sustainable Environment and Economy	 100% response to Very High Compliance Priorities identified in the Compliance Priority Program 80% customer service requests completed 	30- Jun- 20	 All Compliance Priorities identified as 'Very High' in the CPP are investigated immediately. During the period there were 125 new CRMS received and 210 completed. Note: Due to the nature of some unauthorised works, cases can be protracted, not giving a clear picture of action taken to date. 	On Track
2.4.3.2	Undertake camping patrols throughout the Shire	Sustainable Environment and Economy	Parking patrols undertaken and staffing maintained to provide adequate resourcing	30- Jun- 20	Staffing maintained to ensure Community Enforcement Officers undertake regular patrols throughout the Shire and as required. During the period there were 79 new camping related CRMs received, with 72 completed. Where relevant, officers are now issuing camping related CRMs with parking infringements, in the first instance. This is safer for staff patrolling the areas and improves non-payment of fines issued for offences.	On Track
2.4.3.3	Undertake proactive patrols of community parks and open spaces to monitor safe use by dogs and their owners	Sustainable Environment and Economy	Patrols of community parks and open spaces undertaken (4/weekly)	30- Jun- 20	Staffing maintained to ensure Community Enforcement Officers undertake regular patrols throughout the Shire. During the period there were 60 new animal related CRMS received and 99 completed.	On Track
2.4.3.4	Provide ongoing information and education to the public regarding companion animals	Sustainable Environment and Economy	Council's website and media updated to include education, functionality, and information to promote responsible pet ownership	30- Jun- 20	Ongoing information and education provided via the website.	On Track

Ор	erational Plan Activity	Directorate	Measure	Due	Comment	Status
2.4.3.5	Deliver annual RSPCA education program to local schools	Sustainable Environment and Economy	Program delivered to schools within the Shire	30- Jun- 20	Council supported the RSPCA Mobile Education Unit (or EMU Bus) visited Byron Bay Public School during September 2019 to work with the students on a wide range of activities promoting responsible pet ownership, and teaching them about threats to wildlife and animal welfare.	Completed
2.4.3.6	Undertake regular and frequent parking patrols to increase availability and turnover in the Town and Village centres	Sustainable Environment and Economy	Parking patrols undertaken and staffing maintained to provide 7 day/week coverage and increased to suit peak periods 80% customer service requests completed	30- Jun- 20	 Staffing maintained to ensure Community Enforcement Officers undertake regular patrols throughout the Shire. 77% new of parking related CRMs received during the period were completed. Due to required legal timeframes associated with Abandoned Vehicles, cases can be protracted, not giving a clear picture of action taken to date. 	On Track
2.4.3.7	Monitor, investigate and resolve complaints in relation to public and environmental health	Sustainable Environment and Economy	Inspections completed compliance (>90%) Customer service requests Attended to within response times (>85%) Liquor license applications attended to within response times (>80%)	30- Jun- 20	All public and environmental health inspections identified as 'Very High' in the CPP are investigated immediately. During the period there were 19 CRMs relating to public and environmental health received and 45 completed. Liquor Licence application referrals are assessed and responded to on receipt.	On Track
2.4.3.8	Undertake regular inspections of food premises to improve and maintain a high level of hygiene and food safety	Sustainable Environment and Economy	Inspections completed compliance (>90%)	30- Jun- 20	 Annual inspection program continuing. During December there were: 22 food shop inspections carried out, and 104 since July 2019. 30 temporary/mobile food stall inspections carried out, and 161 since July 2019. Note: inspection details from Falls Festival are still being entered and may not appear in these figures. 	On Track

Оре	erational Plan Activity	Directorate	Measure	Due	Comment	Status
2.4.3.9	Undertake regular on-site sewage management inspections to ensure the protection of the community and environment	Sustainable Environment and Economy	Inspections completed compliance (>90%) Mean determination approval time (<60days)	30- Jun- 20	Annual inspection program continuing.	On Track
2.4.3.10	Deliver environmental and public health education programs to the community	Sustainable Environment and Economy	Programs completed (2)	30- Jun- 20	Programs to be identified.	On Track
2.4.3.11	Install native animal awareness signs	Infrastructure Services	Signs purchased and installed	30- Jun- 20	Subject to review of Shire wide signs policy. IS and SEE staff working collaboratively on new signage styles and implementation	On Track
2.4.3.12	Monitor and manage public and environmental health through a range of proactive inspections and surveillance programs	Sustainable Environment and Economy	Programs completed (2) Inspections completed compliance (90%)	30- Jun- 20	Programs to be identified.	On Track
