With regard to the above DA, I am concerned about the ancientAboriginal walking track along the ridgeline from Koonyum Range tothe ocean which lies through the Tallowood Estate and which wasoutlined in the original DA as of special significance and whichshould be protected. Is this being protected by the new Subdivision,Stage 7? Furthermore, I request that there be communityconsultation relating to this Stage 7, and the time for makingsubmissions extended beyond the allocated 14 days. Yourconsideration of the community in this matter would be appreciated.

Hello - I would like to make an appointment to see the person incharge of this DA, sometime this week, please. I would like to checkout the original DA with information about the Aboriginal walkingtrack along the ridgeline at Tallowood, which was inspected byindigenous elders before the original DA was submitted and theconditions included protection of that track which is part of thehistoric track from Koonyum Range to the coast. I am a ratepayer inLeft Bank Road.
