Hi Alice,

Thank you so much for sending that through. Attached is a screen shot of the area of beach we would like to use and a draft filming permit.

We don't yet know all the details or timings of the shoot, but just need to know that it is even possible.

We can provide a better schedule once we know. Bump in would be from approx.. 0700-1000, filming from 1000-1200 and then clear up.

We will then be filming at BBSLC whom we are dealing with deperately.

Please don't hesitate to call me if you have any further questions.

Thank you, Jennie

Hi Jennie,

Thanks for calling.

As discussed I have attached a copy of our Filming Application Form for you to complete.

The area described I believe is Main Beach but there is a map below of the area, if you could mark out where you were thinking, just to be clear that would be great.
