Appendix 4: Option 4 – Off-road continuous scenic route

LEGEND

Existing shared path

Existing footpath

Proposed shared path (new/upgraded)

Proposed footpath (new/upgraded)

--- Proposed on-road cycle lane

Revitalise existing rail corridor and provide new shared path. Potential to connect to proposed railway redevelopment to the north

2 Provide new recreational shared path on existing trail alignment

Cyclists to utilise local, low speed road network and mix with general traffic. No specific, dedicated cycle infrastructure proposed

Provide cycle connection to and through existing park

Construct pedestrian/cycle bridge and
potential land resumption adjacent BP service station for new shared path

6 New shared path to connect to existing park and sports fields

No on-road cycle or shared path provision between The Byron @ Byron and Beech Dr. Cyclists to reroute on local road network
